Think Boldly

For more than 60 years, researchers and general readers alike have relied on Praeger to spark curiosities, expand horizons, and both inform and advance inquiry. The core tenets of our work keep us thinking boldly so you can, too.

Perspectives That Matter

Our authors, scholars, researchers, and editors are at the forefront of their fields, not simply responding to today's issues but helping to define the national conversation in real time. Each Praeger text is endowed with the credibility and authority inherent in its expert contributors.

Investigating Today's Complex Issues

At Praeger, we're committed to doing more than printing basic facts. Complex, controversial questions that affect us and the world around us necessitate in-depth, nuanced analysis, which you'll find in every book we publish.

Support for Academic Scholarship

Whether your focus is security studies, popular culture, or economics, Praeger has the breadth of scope and depth of content necessary to support core coursework and independent research. A powerful combination of unbiased reporting and critical perspectives encourage students to go beyond comprehension to formulate their own unique and informed positions on essential and evolving issues.

Think Praeger

New Topics on Important Issues

The "Peak Oil" Scare and the Coming Oil Flood

14 Is the earth's oil supply starting to run out, or is there far more oil than some experts believe? This book points out flaws in the research used to warn of an oil shortfall and predicts that large new reserves of oil are soon to be tapped.

The Psychology of Hate Crimes as Domestic Terrorism

U.S. and Global Issues

30 In this three-volume set, an international team of experts examines hate crimes in the United States and around the globe, drawing comparisons between countries as well as between hate crimes overall and domestic terrorism.

Race in America | How a Pseudo-Scientific Concept Shaped Human Interaction

41 Focusing on the socially explosive concept of race, this work examines its social and scientific definitions, racialized policies and practices, how race shapes social interactions within U.S. society and elsewhere, and much more.

Adolescent Psychology Worldwide

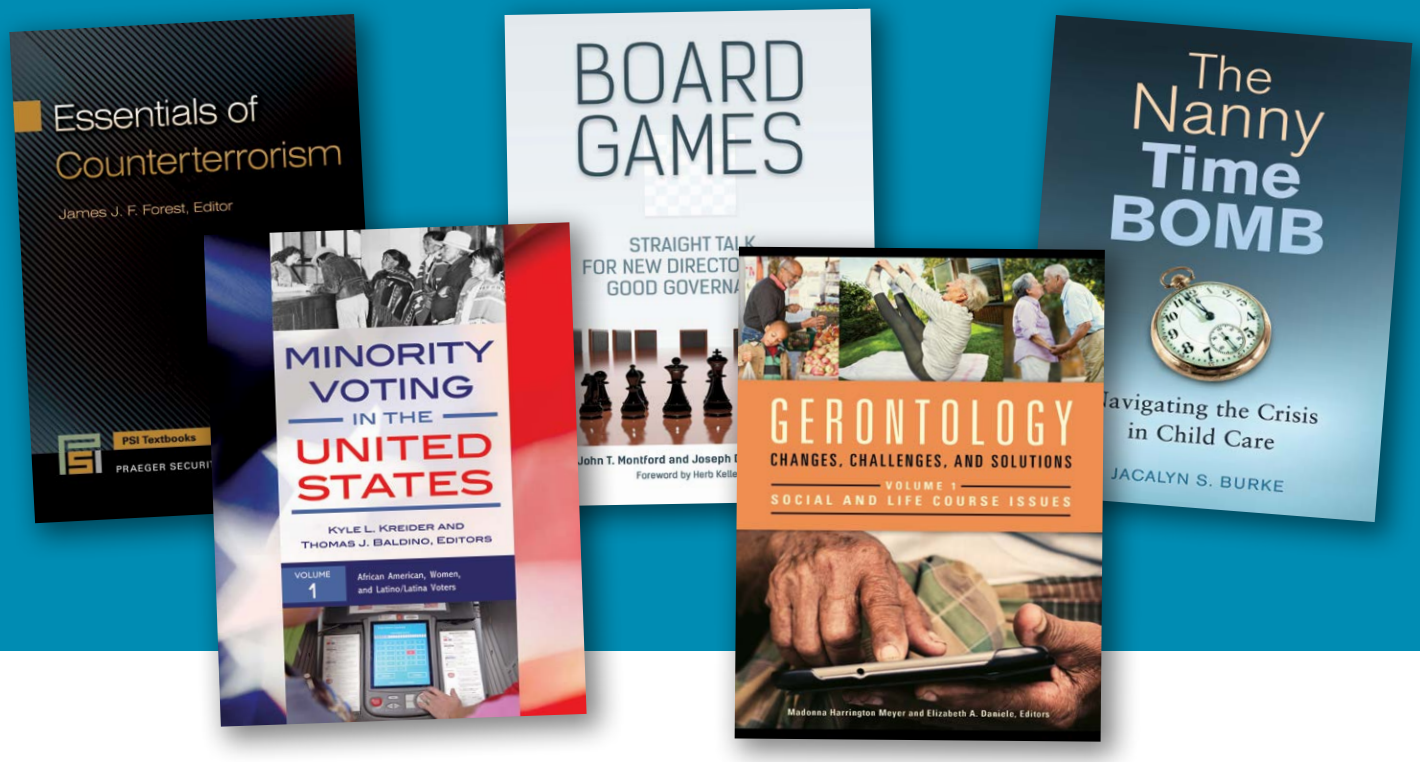
Global Perspectives on Risks, Relationships, and Development

54 This ground-breaking three-volume set spotlights how conditions around the world are affecting the healthy development of adolescents in their respective environments, on all six continents.

Security Issues in the Greater Middle East

71 This textbook anthology of selected readings on pressing Middle East security concerns serves as an invaluable single-volume assessment of critical security issues in nations such as Afghanistan, Egypt, Iran, Iraq, Israel, Lebanon, Syria, and Yemen.

More of the Latest from Praeger



Essentials of Counterterrorism

77

A comprehensive overview of counterterrorism that examines key aspects of the fight against terrorism, including intelligence, law enforcement, the military, financial and criminal activity, ethics, and social media.

Minority Voting in the United States

81

What are the voting behaviors of the various minority groups in the United States and how will they shape the elections of tomorrow? This book explores the history of minority voting blocs and their influence on future American elections.

Board Games | Straight Talk for New Directors and Good Governance

90

Directors and aspiring board candidates need a survival guide to beat the odds and avoid crises—the best credentials and the best of intentions aren't enough. This book is that guide.

Gerontology | Changes, Challenges, and Solutions

103

This two-volume set provides undergraduate and graduate students, scholars, professionals, and policymakers with an overview of the field of aging that examines the social landscape as well as key changes, challenges, and solutions.

The Nanny Time Bomb | Navigating the Crisis in Child Care

111

From your baby's perspective, choosing the right nanny is probably the most important decision a parent can ever make: this book is about making the best possible choice.

STEVEN L. BLUE, MBA, is CEO of Miller Ingenuity, a global supplier of mission critical components in the transportation industry.

FORTHCOMING

American Manufacturing 2.0

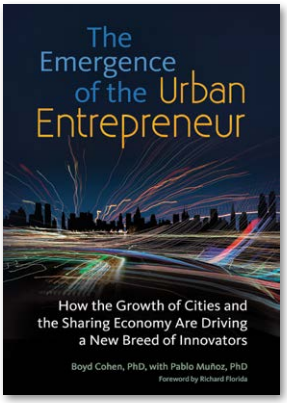
What Went Wrong and How to Make It Right

STEVEN L. BLUE; FOREWORD BY BILL MCDERMOTT

For nearly two decades, America's industrial manufacturing sector has been in decline—and as a result, the nation's prosperity and strength is at risk. Meanwhile, China's manufacturing capabilities and competence continue to grow, threatening to overtake America as the world's most powerful and prosperous nation. Drawing on straightforward principles that can effectively be applied to a broad spectrum of manufacturing companies, author Steven L. Blue taps his leadership skills and proven processes honed over his career of growing companies—and saving them—to offer readers an inspiring vision for revitalizing the entire manufacturing sector.

HIGHLIGHTS

- Presents readers with specific, actionable, and experience-based advice on how to propel a company into a global powerhouse
- Teaches the importance of the human factor and how to harness it for peak performance
- Reveals the secrets to building a high performance culture by design—not by default
- Uses tried-and-true examples from the author's real-world experience in generating turnaround and growth successes



May 2016, 167pp, 6 1/8x9 1/4
Print: 978-1-4408-4455-3

BOYD COHEN, PhD, is professor of entrepreneurship and sustainability at EADA Business School in Barcelona, Spain, and joint professor at the Universitat de Vic.

PABLO MUÑOZ, PhD, is lecturer in business and sustainable change at the Sustainability Research Institute, University of Leeds in the United Kingdom.

FORTHCOMING

The Emergence of the Urban Entrepreneur

How the Growth of Cities and the Sharing Economy Are Driving a New Breed of Innovators

BOYD COHEN, PHD, WITH PABLO MUÑOZ, PHD
FOREWORD BY RICHARD FLORIDA

The world is urbanizing rapidly. Currently, 600 cities account for 60 percent of the global economy; by 2025, it is predicted that the top 100 cities will account for 35 percent of the world's economy. Emerging trends in collaboration, the sharing economy, and innovation are opening up new opportunities for entrepreneurs in urban environments—"urbanpreneurs"—to participate in everything from tech startups in cities (instead of suburban tech parks) to makers and on-demand service providers to roles in civic entrepreneurship for those interested in solving the challenges that growing cities are facing.

HIGHLIGHTS

- Documents how the integration of three converging trends—collaboration, democratization, and urbanization—contribute to what the author calls the "Urbanpreneur Spiral"
- Presents eye-opening insights and reflections on the current and future state of entrepreneurship and innovation in society
- Explains why today's cities are the primary source of opportunities for new entrepreneurs
- Pays much-needed attention to the growing role of local governments in fostering entrepreneurship and innovation

NEW

Street Marketing™

The Future of Guerrilla Marketing and Buzz

MARCEL SAUCET

★ AWARD WINNER

2015 USA Best Book Award in Business: Marketing & Advertising

"This book shows you detailed analyses of various nontraditional marketing techniques that can be used to get your brand exposed to the market even if your budget is $1.00."

—Taryn Rose, CEO, Dresr.com

"This book will make you think 'out of the box' and you will come up with some exceptional marketing ideas. These guerrilla and street marketing techniques helped us to grow as a globally recognized brand."

—Gregory Galy, President and CEO of Fig & Olive

Consumers see roughly 6,000 advertisements daily—30,000 brands per month. Marketing and advertising in saturated markets is tough. How can companies successfully differentiate their offerings and their brands? In *Street Marketing™: The Future of Guerrilla Marketing and Buzz*, Marcel Saucet answers this question by exposing readers to new forms of unconventional marketing. Intended for companies as well as marketing students, this is a guide to the vibrant future of marketing, where social media meets the street.

The Recycling Myth

Disruptive Innovation to Improve the Environment

JACK BUFFINGTON

One billion beverage containers are used on a daily basis in the United States, with at least 600 million of them ending up in landfills. Even the 400 million that are recycled—at a great cost—are not accomplishing the task of helping the environment. This economic and environmental catastrophe cannot be solved by recycling programs. From his experience as a leader in the American consumer beverage industry and a researcher in Sweden, author Jack Buffington has developed a transformational solution that seeks to not just mitigate the environmental damage, but to jumpstart the economy while actually achieving zero waste.

HIGHLIGHTS

- Supplies an informed perspective from a leader in the consumer beverage industry at one of the world's largest producers of packaged beverages and a researcher in Sweden in the fields of environmental science and supply chain logistics
- Presents a bold counterargument to the idea that recycling and sustainability programs are inherently beneficial and introduces a new system that will benefit both our environment and economy—without asking consumers to consume less

LILYA WAGNER, EdD, is director of Philanthropic Service for Institutions and is on the faculty of the Lilly Family School of Philanthropy at Indiana University as well as St. Mary's University.

FORTHCOMING

Diversity and Philanthropy

Expanding the Circle of Giving

LILYA WAGNER, EdD, CFRE

A "one size fits all" strategy is not effective when it comes to philanthropy and fundraising in today's diversified environment. This book enables nonprofit leaders, board members, staff, and volunteers of nonprofit organizations to better reach diverse populations and incorporate perspectives that increase success by surveying the cultural context for philanthropic action.

HIGHLIGHTS

- Brings together a breadth of information on the cultural effects on philanthropy and fundraising in an approachable, practical, and readable manner—all in a single-volume resource
- Includes vignettes provided by experts and professionals from several countries that diversify the perspectives presented
- Supplies sidebars in each chapter that contain more personal opinions on philanthropy and fundraising that lend a real-life dimension to the book
- Provides invaluable information for anyone seeking to be culturally proficient in his or her practice, such as leaders of nongovernmental or nonprofit organizations, board members who grasp the diversity of their client groups' relationship to the organizations, and fundraising professionals

eBook: 978-1-4408-4150-7

KATHRYN HACK is a solo entrepreneur and the founder of Tiger Communications, a commercial print brokerage in business since 1999.

NEW

Emergency Planning for the Solo Entrepreneur

Back Up Your Business—Before Disaster Strikes

KATHRYN HACK

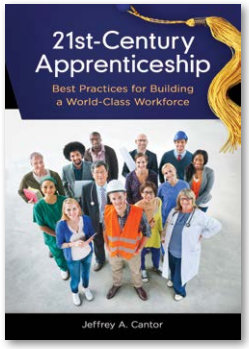
"Reading [this] book is like having a personal coach, asking critical questions and making sure you analyze your business so that everything is in order. Having everything organized for unforeseen events is a freeing experience."

—Carolyn Scott, Award-winning documentary filmmaker (*Texas Gold*)

"Kathryn's book gives you a step-by-step system to follow so you have one less threat to worry about as an entrepreneur. This book is not just a must-read, it's a must-implement!"

—Michael Robert Moore, Creator of the Significant Entrepreneur Blueprint

This book is both a wakeup call and an action plan for small business owners. It will guide readers toward creating a backup system that will enable a business to "run itself" without the immediate presence of its owner—for a week, a month, or even longer. The author presents a tested strategy that has its roots in preparing for natural disasters, and replaces the all-too-common refusal to believe that bad things can and do happen with hard facts and realism. Clearly, solopreneurs cannot afford to take risks of failure when it comes to their businesses—the most important thing in their lives aside from family and health.



21st-Century Apprenticeship

Best Practices for Building a World-Class Workforce

JEFFREY A. CANTOR

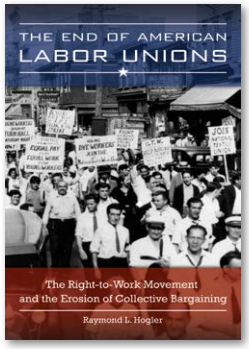
Illustrates how a changing U.S. economy demands a revival of employer-based workforce training and suggests a new model of apprenticeship founded on the best of practices past and present, overseas and at home.

August 2015
167pp, 6 1/8x9 1/4
Print: 978-1-4408-3418-9
$37.00, £24.00, €29.00
eBook: 978-1-4408-3419-6

HIGHLIGHTS

- Includes excerpts from interviews and observations from the author's travels through Europe, where apprenticeship has been revitalized with great success

JEFFREY A. CANTOR, PhD, retired as provost and interim vice president for academic affairs of Pensacola Junior College, FL. Previously, he was dean of workforce education with Norwalk Community College, CT.



The End of American Labor Unions

The Right-to-Work Movement and the Erosion of Collective Bargaining

RAYMOND L. HOGLER

March 2015
192pp, 6 1/8x9 1/4
Print: 978-1-4408-3239-0
$37.00, £24.00, €29.00
eBook: 978-1-4408-3240-6

"An extraordinary read and a fundamentally imperative addition to academic library reference American Labor History reference collections and supplemental studies reading lists."

—Midwest Book Review

"A good little book, packed with insight and analysis. . . . [It] is very much worth the read."

—People's World

By examining the history of the legal regulation of union actions, this fascinating book offers a new interpretation of American labor-law policy—and its harmful impact on workers today.

RAYMOND L. HOGLER is professor of management at Colorado State University in Fort Collins, CO.

Compliance Management

A How-to Guide for Executives, Lawyers, and Other Compliance Professionals

NITISH SINGH, PHD, AND THOMAS J. BUSSEN

Print: 978-1-4408-3311-3
37.00, £24.00, €29.00
eBook: 978-1-4408-3312-0

"All employees, employers, managers, and business owners would benefit from familiarity with the basic compliance and business principles outlined in the book. This book would also be very useful in a classroom setting."

—Milwaukee Bar Association Messenger

This practical guide shows how to build an effective compliance and ethics program that will lower a business's risks and improve productivity.

NITISH SINGH, PhD, MBA, MA, is associate professor at St. Louis University.

THOMAS J. BUSSEN, JD, MBA, is a licensed attorney and cofounder and vice president at IntegTree LLC.

Building a Culture for Sustainability

People, Planet, and Profits in a New Green Economy

JEANA WIRTENBERG

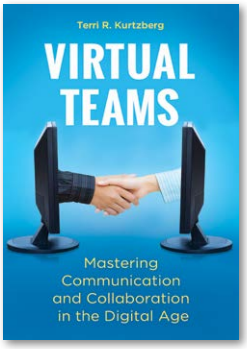
"Wirtenberg pays tribute to the role the precious earth plays for all people living, working, and creating value together in organizations across the globe."

—People & Strategy Journal

January 2014
312pp, 6 1/8x9 1/4
Print: 978-1-4408-0376-5
$48.00, £30.00, €38.00
eBook: 978-1-4408-0377-2

This practical, easy-to-understand book sets a path to successfully building a culture for sustainability in today's global marketplace, providing "best practice" case studies from industries and sectors including manufacturing, business-to-business, hospitality, consumer products, telecommunications, and professional services.

JEANA WIRTENBERG, PhD, is president and CEO, Transitioning to Green, and cofounder/senior advisor, Institute for Sustainable Enterprise, Fairleigh Dickinson University, Madison, NJ.



Virtual Teams

Mastering Communication and Collaboration in the Digital Age

TERRI R. KURTZBERG

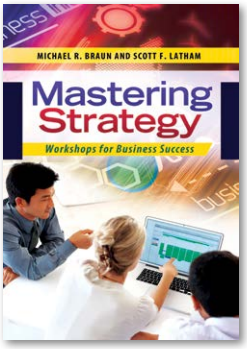
To advance in today's workplace requires virtual team skills. Most individuals assume their face-to-face skills will translate, but competency with virtual communication and teamwork requires an entirely new set of skills. This book guides readers down the path to success.

March 2014
212pp, 6 1/8x9 1/4
Print: 978-1-4408-2837-9
$37.00, £24.00, €29.00
eBook: 978-1-4408-2838-6

HIGHLIGHTS

- Explains how virtual communication has significantly changed the way people interact and rewritten many aspects of the "rulebook" on how business is done

TERRI R. KURTZBERG, PhD, is associate professor of management and global business at Rutgers Business School Newark and New Brunswick, NJ.



Mastering Strategy

Workshops for Business Success

MICHAEL R. BRAUN AND SCOTT F. LATHAM

CARL HAUSMAN, PhD, is professor of journalism at Rowan University, Glassboro, NJ.

FORTHCOMING

A Guide for Dual-Career Couples

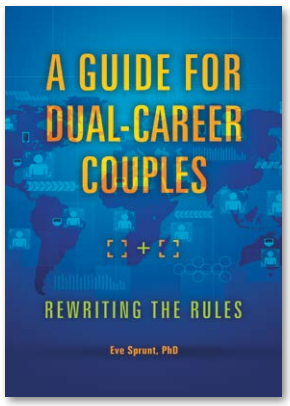
Rewriting the Rules

EVE SPRUNT, PHD

Many mid-career, college-educated people, especially women as well as undergraduate and graduate students, are concerned about developing a plan to mesh their career with a partner and are seeking guidance. This book offers a gender-neutral guide for 21st-century couples that will benefit men as much as women. The author provides career management guidance for people in dual-career relationships in which both parties are ambitiously attempting to pursue equally important, high-powered careers, presenting examples of alternative solutions and arguing that many "women's issues"—including parenting and limited geographic mobility—are more appropriately managed in a gender-neutral way as dual-career couple issues.

HIGHLIGHTS

- Identifies and explains the simple principles that enable readers to understand the power in relationships—with their mate and with their employer—and grasp the true sources of their motivation
- Supplies insights based on surveys of more than 10,000 professionals and more than three decades of business-world experience
- Addresses "dual-career" issues in the context of being a form of invisible diversity—a reality that impacts both men and women but tends to disproportionately negatively impact women, who are also struggling with unconscious gender bias



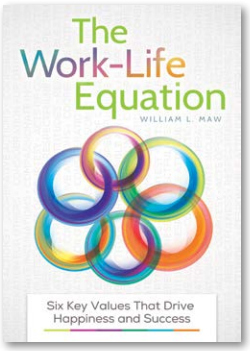
June 2016, 211pp, 6 1/8x9 1/4
Print: 978-1-4408-5009-7
$37.00, £24.00, €29.00
eBook: 978-1-4408-5010-3

EVE SPRUNT, PhD, is a consultant with more than 35 years of experience as an executive and research scientist in the petroleum industry, including leading Chevron's worldwide university recruiting.

The Work-Life Equation

Six Key Values That Drive Happiness and Success

WILLIAM L. MAW



March 2015, 158pp, 6 1/8x9 1/4
Print: 978-1-4408-3245-1
$37.00, £24.00, €29.00
eBook: 978-1-4408-3246-8

"If more workplaces were marked by Bill Maw's values of cooperation, consideration, compassion, courtesy, respect, and responsibility, we'd all be happier and more successful."

—Adam Grant, Professor of Management, Wharton School of the University of Pennsylvania

"A source of sound advice, given thoughtfully with humour and humanity."

—Iain Mackay, Group Finance Director HSBC Holdings plc

This book supplies a simple, memorable, and effective formula to solve problematic behaviors in the work environment and life in general—a guidebook that will help readers move beyond mediocrity and achieve a happier, more successful lives.

WILLIAM L. MAW is a business executive, social entrepreneur, and mentor with more than 30 years of workplace experience with large-, mid-, and small-sized companies.

★ AWARD WINNER

2015 Bronze Medal in Business/Career/Sales –*Independent Publisher*

"Gordon, a business consultant, examines how the United States can reduce workforce skills shortages by offering comprehensive regional solutions. . . . Recommended."

—*Choice*

A pervasive disconnect exists between the job/career culture and the present economic reality in America. This book offers powerful strategies for stemming the employment crisis and proposes comprehensive solutions for businesses, government, and job seekers alike.

HIGHLIGHTS

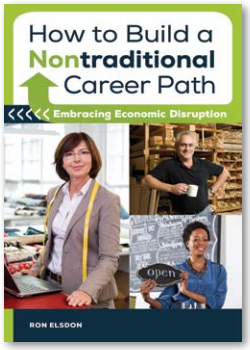
- Explains how the current job skills crisis stems from a broad structural failure of the education-to-employment system and has sweeping societal and economic consequences

EDWARD E. GORDON, PhD, is president of Imperial Consulting Corporation in Chicago, IL.

How to Build a Nontraditional Career Path

Embracing Economic Disruption

RON ELSDON



August 2014, 200pp, 6 1/8x9 1/4
Print: 978-1-4408-3158-4
$37.00, £24.00, €29.00
eBook: 978-1-4408-3159-1

"Ron Elsdon has provided a complete process including assessments, resources, and check lists to understand the nontraditional career path."

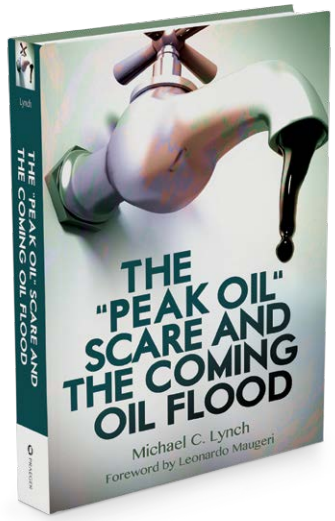
—Patricia DeMasters
Director, Career Management Group
University of California, Berkeley
Haas School of Business

An invaluable resource for general readers at any career stage, this book explains why, when, and how to engage in a fulfilling, nontraditional career path that is both inspiring and practical.

HIGHLIGHTS

- Identifies the skills needed to be successful and the key questions to ask when considering a nontraditional career—and provides the tools and a "road map" to move forward in a nontraditional direction
- Establishes the relevance and value of a nontraditional career, addressing both strategic and practical aspects

RON ELSDON, PhD, is a founder of organizations in the career and workforce development fields.



FORTHCOMING

The "Peak Oil" Scare and the Coming Oil Flood

MICHAEL C. LYNCH
FOREWORD BY LEONARDO MAUGERI

Oil, though finite, is in much better supply than many renewable resources.

June 2016, 235pp, 6 1/8x9 1/4
Print: 978-1-4408-3186-7
$48.00, £30.00, €38.00
eBook: 978-1-4408-3187-4

SAMPLE TOPICS

- Cleantech
- Energy Security
- Oil and Environment
- Oil Supply
- Resource Scarcity

MICHAEL C. LYNCH is president of Strategic Energy and Economic Research, Inc. He serves as a lecturer in the MBA program at Vienna University, Austria, and blogs on energy for Forbes.com.

In the last decade, oil experts, geologists, and policy makers alike have warned that a peak in oil production around the world was about to be reached and that global economic distress would result when this occurred. But it didn't happen. *The "Peak Oil" Scare and the Coming Oil Flood* refutes the recent claims that world oil production is nearing a peak and threatening economic disaster by analyzing the methods used by the theory's proponents. Author Michael C. Lynch, former researcher at Massachusetts Institute of Technology (MIT), debunks the "Peak Oil" crisis prediction and describes how the next few years will instead see large amounts of new supply that will bring oil prices down and boost the global economy.

This book will be invaluable to those involved in the energy industry, including among those fields that are competing with oil, as well as financial institutions for which the price of oil is of critical importance. Lynch uncovers the facts behind the misleading news stories and media coverage on oil production as well as the analytic process that reveals the truth about the global oil supply. General readers will be dismayed to learn how governments have frequently been led astray by seeming logical theories that prove to have no sound basis and will come away with a healthy sense of skepticism about popular economics.

HIGHLIGHTS

- Presents a cogent analysis that debunks the myths and exposes the agendas of those who promulgate the scarcity theory
- Supplies applied economic analysis—backed by well-informed research and proven analytical methodologies—by a scholar and researcher with real-world experience
- Explains how the extraction of crude oil from shale formations through hydraulic fracturing, or "fracking," should result in abundant long-term supplies with much greater geographical diversity, less political risk, and increased price stability
- Provides valuable insights into investing in the energy sector

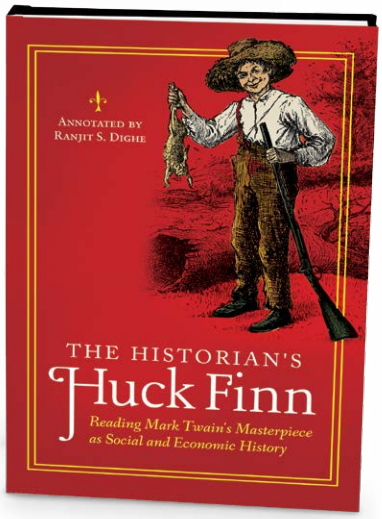
FORTHCOMING

The Historian's Huck Finn

Reading Mark Twain's Masterpiece as Social and Economic History

ANNOTATED BY RANJIT S. DIGHE

Mark Twain's *Huckleberry Finn* has been both widely banned since its introduction in 1885 in the United States and often selected as required reading for students.



March 2016, 444pp, 6 1/8x9 1/4
Hardcover: 978-1-4408-3348-9
$58.00, £37.00, €46.00
eBook: 978-1-4408-3349-6
Paperback: 978-1-61069-941-9
$35.00, £22.00, €28.00

Adventures of Huckleberry Finn is widely regarded as a classic American novel—a groundbreaking one in which the author attempts to accurately portray society through the use of at-times coarse vernacular English. In this book, readers can experience the full text of Twain's *Huckleberry Finn* accompanied by annotations in footnote form throughout. As a result, this classic is transformed into a fascinating historical documentation of 19th-century American life and society that touches on topics like slavery, the transportation revolution, race, class, and confidence men.

Bringing the perspective of a social and economic historian, Ranjit S. Dighe offers more than 150 annotations as well as supporting essays that put the characters, incidents, and settings of the book into their historical context. First-time readers get to experience a great American novel with memorable characters, vivid imagery, and a great narrative voice while simultaneously learning about American history; teachers and students who have read *Huckleberry Finn* before will enjoy re-reading it, especially with insightful annotations that connect the story to the historical timeline. This book exposes the subtle lessons Twain's tale has to teach us about America's growth, development, conflicts, and mass movements in the nation's first century.

HIGHLIGHTS

- Presents Twain's book as a historical novel that brings up key historical issues both in the antebellum period in which the novel is set and in the post-Reconstruction period in which it was written
- Identifies how *Huckleberry Finn* underscores perhaps the cruelest aspect of slavery: the involuntary separation of husbands, wives, and children from each other
- Ideal reading for college and high school students taking American history classes as well as general readers with an interest in American history, Mark Twain, or both
- Provides extensive annotations that are useful, accessible, and interesting to readers without specialized knowledge of 19th-century history

SAMPLE TOPICS

- African Americans
- Andrew Jackson
- Confidence Men
- Industrial Revolution
- Public Education
- Religious Revivals
- Steamboats

RANJIT S. DIGHE, PhD, is professor of economics at the State University of New York at Oswego.

Growing Jobs

Transforming the Way We Approach Economic Development

THOMAS C. TUTTLE

Each year, U.S. cities and states spend billions of dollars on incentives intended to create jobs. Are the strategies being implemented outdated? Is there a better way? Rather than focusing on individual aspects of economic development such as entrepreneurship and start-up companies or workforce development, this book provides a comprehensive, systems perspective for economic development that identifies how the new model of economic development for America is both a top-down and bottoms-up process that requires effective engagement with the community.

HIGHLIGHTS

- Lays out a methodology that enables each community to find its unique path towards the common vision of an economy that works for all citizens
- Provides suggestions for moving the community from the current system to a "transformed" economic development system
- Presents success stories from Austin, Texas, and Dubuque, Iowa, and highlights the principles that have made these two cities' approaches effective

May 2016, 192pp, 6 1/8x9 1/4
Print: 978-1-4408-3722-7
$37.00, £24.00, €29.00

Political Economy

A Comparative Approach

Third Edition | BARRY CLARK

As 21st-century political debate becomes polarized across ideological lines, students and citizens need to understand the underlying values on which contending arguments are based. The current political gridlock calls for a deeper appreciation of the competing perspectives in political economy. Now revamped for a third edition, *Political Economy: A Comparative Approach* supplies a truly interdisciplinary examination of the development and evolution of political economy from the Enlightenment onward, drawing material from the realms of political theory, sociology, philosophy, and history as well as from economics to present detailed comparisons of competing perspectives on a variety of current issues.

HIGHLIGHTS

- Provides in-depth historical analysis of the development of political/economic ideologies and their influence on contemporary debates among social scientists as well as the general public
- Gathers ideas and policy proposals from many prominent social scientists representing divergent ideological perspectives into a single volume
- Analyzes the roles of science and ideology in the development of political economy
- Exposes students to the findings of advanced social science research in easily understood and accessible language

March 2016, 370pp, 6 1/8x9 1/4
Hardcover: 978-1-4408-4272-6
$73.00, £46.00, €58.00

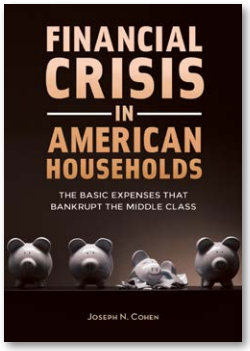
Financial Crisis in American Households

The Basic Expenses that Bankrupt the Middle Class

JOSEPH N. COHEN



June 2016, 198pp, 6 1/8x9 1/4
Print: 978-1-4408-3221-5
$60.00, £38.00, €47.00
eBook: 978-1-4408-3222-2

More than one-third of Americans could not sustain a basic livelihood without government assistance. Almost 60 percent of seniors are dependent on the government. Why is this? This book examines how the U.S. economy's failure to deliver high-quality, universally accessible basic necessities is creating acute financial insecurity among the American middle class.

HIGHLIGHTS

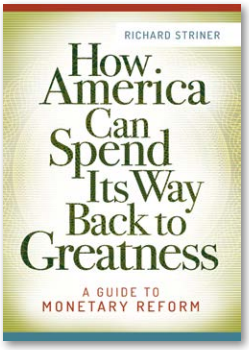
- Provides data-intensive, non-partisan analysis that focuses on presenting facts underlying U.S. households' financial precariousness, allowing readers to make their own judgments and reach their own conclusions
- Presents findings that directly contradict the diagnoses given by other sources that stress materialism, consumer spending, and the resulting private debt as the sources of the financial crises in American households

JOSEPH N. COHEN, PhD, is assistant professor of sociology at the City University of New York, Queens College.

How America Can Spend Its Way Back to Greatness

A Guide to Monetary Reform

RICHARD STRINER



May 2015, 136pp, 6 1/8x9 1/4
Print: 978-1-4408-3876-7
$37.00, £24.00, €29.00
eBook: 978-1-4408-3877-4

"Striner makes the case for recapturing the nation's sovereign right to issue its money and benefit from the gain thereof—a starting point for important new developments in monetary and public policy."

—Joseph Huber, Professor of Economic Sociology, Martin Luther University Halle, Germany

Providing a unique perspective on economic history and policy, this book shows how a daring method once recommended by top economists could be adapted to help America pay for the things it needs.

HIGHLIGHTS

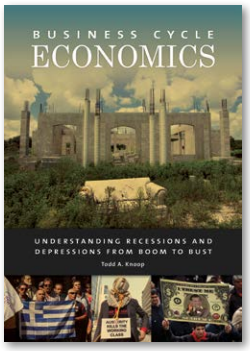
- Explains in vivid terms the way money has evolved in modern times, clarifying the rise and global triumph of "fractional reserve banking"

RICHARD STRINER, PhD, is professor of history at Washington College, Chestertown, MD.

Business Cycle Economics

Understanding Recessions and Depressions from Boom to Bust

TODD A. KNOOP



February 2015, 391pp, 6 1/8x9 1/4
Print: 978-1-4408-3174-4

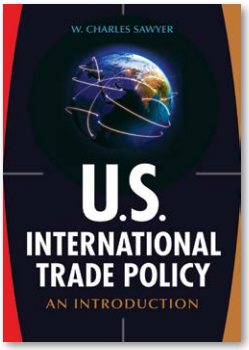
U.S. International Trade Policy

An Introduction

W. CHARLES SAWYER



July 2016, 191pp, 6 1/8x9 1/4
Print: 978-1-4408-3367-0
$46.00, £29.00, €36.00
eBook: 978-1-4408-3368-7

To understand trade policy, one needs to understand the basics of international economics. This book provides nonspecialists with accessible explanations of international trade, enabling readers to appreciate the importance of current events in international trade policy.

HIGHLIGHTS

- Explains confusing concepts or elements of international economics that are essential to understanding how U.S. trade policy works, such as comparative advantage; trade position; quotas, tariffs, and other nontariff barriers to trade; and dumping (predatory pricing)
- Reviews and summarizes the classical explanations of the patterns of trade among nations, explains how these patterns are determined by comparative advantage and disadvantage, and documents how these models are still relevant in the 21st century

W. CHARLES SAWYER is Hal Wright Professor of Latin American Economics at Texas Christian University.

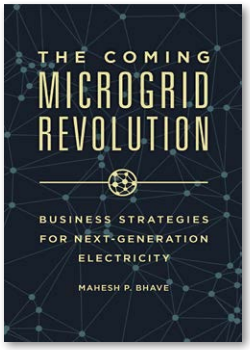
The Coming Microgrid Revolution

Business Strategies for Next-Generation Electricity

MAHESH P. BHAVE



April 2016, 219pp, 6 1/8x9 1/4
Print: 978-1-4408-3315-1
$48.00, £30.00, €38.00
eBook: 978-1-4408-3316-8

What kinds of clean electricity initiatives—ones that make sense on public policy and business strategy levels—could overcome the hurdles in shifting away from the entrenched electricity and petroleum-based transport industries in the United States? This book explores the tremendous opportunities of the new electricity revolution that looks to threaten the century-old business models of our existing power production infrastructure.

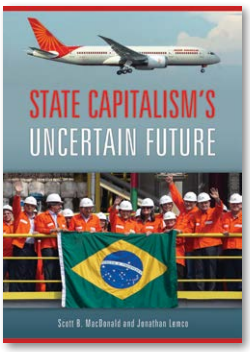
HIGHLIGHTS

- Synthesizes seemingly disparate concepts from the telecom and electricity industries with business strategy and policy and regulatory issues, allowing readers to see the tremendous opportunity at hand in clean electricity technologies
- Describes a novel network topology for a next-generation electricity grid

MAHESH P. BHAVE, PhD, is visiting professor of strategy at the Indian Institute of Management (IIM), Kozhikode, India.

State Capitalism's Uncertain Future

SCOTT B. MACDONALD AND JONATHAN LEMCO



July 2015, 206pp, 6 1/8x9 1/4
Print: 978-1-4408-3107-2
$46.00, £29.00, €36.00
eBook: 978-1-4408-3108-9

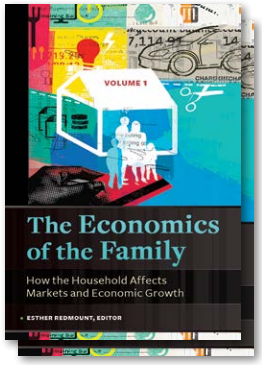
A provocative and timely look at the current state of global economics, particularly how the state-owned companies of Russia, China, Latin America, and other emerging markets are influencing how people work, how they consume, and how they prosper.

HIGHLIGHTS

- Considers the factors that will impede future economic growth in China, Russia, Argentina, and Venezuela
- Defines the role of the state in the economy and the accompanying political system
- Features chapters on the economic outlook of Egypt, the Middle East, Eurasia, and Latin America
- Discusses the future of capitalism in the 21st century

SCOTT B. MACDONALD, PhD, is head of research for MC Asset Management Holdings LLC and adjunct professor in political science at the University of Connecticut.

JONATHAN LEMCO, PhD, is principal and senior sovereign debt analyst at The Vanguard Group.



The Economics of the Family

How the Household Affects Markets and Economic Growth

2 VOLUMES
ESTHER REDMOUNT, EDITOR

A fascinating look at the role that households—and the dynamics of families, in particular—play in creating economic growth and social stability in modern economies and markets.

Working with the Emotional Investor

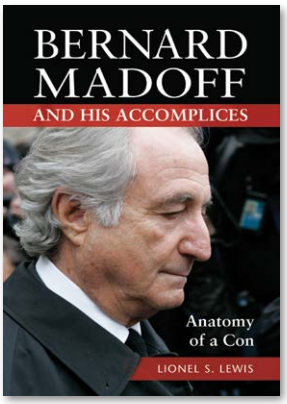
Financial Psychology for Wealth Managers

CHRIS WHITE WITH RICHARD KOONCE

Despite the fact that wealth advisors may employ algorithms, fancy financial models, economic theory, and predictive reasoning to forecast future investment returns, according to seasoned wealth management advisor Chris White, people—in other words, clients—basically decide how much risk to take with their money based on emotional factors such as the love they received as children, early life experiences of loss and "imperfect love," psychic wounds, and family traumas. A must-read for anyone in the wealth management profession, including wealth advisors, financial consultants, certified financial analysts, and retirement advisors, this groundbreaking book offers a radically new and well-articulated framework for managing relationships with clients as well as the essential tools to advise, mentor, and guide clients in making financial management decisions.

HIGHLIGHTS

- Outlines a powerful and insightful client management approach that wealth advisors and financial consultants can use to build stronger, more enduring relationships with all types of clients
- Highlights effective strategies that advisors can use to advise their clients, especially in high-stakes situations of market volatility or economic uncertainty



March 2016, 381pp, 6 1/8x9 1/4

FORTHCOMING

Bernard Madoff and His Accomplices

Anatomy of a Con

LIONEL S. LEWIS

In December 2008, Bernard L. Madoff was arrested for perpetrating a protracted Ponzi scheme of inconceivably huge proportions that defrauded clients of his securities company of nearly $20 billion—and was consequently sentenced to 150 years in jail. How did Madoff pull this off for years, even returning some or all of clients' money when they asked, while in actuality he was financing the lavish lifestyles of himself, his family, and his accomplices with the stolen funds? And why didn't anyone in the highly regulated investment industry catch on sooner?

HIGHLIGHTS

- Presents the first study of Bernard L. Madoff Investment Securities, the organization where the fraud began, was centered, and flourished by duping investors for at least a decade
- Documents how investors who depend on and trust investment professionals can lose money, especially given that some investment companies do not always act in their clients' best interests and that Wall Street regulators are often ineffective
- Takes readers backstage to see the intricate details of the "theatre production" of a con game—the playacting, performances, pretending, utilization of props, and false representations that are required to achieve a "standing ovation" (i.e., the total fleecing of the marks)

Guns and Contemporary Society

The Past, Present, and Future of Firearms and Firearm Policy

3 VOLUMES | GLENN H. UTTER, EDITOR

"This book is filled with must-reading for anyone interested in the evolution and consequences of gun policy."

–Robert J. Spitzer, Distinguished Service Professor and Chair, Department of Political Science, State University of New York at Cortland

"No better single source on these matters can be found."

–Charles Lockhart, Professor emeritus, Department of Political Science, TCU

Why does the United States have the highest firearm-related death rate of all Western nations?

Recent mass shootings have led to renewed calls for additional legislation at the state and federal levels to address gun access and control. In this hard-hitting compilation, experts delve into various aspects of firearms in America—from gun control and gun rights to militia movements, to school-related shootings, and to the recent trends in gun ownership by women. Authors from varied backgrounds and viewpoints share their perspectives on the pros and cons of firearm ownership as all of the following: a constitutional right, a key instrument of self-defense, a guarantee of political freedoms, and as a major factor in crime and personal injury.

The reference is divided into three volumes. The first volume covers firearm history, legislation, and policy; the second volume explores public opinion, gun ownership trends, international laws, and self-defense; and the third considers popular debates about firearm policy, including concealed carry of firearms, terrorism and the ownership of firearms, background checks for purchasing guns, and stand-your-ground laws. The work concludes with an informed debate on gun policy between Richard Feldman, president of the Independent Firearm Owners, and Paul Helmke, former president of the Brady Campaign to Prevent Gun Violence.

HIGHLIGHTS

- Features historical background on the development of the present role that firearms play in American society
- Examines recent trends in the ownership of various types of firearms
- Challenges the adequacy of background checks and granting of firearm access
- Compares gun-related accidents and firearm policy among the states

In Common No More

The Politics of the Common Core State Standards

ARNOLD F. SHOBER

"Shober provides an incredibly clear, detailed, and accurate map of the long and winding road that has led to the current state of the Common Core State Standards initiative. . . . This book is a must-read for anyone looking to truly understand the politics surrounding the Common Core!"

–Deven Carlson, Department of Political Science, University of Oklahoma

Some believe that implementation of Common Core standards disregards academic effectiveness in favor of governmental control.

SAMPLE TOPICS

- Coleman, David
- Duncan, Arne
- Education Reform
- Federalism
- Interest Groups
- Partisanship
- Political Sociology
- Politics of Education
- Public and Private Schools
- Public Policy
- Race to the Top
- Symbolic Politics
- Teachers' Unions
- Tests and Assessments

ARNOLD F. SHOBER, PhD, is associate professor of government at Lawrence University in Wisconsin.

Parents, teachers, and political groups have waged debates over the Common Core since the standards' adoption in 2010. This timely examination explores the shifting political alliances related to the Common Core State Standards Initiative, explains why initial national support has faded, and considers the major debates running through the Common Core controversy. The book is organized around four themes of political conflict: federal versus state control, minorities versus majorities, experts versus professionals, and elites versus local preferences.

The work reviews the politics of state and national standards, evaluating the political arguments for and against the Common Core: federal overreach, lack of evidence for effectiveness, lack of parental control, lack of teacher input, improper adaptive testing, overtesting, and connections to private education-reform funders and foundations. The work includes a short primer on the Common Core State Standards Initiative as well as on the Partnership for Assessment of Readiness for College and Careers (PARCC) and Smarter Balance, two state-level organizations that have worked on the standards. An informative appendix presents brief descriptions of major interest groups and think tanks involved with the standards initiative along with a timeline of American educational standards reforms and the Common Core.

HIGHLIGHTS

- Examines the politics of the Common Core standards across all 50 states
- Highlights the similarities and differences between Common Core and earlier attempts at state and national standards
- Suggests which political issues could undermine the Common Core State Standards Initiative—and which are simply long-running controversies in American educational politics
- Gives details about the major interest groups and think tanks with stakes in the Common Core controversy

The Real College Debt Crisis

How Student Borrowing Threatens Financial Well-Being and Erodes the American Dream

WILLIAM ELLIOTT III WITH MELINDA K. LEWIS

> "[These] promising and forward-looking alternatives will undoubtedly shake up the policy conversation."
>
> –Reid Cramer, Director, New America

> "[This] book provides a blueprint to reinvigorating the educational pathway for the 21st century."
>
> –Thomas M. Shapiro, Director, Institute on Assets and Social Policy
> The Heller School for Social Policy, Brandeis University

Higher education plays a critical role in the economy and society of the United States, creating a ladder of economic opportunity for American children, especially for those in poverty. Unfortunately, higher education today increasingly reinforces patterns of relative privilege, particularly as students without the benefit of affluent parents rely more and more on student loans to finance college access. This book presents penetrating new information about the fiscal realities of the current debt-based college loan system and raises tough questions about the extent to which student loans can be a viable way to facilitate equitable access to higher education. These real-life examples provide invaluable insight into the student debt problem and help make the complex data more understandable.

Antarctica

The Battle for the Seventh Continent

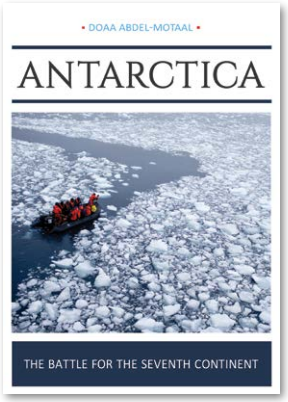
DOAA ABDEL-MOTAAL

Antarctica is a massive continent of 14 million square kilometers, which is roughly twice the land area of the United States. With the Antarctic Peninsula currently being the fastest-warming part of our planet, it can offer living space for the world's growing population—projected to rise to nine billion by 2050, and likely to cause overpopulation problems in the already population-dense countries in Asia—and offer access to rich marine living resources. Antarctica is also likely to harbor extensive mineral deposits and oil reserves.

The Antarctic Treaty that came into existence in the late 1950s is unlikely to be an adequate measure in the face of international competition for invaluable resources in the 21st century. This book argues that factors such as climate change, population growth, growing desire for self-determination by various social groups, and the increasingly critical quest for energy resources will make the Antarctic continent a highly sought-after objective.

HIGHLIGHTS

- Suggests that international conflict over mineral resources and living space is likely in the coming decades



September 2016, 270pp, 6 1/8x9 1/4

FORTHCOMING

The Morality of Self-Defense and Military Action

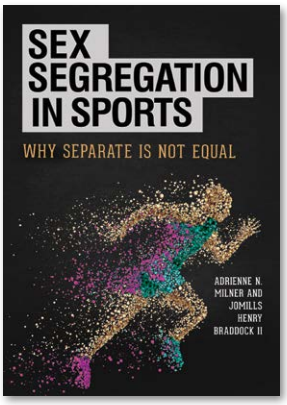
The Judeo-Christian Tradition

DAVID B. KOPEL

Are self-defense, national warfare, and revolts against tyranny holy duties—or violations of God's will? Pacifists insist these actions are the latter, forbidden by Judeo-Christian morality. This book maintains that the pacifists are wrong. To make his case, the author analyzes the full sweep of Judeo-Christian history from earliest times to the present, combining history, scriptural analysis, and philosophy to describe the changes and continuity of Jewish and Christian doctrine about the use of lethal force. He reveals the shifting patterns of thought in both religions and presents the strongest arguments on both sides of the issue.

HIGHLIGHTS

- Takes a multidisciplinary approach, directly engaging with leading writers on both sides of the issue
- Examines Jewish and Christian sacred writings and commentary and explores how interpretations have changed over time
- Offers careful analysis of topics such as the political systems of the ancient Hebrews, the Papacy's struggle for independence, the ways in which New England ministers incited the American Revolution, and the effects of the Vietnam War on the American Catholic church's views on national self-defense



February 2016, 232pp, 6 1/8x9 1/4

Sex Segregation in Sports

Why Separate Is Not Equal

ADRIENNE N. MILNER AND JOMILLS HENRY BRADDOCK II

Will the creation of coed teams help mitigate issues of perceived sex discrimination in sports, or will equity among male and female athletes come from better enforcement of the "separate but equal" ideal? This book examines this highly charged issue, specifically challenging the effectiveness of *Title IX* and arguing that it be ousted in favor of sex integration. This is the first book to present both legal and social arguments for the elimination of sex segregation in sports and provide tangible solutions to address this issue.

HIGHLIGHTS

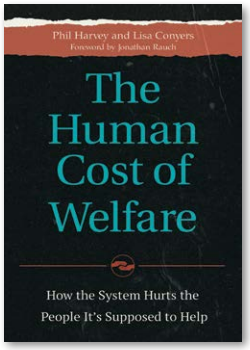
- Features both current and historical events to support the argument for sex integration in sports
- Examines how sex and race are social constructions and considers their connected plights
- Presents both legal and social arguments for the elimination of sports-related sex segregation
- Challenges legal, biological, and social arguments against sex integration
- Analyzes the legal nuances of *Title IX* legislation and *Brown v. Board of Education* and compares the two cases

NEW

The Human Cost of Welfare

How the System Hurts the People It's Supposed to Help

PHIL HARVEY AND LISA CONYERS
FOREWORD BY JONATHAN RAUCH



February 2016, 181pp, 6 1/8x9 1/4
Print: 978-1-4408-4534-5
$48.00, £30.00, €38.00
eBook: 978-1-4408-4535-2

Why is the welfare system failing to work for so many people? This book examines the problems with the current welfare system and proposes reforms to create a smarter, smaller system that helps people improve their lives through rewarding work.

HIGHLIGHTS

- Presents a unique analysis of America's welfare programs and uses real-life examples to show how the current system forces enrollees to stay underemployed or unemployed
- Offers a well-researched perspective on the relationship between work and happiness and why work is necessary for a happy life

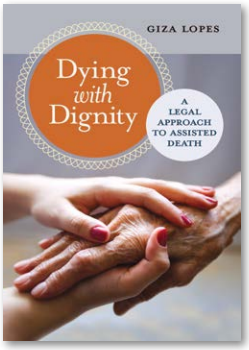
PHIL HARVEY is the chief sponsor of the DKT Liberty Project, an advocacy group that raises awareness about liberty and freedom in the United States.

LISA CONYERS is a policy analyst for the DKT Liberty Project, where she works on topics like welfare policy, inequality, and freedom of speech.

Dying with Dignity

A Legal Approach to Assisted Death

GIZA LOPES



April 2015, 253pp, 6 1/8x9 1/4
Print: 978-1-4408-3097-6
$48.00, £30.00, €38.00
eBook: 978-1-4408-3098-3

Providing a thorough, well-researched investigation of the socio-legal issues surrounding medically assisted death for the past century, this book traces the origins of the controversy and discusses the future of policymaking in this arena domestically and abroad.

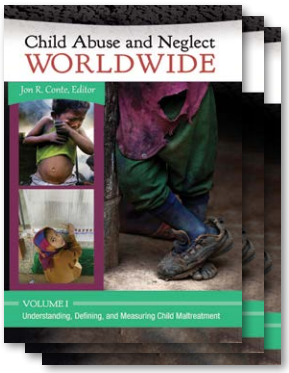
HIGHLIGHTS

- Provides comprehensive, well-researched, and accessible information on a timely and controversial topic
- Presents a socio-legal explanation rather than a simple description of the emergence and evolution of the legal concepts involved with medically assisted death
- Offers invaluable historical perspective for academics in the fields of sociology, criminal justice, law, and related disciplines as well as practitioners who deal with end-of-life decision-making and lay readers

GIZA LOPES, PhD, is a postdoctoral associate at the School of Criminal Justice, University at Albany, NY.

Child Abuse and Neglect Worldwide

3 VOLUMES | JON R. CONTE, EDITOR



March 2014, 822pp, 6 1/8x9 1/4
Print: 978-1-4408-0090-0
$163.00, £102.00, €128.00
eBook: 978-1-4408-0091-7

In this comprehensive three-volume set, experts from around the globe provide an understanding of child abuse knowledge and healing, detailing current therapeutic practices and policy issues.

HIGHLIGHTS

- Provides a global perspective on child abuse comprised of contributions from distinguished multidisciplinary authors who include many of the best-known researchers and therapists in the field
- Covers important topics ranging from Trauma Focused Cognitive Behavior Therapy (TF-CBT) to non-Western approaches to treatment of child trauma

JON R. CONTE, PhD, is professor at the School of Social Work, University of Washington, Seattle, WA. He is the founding president and lifetime emeritus board member of the American Professional Society on the Abuse of Children and a councilor with the International Society for the Prevention of Child Abuse and Neglect.

"A detailed, well-documented, chronological account from the fall of Mubarak to the rise of Al Sisi."

–Robert Springborg, Visiting Professor
Department of War Studies
King's College, London

An Egyptian diplomat-turned-scholar provides a detailed analysis of events from the fall of Mubarak through the aftermath of the 2013 military move to oust Egypt's first democratically elected president.

HIGHLIGHTS

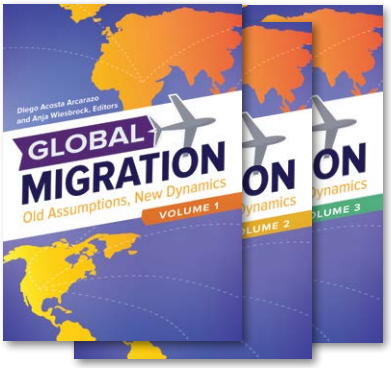
- Answers a broad array of questions posed by those who continue to be puzzled by the tangled web of events that occurred during this period
- Approaches the cause of Egypt's rebellion from multiple angles, including the military, domestic political parties, political Islam, and the greater context of the Arab Spring
- Looks at why the Islamists came out victorious and what precipitated a shift in public sentiment that induced Egyptians to take to the streets in opposition to the leader they'd elected one year earlier

SHERIF KHALIFA is professor at California State University, Fullerton.

Global Migration

Old Assumptions, New Dynamics

3 VOLUMES
DIEGO ACOSTA ARCARAZO AND ANJA WIESBROCK, EDITORS



May 2015, 791pp, 6 1/8x9 1/4
Print: 978-1-4408-0422-9
$163.00, £102.00, €128.00
eBook: 978-1-4408-0423-6

"[A] timely and much-needed account of the complexities inherent in the constantly present but ever evolving phenomenon of international mobility."

–Laura Thompson, Deputy Director General, International Organization for Migration

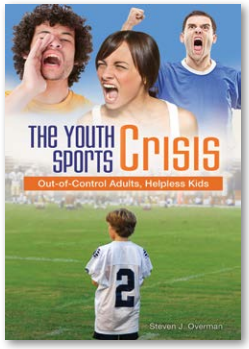
"[T]his book perfectly highlights historic developments and current questions. The significant quantity and impressive quality of authors makes this book an obligation to read."

–Gabriela Abado, Acting Director General ICMPD

This three-volume work exposes myths and debunks misinformation about global migration, an issue generating emotional debate from the highest levels of power to kitchen tables across the United States, Europe, and worldwide.

DIEGO ACOSTA ARCARAZO, PhD, is senior lecturer in European and migration law at the University of Bristol, UK.

ANJA WIESBROCK, PhD, is a senior judicial advisor at the Research Council of Norway.



The Youth Sports Crisis

Out-of-Control Adults, Helpless Kids

STEVEN J. OVERMAN

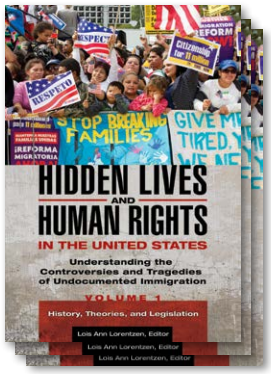
"Overman's book reveals the underlying issues that must be addressed to sustain the emotional growth and well-being of our youth."

–James E. Holbrook, Associate Professor of Health and Human Performance, Cumberland University

October 2014
249pp, 6 1/8x9 1/4
Print: 978-1-4408-3138-6
$48.00, £30.00, €38.00
eBook: 978-1-4408-3139-3

This provocative critique of the youth sports movement examines the various issues surrounding children in sports and provides a plan for reform based on a change in philosophy and practice.

STEVEN J. OVERMAN, PhD, is a retired professor who spent most of his teaching career at Jackson State University in Mississippi.



Hidden Lives and Human Rights in the United States

Understanding the Controversies and Tragedies of Undocumented Immigration

3 VOLUMES
LOIS ANN LORENTZEN, EDITOR

The most comprehensive collection of essays on undocumented immigration to date, covering issues not generally found anywhere else on the subject. Three fascinating volumes feature the latest research from the country's top immigration scholars.

July 2014
1,106pp, 6 1/8x9 1/4
Print: 978-1-4408-2847-8

FORTHCOMING

The Psychology of Hate Crimes as Domestic Terrorism

U.S. and Global Issues

3 VOLUMES | EDWARD DUNBAR, AMALIO BLANCO, AND DESIRÉE A. CRÈVECOEUR-MACPHAIL, EDITORS

Increased awareness of the effects of hate-fueled violence—and how hate crime affects everyone, not just the specific targets of intolerance—is needed to treat this global epidemic.

The Psychology of Hate Crimes as Domestic Terrorism: U.S. and Global Issues takes a hard look at hate crimes both domestically and internationally, enabling readers to see similarities and disparities as well as to make the connections between hate crimes and domestic terrorism. The entries in this three-volume set discuss subjects such as the psychology and motivation in hate crimes, the cultural norms that shape tolerance of outgroups or tolerance of hate, and the fact that hate crimes are a pervasive form of domestic terrorism, as well as myriad issues of proliferation, public policy, policing, law and punishment, and prevention.

The set opens with an introduction that discusses hate crime research and examines issues of identification of the bias element of hate crimes via empirical and case vignettes. The subsequent chapters discuss subjects such as the socio-demographic profiles of hate crime offenders; hate crime legislation and policy in the United States; the effects of hate crime on their victims as well as society; the incidence of hate crime in specific regions, such as Europe, the Middle East, and South America; and programs and therapeutic interventions to heal victims. Readers will also learn how specific educational approaches in communities, schools, and universities can be implemented to help prevent future escalation of hate-motivated violence.

HIGHLIGHTS

- Examines the motivation, actions, and thinking of individuals who commit hate crimes, the effects on victims and society as a whole, and the national and international debates on punishments
- Offers guidelines to educate about hate crimes and to serve at-risk populations
- Includes vignettes from both perpetrators and victims as well as psychological profiles of hate crime offenders that serve to bring the academic discussions to life

Mass Shootings

Media, Myths, and Realities

JACLYN SCHILDKRAUT AND H. JAYMI ELSASS

"This book is required reading for anyone interested in understanding mass killing events. With a clear voice and insightful analysis, the authors break significant ground in the study of mass shootings, ultimately bringing the history, development, discussion, and prevention of such events into sharp focus."

–Glenn W. Muschert, Miami University

"Schildkraut and Elsass provide a wide-ranging perspective and a deep knowledge of the literature on mass killings. This book should be required reading."

–Ralph W. Larkin, John Jay College of Criminal Justice
The City University of New York

What critical points are we missing when the media focuses on only what "people want to hear"? This book explores the media attention to mass shootings and helps readers understand the problem of mass shootings and public gun violence from its inception to its existence in contemporary society. It discusses how the issue is defined, its history, and its prevalence in both the United States and other countries, and provides an exploration of the responses to these events and strategies for the prevention of future violence.

NEW

Understanding Juvenile Justice and Delinquency

MARILYN D. MCSHANE AND MICHAEL CAVANAUGH, EDITORS

Understanding Juvenile Justice and Delinquency provides a concise overview of the most compelling issues in juvenile delinquency today. It covers not only the range of offenses but also the offenders themselves as well as those impacted by crime and delinquency. All of the chapters contain up-to-date research, laws, and data that accurately frame discussions on youth violence, detention, and treatment; related issues such as gangs and drugs; the consequences for scholars, teachers, and students; and best practices in intervention methods.

HIGHLIGHTS

- Provides insights into juvenile justice from contributors and editors who have extensive experience in teaching, researching, and writing on the subject
- Represents an ideal teaching text for courses in juvenile justice—a staple topic in all criminology and criminal justice college programs
- Presents analysis and evaluation of techniques used and programs employed, enabling readers to be better advocates for law and policy impacting youth

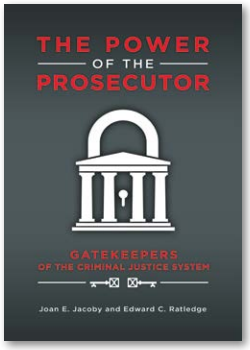
The Power of the Prosecutor

Gatekeepers of the Criminal Justice System

JOAN E. JACOBY AND EDWARD C. RATLEDGE



January 2016, 227pp, 6 1/8x9 1/4
Print: 978-1-4408-4218-4
$48.00, £30.00, €38.00
eBook: 978-1-4408-4219-1

"A rare combination: fascinating case histories . . . and a keen, scholarly analysis of the prosecutor's largely unknown role as manager of the criminal justice process. . . . [V]aluable insight into how prosecutors influence—for better and for worse—the legitimacy of the system."

–William F. McDonald, Institute of Criminal Law and Procedure Georgetown University

In this book, readers will take a fascinating journey with local prosecutors as they seek to obtain reasonable and appropriate case dispositions while preventing abuse and misuse of the law and protecting the civil rights of their jurisdictions.

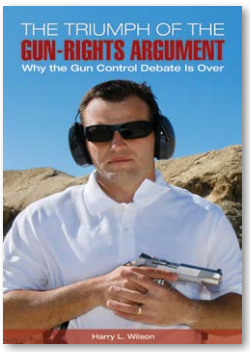
JOAN E. JACOBY is executive director of the Jefferson Institute for Justice Studies.

EDWARD C. RATLEDGE is the director of the Center for Applied Demography & Survey Research and associate professor of School of Public Policy and Administration, University of Delaware, Newark, DE.

The Triumph of the Gun-Rights Argument

Why the Gun Control Debate Is Over

HARRY L. WILSON



January 2015, 260pp, 6 1/8x9 1/4
Print: 978-1-4408-3035-8
$48.00, £30.00, €38.00
eBook: 978-1-4408-3036-5

"Wilson's argument is complex, nuanced, and ultimately very convincing. His book will help thoughtful readers understand why the gun rights movement has triumphed."

–Gregg Lee Carter, Professor Bryant University

"This book is the best university-level introduction to the gun issue."

–David B. Kopel, Research Director Independence Institute

Taking the bold position that the battle over gun control has already been won by the pro-gun-rights faction, this book will be equally informative to those immersed in the debate and those new to it.

HIGHLIGHTS

- Provides a balanced look at the topic of gun control, yet is not afraid to draw conclusions
- Offers historical perspective on current gun-control-related events and policies

HARRY L. WILSON, PhD, is director of the Institute for Policy and Opinion Research and professor of political science at Roanoke College, Salem, VA.

Protecting Our Kids?

How Sex Offender Laws Are Failing Us

EMILY HOROWITZ

★ **AWARD WINNER**

2015 Outstanding Academic Title
–Choice

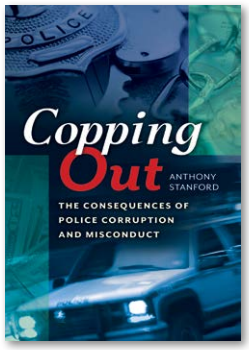
"Dr. Horowitz . . . brings reality, insight, and clarity to a subject usually blurred by panic and hysteria . . . . She approaches this topic as no one else has: realistically rather than sensationalistically."

–Gavin de Becker, Best-selling author of *The Gift of Fear*

April 2015
181pp, 6 1/8x9 1/4
Print: 978-1-4408-3862-0
$37.00, £24.00, €29.00
eBook: 978-1-4408-3863-7

This thought-provoking work raises important questions about sex offender laws, drawing from personal stories, research, and data to prove the policies promote fear, destroy lives, and fail to protect children.

EMILY HOROWITZ, PhD, is chairperson and associate professor of sociology and criminal justice at St. Francis College in Brooklyn, NY.



Copping Out

The Consequences of Police Corruption and Misconduct

ANTHONY STANFORD

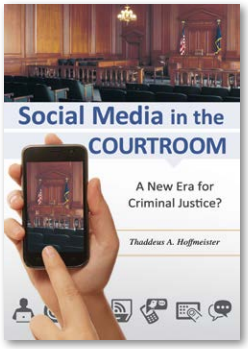
"Stanford's book explores not only the problems of, but potential solutions to, police corruption and misconduct. This book is a must-read for anyone concerned about the state of policing in the United States."

–Yoruba Richen, Director of Documentary Program, CUNY Graduate School of Journalism

March 2015
176pp, 6 1/8x9 1/4
Print: 978-1-4408-3089-1
$37.00, £24.00, €29.00
eBook: 978-1-4408-3090-7

A Chicago journalist reveals how pervasive police misconduct, brutality, and corruption are changing the perspective of the criminal justice system and eroding the morals of the American people.

ANTHONY STANFORD is a freelance writer and Sun-Times Media Group journalist in the Chicago, IL, area.



Social Media in the Courtroom

A New Era for Criminal Justice?

THADDEUS A. HOFFMEISTER

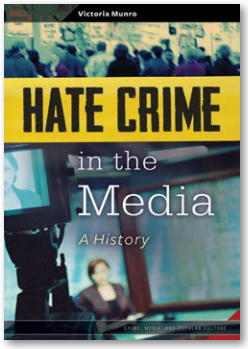
Social media hasn't just changed society—it's changing the way in which criminal law is prosecuted, defended, and adjudicated. This fascinating book explains how.

August 2014
206pp, 6 1/8x9 1/4
Print: 978-1-4408-3005-1
$48.00, £30.00, €38.00
eBook: 978-1-4408-3006-8

HIGHLIGHTS

- Examines the criminal justice system from multiple perspectives in order to give fair attention to the successful uses of social media as well as the abuses
- Comprehensively covers current issues that have broad, long-term repercussions for the criminal justice system

THADDEUS A. HOFFMEISTER is law professor at the University of Dayton School of Law.



Hate Crime in the Media

A History

VICTORIA MUNRO

"A useful resource for anyone interested in communication, media studies, cultural studies, and criminal justice. Recommended."

–Choice

May 2014
252pp, 6 1/8x9 1/4
Print: 978-0-313-35622-3
$48.00, £30.00, €38.00
eBook: 978-0-313-35623-0

A powerful, uncompromising explanation of how subtle sources of hatred contained throughout our media and culture have resulted in a tolerance for hate crimes in America.

HIGHLIGHTS

- Provides readers with an understanding of how deeply embedded in daily cultural practices the roots of hatred are in American culture

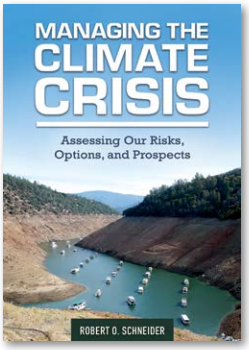
VICTORIA MUNRO, PhD, is coordinator for an undergraduate research grant program at the University of Minnesota.

NEW

Managing the Climate Crisis

Assessing Our Risks, Options, and Prospects

ROBERT O. SCHNEIDER



December 2015, 249pp, 6 1/8x9 1/4
Print: 978-1-4408-3998-6
$60.00, £38.00, €47.00
eBook: 978-1-4408-3999-3

Using a risk management approach to tease apart the complex issue of climate change, this book assesses the key vulnerabilities and redirects the discussion to present a comprehensive plan to overhaul our response to climate change.

HIGHLIGHTS

- Introduces a broader audience to climate change as a crisis already in motion that poses predictable risks and urgently requires public policy changes and the creation of a national climate policy
- Makes the "invisible crisis" of climate change visible and comprehensible by enabling readers to understand the problem in the context of hazard risk and risk management

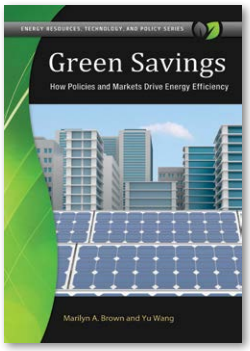
ROBERT O. SCHNEIDER, PhD, is professor of public administration at the University of North Carolina-Pembroke.

NEW

Green Savings

How Policies and Markets Drive Energy Efficiency

MARILYN A. BROWN AND YU WANG



September 2015, 281pp, 6 1/8x9 1/4
Print: 978-1-4408-3120-1
$48.00, £30.00, €38.00
eBook: 978-1-4408-3121-8

"*Green Savings* combines the theories, data, and policy analysis needed to understand energy efficiency. The case studies offer practical insights for entrepreneurs as well as policymakers at a range of scales on how to promote energy efficiency."

–Nick Eyre, Program Leader in Energy and Associate Professor, Environmental Change Institute, University of Oxford

This landmark work lauds the benefits of decreased energy consumption, investigating its relationship to public policy and analyzing its potential billion-dollar benefits to the U.S. economy.

HIGHLIGHTS

- Addresses broad questions concerning electricity systems and the economy

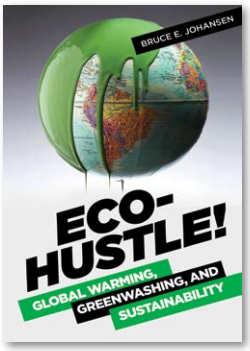
MARILYN A. BROWN, PhD, is endowed professor in the School of Public Policy at the Georgia Institute of Technology.

YU WANG is assistant professor of global energy policy in the Department of Political Science at Iowa State University.

Eco-Hustle!

Global Warming, Greenwashing, and Sustainability

BRUCE E. JOHANSEN



April 2015, 268pp, 6 1/8x9 1/4
Print: 978-1-4408-3251-2
$48.00, £30.00, €38.00
eBook: 978-1-4408-3252-9

How many of our efforts to save the environment are effective? Learn how our system is simply masking the symptoms of global warming.

HIGHLIGHTS

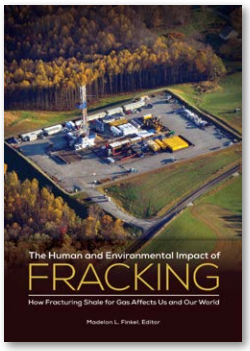
- Explains global warming science in terms that laypeople and scholars can understand
- Examines "greenwashing" practices employed by today's society and describes the negative impact they will have
- Asks truly compelling questions about what will really protect the environment from future damage
- Proposes changes to today's system that truly recognize the need for sustainable practices and a move away from production and consumption

BRUCE E. JOHANSEN is Jacob J. Isaacson Professor in Communication and Native American Studies at the University of Nebraska at Omaha.

The Human and Environmental Impact of Fracking

How Fracturing Shale for Gas Affects Us and Our World

MADELON L. FINKEL, EDITOR



March 2015, 237pp, 6 1/8x9 1/4
Print: 978-1-4408-3259-8
$48.00, £30.00, €38.00
eBook: 978-1-4408-3260-4

"[E]ach chapter is well written and indexed, often insightful, and full of recent citations drawing on the rapidly growing literature in the field. . . . Recommended."

–Choice

Fracking for gas trapped in shale could be a game changer in the quest to find alternatives to dirty fossil fuels, but it also has potential for harm. This book provides "one-stop shopping" for everyone who wants to know more about the issues.

HIGHLIGHTS

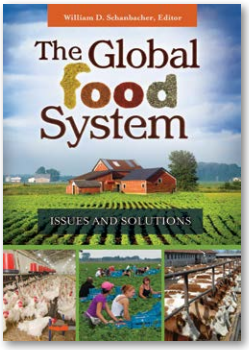
- Offers a comprehensive, impartial understanding of unconventional natural gas development from many different perspectives by experts in the field
- Draws from the findings of the most up-to-date research and discusses areas where scientific findings are yet unclear

MADELON L. FINKEL, PhD, is professor of health care policy and research and director of the Office of Global Health Education at the Weill Cornell Medical College.

The Global Food System

Issues and Solutions

WILLIAM D. SCHANBACHER, EDITOR



July 2014, 278pp, 6 1/8x9 1/4
Print: 978-1-4408-2911-6
$48.00, £30.00, €38.00
eBook: 978-1-4408-2912-3

This detailed analysis of the global food system looks at the way food is produced, distributed, and consumed in an effort to create a more equitable and healthful system worldwide.

HIGHLIGHTS

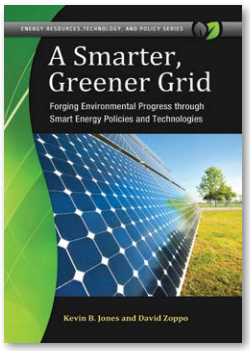
- Offers various strategies for overcoming problems in the food system
- Provides a multidisciplinary approach through the contributions of major scholars and activists in the fields of religion, ethics, agriculture, and human ecology
- Includes the latest research initiatives and interviews from the United Food and Commercial Workers International Union

WILLIAM D. SCHANBACHER, PhD, is instructor of religious studies at the University of South Florida, Tampa, FL.

A Smarter, Greener Grid

Forging Environmental Progress through Smart Energy Policies and Technologies

KEVIN B. JONES AND DAVID ZOPPO



May 2014, 361pp, 6 1/8x9 1/4
Print: 978-1-4408-3070-9
$58.00, £37.00, €46.00
eBook: 978-1-4408-3071-6

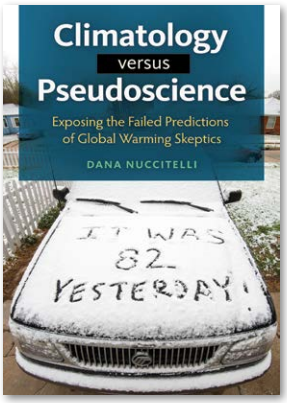
"Exceptionally well written, organized and presented. [A]n essential, core addition to professional, corporate, governmental, and academic library Energy & Environmental reference collections and supplemental studies reading lists."

–Midwest Book Review

The pressing need for a smarter and greener grid is obvious, but how this goal should be achieved is much less clear. This book clearly defines the environmental promise of the smart grid and describes the policies necessary for fully achieving the environmental benefits of the digital energy revolution.

KEVIN B. JONES, PhD, is deputy director and senior fellow for energy technology and policy at the Institute for Energy and the Environment at Vermont Law School, where he also leads the Smart Grid Project.

DAVID ZOPPO, JD, is a junior associate with Foley & Lardner, LLP in Madison, WI, where he practices in the areas of environmental law and energy regulation.



March 2015, 212pp, 6 1/8x9 1/4
Print: 978-1-4408-3201-7
$48.00, £30.00, €38.00
eBook: 978-1-4408-3202-4

DANA NUCCITELLI is an environmental scientist and risk assessor at a private environmental consulting firm in California.

Climatology versus Pseudoscience

Exposing the Failed Predictions of Global Warming Skeptics

DANA NUCCITELLI

★ **AWARD WINNER**

2015 Outstanding Academic Title–*Choice*

> **"The book includes the best available short account of the history of climate science. . . . Nuccitelli's book is particularly valuable for its succinct treatment of key disputes without the heated rhetoric. Essential."**
>
> –*Choice*

Although some politicians, pundits, and members of the public do not believe it, global warming predictions by mainstream climate scientists have been remarkably accurate while those made by climate deniers have not. And if mainstream global warming predictions continue to prove correct, the window of opportunity to prevent a climate catastrophe is quickly closing. This book is the first to illustrate the accuracy—and inaccuracy—of global warming predictions made by mainstream climate scientists and by climate contrarians from the 1970s to the present day. Written in simple, non-technical language that provides an accessible explanation of key climate science concepts, the book will appeal to general audiences without previous knowledge about climate science.

December 2013, 754pp, 6 1/8x9 1/4
Print: 978-0-313-39353-2
$163.75, £103.00, €128.00
eBook: 978-0-313-39354-9

TIMOTHY DOYLE, PhD, is professor of politics and international studies and founding chair of management for the Indo-Pacific Governance Research Centre (IPGRC) at the University of Adelaide, Australia.

Environmental Movements around the World

Shades of Green in Politics and Culture

2 VOLUMES | TIMOTHY DOYLE AND SHERILYN MACGREGOR, EDITORS

> **"This two-volume set is a valuable addition to the environmentalism literature due to its embedded international focus. . . . One hopes that Doyle and MacGregor will continue their work of 'worlding environmentalism.'. . . Recommended."**
>
> –*Choice*

Protection of our planet, its people, and its natural resources has been a topic of numerous debates in many nations for the past 50 years. Each hemisphere, continent, and country has environmental challenges unique to the region, giving birth to green movements all over the world. Until now, very few resources have compiled the political, scientific, economic, philosophical, and religious viewpoints of these programs in one place. This two-volume work provides a comprehensive collection of the ideas and actions that inform environmentalism, at local, national, and regional levels across the globe.

Environmental Movements around the World: Shades of Green in Politics and Culture includes viewpoints from experts in the fields of political science, history, international relations, environmental studies, and sociology that enable readers to compare and contrast different cultures' attitudes and solutions towards environmental issues. Providing both a broad view of international efforts to protect the earth while also spotlighting very specific examples of environmentally motivated strategies, the set explores the political strategies and cultural perspectives behind conservation and environmental activism in countries worldwide.

$73.00, £46.00, €58.00
eBook: 978-1-4408-3889-7

Renowned subject experts Michele A. Paludi and J. Harold Ellens lead readers through a detailed exploration of the feminist methods, issues, and theoretical frameworks that have made women central, not marginal, to religions around the world.

HIGHLIGHTS

- Addresses feminism in several religions, including Buddhism, Christianity, Confucianism, Islam, Judaism, Sikhism, and Taoism

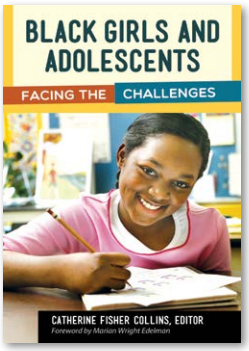
MICHELE A. PALUDI, PhD, is president of Human Resources Management Solutions and a developmental psychologist who specializes in career development and the psychology of workplaces.

J. HAROLD ELLENS, PhD, has held 15 pastorates, military and civilian, and taught full-time at Oakland University.

Black Girls and Adolescents

Facing the Challenges

CATHERINE FISHER COLLINS, EDITOR; FOREWORD BY MARIAN WRIGHT EDELMAN



March 2015, 426pp, 6 1/8x9 1/4
Print: 978-1-4408-3053-2
$58.00, £37.00, €46.00
eBook: 978-1-4408-3054-9

"Many of the essays not only describe risks and dangers but also provide ideas for prevention and improvement based on statistical evidence. Recommended. All levels/ libraries."

–Choice

This one-of-a kind book challenges the current thinking about black girls to show how America has failed them—and what can be done to make their lives better.

HIGHLIGHTS

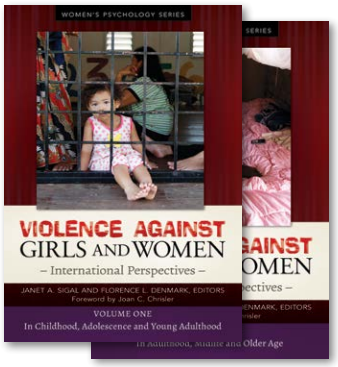
- Provides the first research work on this topic
- Covers health (physical, mental, and sexual), education, crime/criminal justice, and parenting as they affect black teen girls and adolescents
- Features contributors from a broad range of fields, including psychology, biology, criminal justice, sociology, spirituality, law, medicine, and popular culture

CATHERINE FISHER COLLINS, DEd, RN, NP, is associate professor at the State University of New York, Empire State College.

Violence against Girls and Women

International Perspectives

2 VOLUMES | JANET A. SIGAL AND FLORENCE L. DENMARK, EDITORS; FOREWORD BY JOAN C. CHRISLER



August 2013, 549pp, 6 1/8x9 1/4
Print: 978-1-4408-0335-2
$110.00, £69.00, €86.00
eBook: 978-1-4408-0336-9

"The contributors encourage readers to reflect on the resilience and suffering of the survivor victims, and offer practical suggestions for changing policy and practices concerning violence against girls and women. . . . Recommended."

–Choice

Sexual assault, sex trafficking, and child abuse affect millions of women and girls globally each year. This two-volume set covers a broad scope of topics, from violence against girls before birth, in childhood, and throughout women's adult lives.

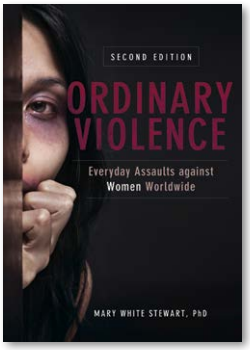
JANET A. SIGAL, PhD, is professor emeritus of psychology at Fairleigh Dickinson University and the American Psychological Association Main NGO Representative at the United Nations.

FLORENCE L. DENMARK, PhD, is the Robert Scott Pace Distinguished Research Professor at Pace University.

Ordinary Violence

Everyday Assaults against Women Worldwid

Second Edition
MARY WHITE STEWART, PHD



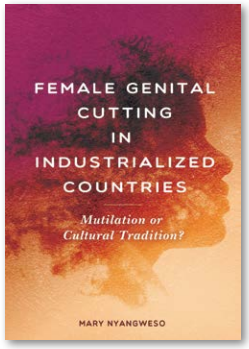
January 2014, 488pp, 6 1/8x9 1/4
Print: 978-1-4408-2937-6
$72.50, £46.00, €57.00
eBook: 978-1-4408-2938-3

Addresses the many forms of global violence against women and shows how the psychology of individuals, institutions, and societies perpetuate the oppression of women.

HIGHLIGHTS

- Contains the most recent research on trafficking, mail order brides, and comfort women
- Explains the roles of power, inequality, and gender hierarchy in violence against women
- Examines the belief system behind institutionalized violence, including such acts as honor crimes and dowry deaths
- Links current forms of violence with relics of the past—foot binding, comfort women, and charity girls

MARY WHITE STEWART, PhD, is professor of sociology and director of the School of Social Research and Justice Studies at the University of Nevada.



Female Genital Cutting in Industrialized Countries

Mutilation or Cultural Tradition?

MARY NYANGWESO

"The solutions Nyangweso suggests will be useful for formulating social policies and necessary intervention for resolving this crisis in the modern West."

–Jacob K. Olupona, Professor at Harvard University's Faculty of Arts and Sciences and Harvard Divinity School

October 2014
251pp, 6 1/8x9 1/4

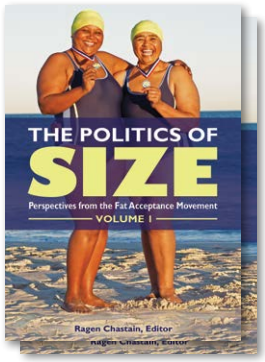
$48.00, £30.00, €38.00
eBook: 978-1-4408-3347-2

This book comprehensively examines the practice of female genital mutilation and proposes new intervention programs and community-based initiatives that protect the rights of children and women who live with the serious risks and long-term consequences of the practice.

MARY NYANGWESO, PhD, is associate professor of religion and Peel Distinguished Chair of Religious Studies at East Carolina University, Greenville, NC.



The Politics of Size

Perspectives from the Fat Acceptance Movement

2 VOLUMES
RAGEN CHASTAIN, EDITOR

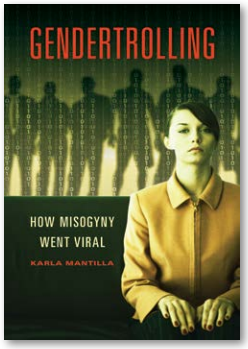
"A nice collection for gender and women's studies programs and other fields interested in critical discourses about the body. Recommended."

–Choice

November 2014
498pp, 6 1/8x9 1/4
Print: 978-1-4408-2949-9
$110.00, £69.00, €86.00
eBook: 978-1-4408-2950-5

This book presents an unprecedented opportunity for people to hear from a simultaneously ostracized, ridiculed, and ignored group: fat Americans. Find out how the members of this very diverse group of people describe their actual lived experiences, quality of life, hopes and dreams, and demands.

RAGEN CHASTAIN is the author of the blog danceswithfat.org, the body image and women's health blogger for NBC's iVillage, and a columnist for *Ms. Fit* magazine.



Gendertrolling

How Misogyny Went Viral

KARLA MANTILLA

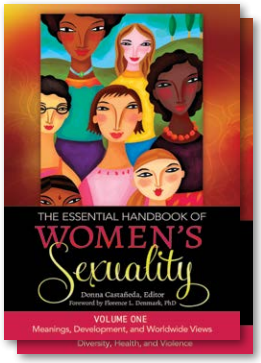
Gendertrolling arises out of the same misogyny that fuels other "real life" forms of harassment and abuse of women. This book explains this phenomenon, the way it can impact women's lives, and how it can be stopped.

HIGHLIGHTS

- Combines the phenomenon of trolling and keen feminist insight to create a unique perspective on the treatment of women, male/female interaction, and online user interaction
- Demonstrates what online rape and death threats have in common with street harassment, sexual harassment in the workplace, domestic violence, and date rape, showing the serious, harmful nature of this practice

August 2015
268pp, 6 1/8x9 1/4
Print: 978-1-4408-3317-5
$48.00, £30.00, €38.00
eBook: 978-1-4408-3318-2

KARLA MANTILLA is managing editor at *Feminist Studies*, an interdisciplinary women's studies journal.



The Essential Handbook of Women's Sexuality

Race in America

How a Pseudo-Scientific Concept Shaped Human Interaction

2 VOLUMES | PATRICIA REID-MERRITT

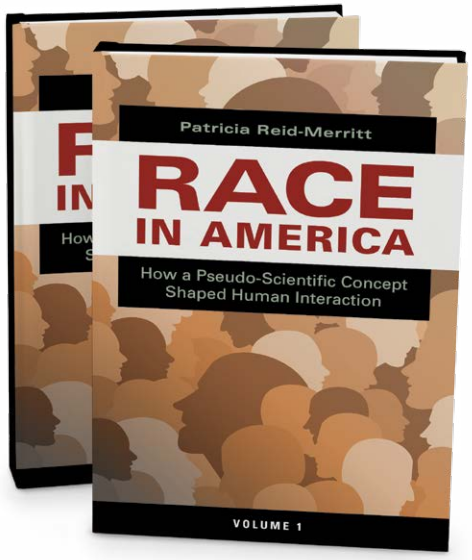
Is race simply an antiquated, pseudo-scientific abstraction developed to justify the dehumanization of various categories of the human population?

More than a decade and a half into the 21st century, the term "race" remains one of the most emotionally charged words in the human language. While race can be defined as "a local geographic or global human population distinguished as a more or less distinct group by genetically transmitted physical characteristics," the concept of race can better be understood as a socially defined construct—a system of human classification that carries tremendous weight, yet is complex, confusing, contradictory, controversial, and imprecise.

This collection of essays focuses on the socially explosive concept of race and how it has shaped human interactions across civilization. The contributed work examines the social and scientific definitions of race, the implementation of racialized policies and practices, and the historical and contemporary manifestations of the use of race in shaping social interactions (primarily) in the United States—a nation where the concept of race is further convoluted by the nation's extensive history of miscegenation as well as the continuous flow of immigrant groups from countries whose definitions of race, ethnicity, and culture remain fluid. Readers will gain insights into subjects such as how we as individuals define ourselves through concepts of race, how race affects social privilege, "color blindness" as an obstacle to social change, legal perspectives on race, racialization of the religious experience, and how the media perpetuates racial stereotypes.

HIGHLIGHTS

- Addresses a poignant topic that is always controversial, relevant, and addressed in mainstream and social media
- Examines the various socio-historical factors that contribute to our understanding of race as a concept, enabling readers to appreciate how "definitions" of race are complex, confusing, contradictory, and imprecise
- Inspects contemporary manifestations of race in the United States with regard to specific contexts, such as the quest for U.S. citizenship, welfare services, the legislative process, capitalism, and the perpetuation of racial stereotypes in the media



October 2016, 645pp, 6 1/8x9 1/4
Print: 978-1-4408-4992-3
$131.00, £82.00, €103.00

White Washing American Education

The New Culture Wars in Ethnic Studies

2 VOLUMES | DENISE M. SANDOVAL, TRACY LACHICA BUENAVISTA, JAMES R. MARÍN, AND ANTHONY J. RATCLIFF, EDITORS

In 2010, HB 2281—a law that bans ethnic studies in Arizona—was passed; in the same year, Texas whitewashed curriculum and textbook changes at the K–12 level. Since then, the nation has seen a rise in the legal and political war on Ethnic Studies, revisionist actions in curriculum content, and anti-immigrant policies, creating a new culture war in America. *"White" Washing American Education* demonstrates the value and necessity of Ethnic Studies in the 21st century by sharing the voices of those in the trenches—educators, students, community activists, and cultural workers—who are effectively using multidisciplinary approaches to education.

HIGHLIGHTS

- Presents an innovative exploration of the new culture wars that address the various debates and views on Ethnic Studies that are under attack in American education, both in grades K–12 and in higher education

August 2016, 655pp, 6 1/8x9 1/4
Print: 978-1-4408-3255-0

The School-to-Prison Pipeline

Education, Discipline, and Racialized Double Standards

NANCY A. HEITZEG

How is racism perpetuated by the education system, particularly via the "school to prison pipeline?" How is the school to prison pipeline intrinsically connected to the larger context of the prison industrial complex as well as the extensive and ongoing criminalization of youth of color? This book uniquely describes the system of policies and practices that racialize criminalization by routing youth of color out of school and towards prison via the school to prison pipeline while simultaneously medicalizing white youth for comparable behaviors.

HIGHLIGHTS

- Provides readers with an understanding of the realities of the school to prison pipeline—its history, development, and racialized context and meaning—as well as the continued significance of race and other socially differentiating factors in shaping public policy and everyday decisions regarding "deviance," "discipline," and social control
- Examines the under-explored dynamic that places a predominantly white teaching staff in schools that are predominantly schools of color, and considers the roles that stereotypes and cultural conflicts play in the labeling of students
- Suggests viable options for action towards dismantling the institutionalized racism revealed by the school to prison pipeline via both policy reforms and transformational alternatives

FORTHCOMING

Dangerous Spaces

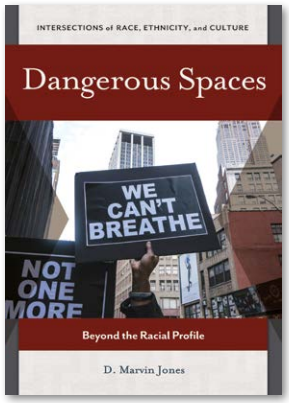
Beyond the Racial Profile

D. MARVIN JONES

Dangerous Spaces: Beyond the Racial Profile demonstrates how society has constructed a set of threat narratives in which certain widespread problems—immigration, drugs, gangs, and terrorism, for example—have been racialized and explains the historical and social origins of these racializing threat narratives. The book identifies how these narratives have led directly to relentless profiling that results in arrest, deportation, massive surveillance, or even death for members of suspect populations. Readers will come to understand how the problem of profiling is not merely a problem of institutional bias and individual decision making, but also a deeply rooted cultural issue stemming from the processes of meaning-making and identity construction.

HIGHLIGHTS

- Offers a novel framework for understanding the problem of racial profiling that explains how profiling actually involves the intersection of race and space
- Provides concrete solutions in the form of a civil rights restoration act that addresses the problem of "racial profiling" through a set of innovative community controls on the deployment and power of police
- Constitutes essential reading for students, lawyers, journalists, and teachers interested in issues of race and ethnicity as well as general readers wanting to learn about racial profiling in American society



June 2016, 258pp, 6 1/8x9 1/4

Gender, Race, and Ethnicity in the Workplace

Emerging Issues and Enduring Challenges

MARGARET FOEGEN KARSTEN, EDITOR

The contributions of more than 30 experts reframe the discussion on gender, race, and ethnicity in the U.S. workforce, examining the complex identity concerns facing workers who fall within minority groups and recommending practical solutions for dealing with workplace inequities. Through focused essays, experts explore new perspectives to persistent challenges and discuss progress made in addressing unequal treatment based on race and gender in the past eight years. This detailed reference explores every aspect of the issue, including mentoring, family leaves, pay inequity, multiracial and transgender identities, community involvement, and illegal harassment.

HIGHLIGHTS

- Presents new research on the many forms of employment discrimination based on multiracial identity, appearance, and transgender status
- Includes contributions from professionals in the fields of social psychology, law, gender studies, and ethics, among others

$131.00, £82.00, €103.00
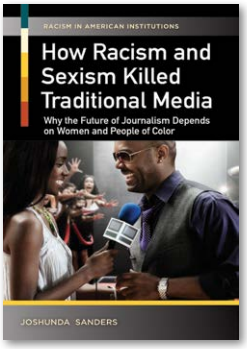
eBook: 978-0-313-39904-6

A diverse, critical analysis of racial and ethnic disparities within the American criminal justice system that encourages critical thinking by providing various sides to the issues.

SCOTT WM. BOWMAN, PhD, is associate professor of criminal justice at Texas State University, San Marcos, TX.



How Racism and Sexism Killed Traditional Media

Why the Future of Journalism Depends on Women and People of Color

JOSHUNDA SANDERS

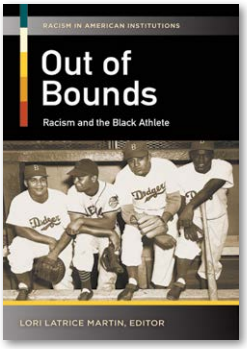
An evaluative examination that challenges the media to rise above the systematic racism and sexism that persists across all channels, despite efforts to integrate.

August 2015
186pp, 6 1/8x9 1/4
Print: 978-1-4408-3081-5
$48.00, £30.00, €38.00
eBook: 978-1-4408-3082-2

HIGHLIGHTS

- Gives a thorough background on the history of minority-produced media
- Highlights ideas for improving hiring practices and coverage for minorities
- Identifies the growing number of news consumers who are people of color

JOSHUNDA SANDERS is a speechwriter and veteran journalist whose writing has appeared in many other print and online publications.



Out of Bounds

Racism and the Black Athlete

LORI LATRICE MARTIN, EDITOR

"Recommended. Upper-division undergraduates through faculty; professionals."

–Choice

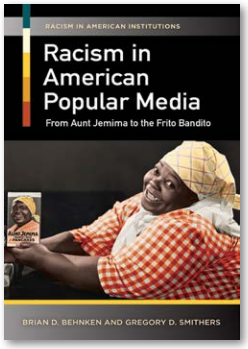
This collection of essays highlights the controversies surrounding racism in sports and African American athletes, examining the racial discrimination that exists in one of the most public arenas in the 21st century.

April 2014
322pp, 6 1/8x9 1/4
Print: 978-0-313-39937-4
$72.50, £46.00, €57.00
eBook: 978-0-313-39938-1

HIGHLIGHTS

- Enables readers to comprehend how sports influence—and are influenced by—society, and grasp that both race and sports are powerful social constructions

LORI LATRICE MARTIN, PhD, is associate professor of sociology and African and African American studies at Louisiana State University.



Racism in American Popular Media

From Aunt Jemima to the Frito Bandito

BRIAN D. BEHNKEN AND GREGORY D. SMITHERS

This book examines how the media—including advertising, motion pictures, cartoons, and popular fiction—has used racist images and stereotypes as marketing tools that malign and debase African Americans, Latinos, American Indians, and Asian Americans in the United States.

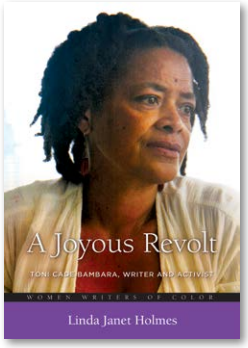
March 2015
146pp, 6 1/8x9 1/4
Print: 978-1-4408-2976-5
$37.00, £24.00, €29.00
eBook: 978-1-4408-2977-2

HIGHLIGHTS

- Addresses the current and important subject of how the powerful and pervasive messages in the media communicate and reinforce common racial stereotypes about people of color to vast audiences—especially children

BRIAN D. BEHNKEN is associate professor in the Department of History and the U.S. Latino/a Studies Program at Iowa State University.

GREGORY D. SMITHERS is associate professor of history at Virginia Commonwealth University.



A Joyous Revolt

Toni Cade Bambara, Writer and Activist

LINDA JANET HOLMES

"Holmes . . . has written an insightful, much-needed, and engaging biography of Bambara's life and work. Informative and fun to read . . . the book is well worth reading. Recommended."

–Choice

May 2014

$48.00, £30.00, €38.00
eBook: 978-0-313-05077-0

At long last—a book-length biography celebrates Toni Cade Bambara, a seminal literary, cultural, and political figure who was among the most widely read and frequently reviewed of the well-regarded black women writers to emerge in the 1970s.

LINDA JANET HOLMES is a writer, independent scholar, and long-time women's health activist. Her published work includes the anthology *Savoring the Salt: The Legacy of Toni Cade Bambara.*

FORTHCOMING

Harlem

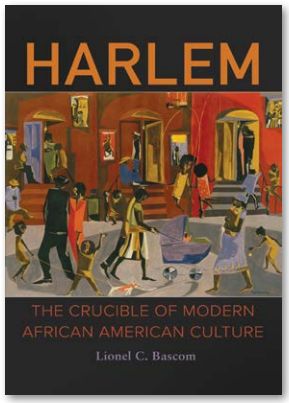
The Crucible of Modern African American Culture

LIONEL C. BASCOM

When the first slave escaped bondage in the American South and migrated to the Northeast region of the United States, this act of an individual started what became known as the "great migration" of Negroes fleeing the feudal South for New York and other Northern cities. This migration fueled an intellectual, social, and personal pursuit—the long-standing quest for identity by a lost tribe of Negroes—by every black man, woman, and child in America. In Harlem, that quest was anchored by a wide array of civic, business, and prominent leaders who succeeded in establishing what we now know as modern African American culture.

HIGHLIGHTS

- Documents the Harlem Renaissance period's important role in one of the greatest transformations of American citizens in the history of the United States—from slavery to a migration of millions to parity of achievement in all fields
- Extends the definition of one of the most progressive periods in African American history for students, academics, and general readers
- Provides an intriguing reexamination of the Harlem Renaissance period that posits that it began earlier than most general histories of the period suggest and lasted well into the 1960s



June 2016, 230pp, 6 1/8x9 1/4
Print: 978-1-4408-4268-9

FORTHCOMING

The Battle for the Souls of Black Folk

W.E.B. DuBois, Booker T. Washington, and the Debate That Shaped the Course of Civil Rights

THOMAS AIELLO

The debate between W.E.B. Du Bois and Booker T. Washington on how to further social and economic progress for African Americans lasted 20 years, from 1895 to Washington's death in 1915. Their ongoing conversation evolved over time, becoming fiercer and more personal as the years progressed. But despite its complexities and steadily accumulating bitterness, it was still, at its heart, a conversation—an impassioned contest at the turn of the century to capture the souls of black folk. This book focuses on the conversation between Washington and Du Bois in order to fully examine its contours.

HIGHLIGHTS

- Offers a fresh exploration of the fascinating conversations and controversies between two of the most important African American leaders in history
- Provides an in-depth exploration of these two important leaders' perspectives and views on America's response to Jim Crow and civil rights that leads to significant new conclusions about historical information
- Presents the words of DuBois, Washington, and their allies as a conversation that enables readers to better understand the big-picture story of these two scholars

Lessons from the Black Working Class

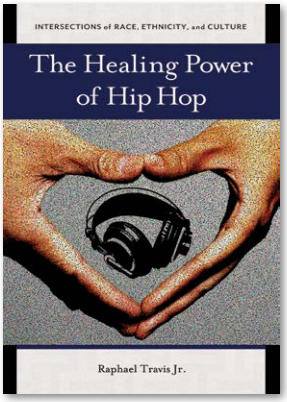
Foreshadowing America's Economic Health

LORI LATRICE MARTIN, HAYWARD DERRICK HORTON, AND TERESA A. BOOKER

How have the experiences of black working-class women and men residing in urban, suburban, and rural settings impacted U.S. labor relations and the broader American society? This book asserts that a comprehensive and critical examination of the black working class can be used to forecast whether economic troubles are on the horizon. It documents how the increasing incidence of attacks on unions, the dwindling availability of working-class jobs, and the clamoring by the working class for a minimum wage hike is proof that the atmospheric pressure in America is rising, and that efforts to prepare for the approaching financial storm require attention to the individuals and households who are often overlooked: the black working class.

HIGHLIGHTS

- Contributes new information and fresh perspectives on the ongoing debate regarding the significance of race versus class
- Suggests a number of lessons all Americans can learn from the black working class
- Provides a insightful critique of the first black American president's record on race and addressing socioeconomic class differences
- Supplies an unprecedented examination that simultaneously examines the diversity of the black working class as well as its historical impact on shaping and foreshadowing the U.S. economy over many generations



December 2015, 265pp, 6 1/8x9 1/4
Print: 978-1-4408-3130-0

The Healing Power of Hip Hop

RAPHAEL TRAVIS JR.

"For its profound originality, rigorous scholarship, and inspiring implications, this book will be appreciatively used and enjoyed by educators, community-builders, researchers, program architects, and implementers."

–Samuel Roberts, PhD, Associate Professor of History, Columbia University

In *The Healing Power of Hip Hop*, Raphael Travis Jr. offers a passionate look into existing tensions aligned with Hip Hop and demonstrates the beneficial quality it can have empowering its audience. His unique perspective takes Hip Hop out of the negative light and shows readers how Hip Hop has benefited the Black community.

Organized to first examine the social and historical framing of Hip Hop culture and Black experiences in the United States, the remainder of the book is dedicated to elaborating on consistent themes of excellence and well-being in Hip Hop, and examining evidence of new ambassadors of Hip Hop culture across professional disciplines. The author uses research-informed language and structures to help the reader fully understand how Hip Hop creates more pathways to health and learning for youth and communities.

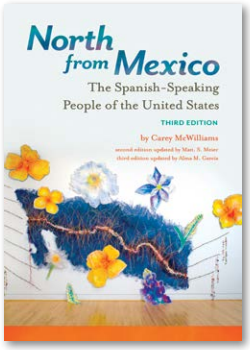
North from Mexico

The Spanish-Speaking People of the United States

Third Edition | CAREY MCWILLIAMS, SECOND EDITION UPDATED BY MATT. S. MEIER, THIRD EDITION UPDATED BY ALMA M. GARCÍA



April 2016, 480pp, 6 1/8x9 1/4
Hardcover: 978-1-4408-3682-4
$75.00, £47.00, €59.00
eBook: 978-1-4408-3683-1
Paperback: 978-1-4408-4985-5
$37.00, £24.00, €29.00

This single-volume book provides students, educators, and politicians with an update to the classic Carey McWilliams work *North From Mexico*. It provides up-to-date information on the Chicano experience and the emergent social dynamics in the United States as a result of Mexican immigration.

HIGHLIGHTS

- Provides readers with an in-depth understanding of the changing demographics of the Mexican immigrant population in the United States

CAREY MCWILLIAMS was editor of *The Nation*, 1951–1975, and author of many books.

MATT S. MEIER was professor emeritus of history at the University of Santa Clara and the author of *A Bibliography for Chicano History* and *The Mexican American Experience*.

ALMA M. GARCÍA, PhD, is professor of sociology and the director of the Latin American Studies program at Santa Clara University, Santa Clara, CA.

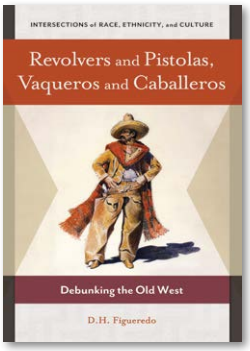
Debunking the Old West

D. H. FIGUEREDO



December 2014, 279pp, 6 1/8x9 1/4
Print: 978-1-4408-2918-5
$48.00, £30.00, €38.00
eBook: 978-1-4408-2919-2

"Though written in accesible language and in a style that keeps the reader on the edge of the seat, Figueredo's book should please demanding academics."

–La Voz

"In his richly researched book, Figueredo lays out how his lifelong interest in the subject [and] offers a scholarly approach and an entertaining read."

–The Star-Ledger

This riveting exposé reveals how a distorted belief in Anglo superiority necessitated the rewriting of American western history, replacing heroic images of Mexican and Spanish cowboys with negative stereotypes.

HIGHLIGHTS

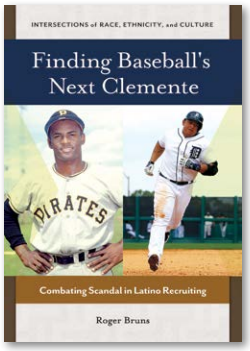
- Introduces topics unfamiliar to most readers, such as the role of Spanish-Mexican Jews, the presence of the Spanish Inquisition in the United States, and the real Yellow Rose of Texas

D. H. FIGUEREDO is director of library and media services at Bloomfield College in New Jersey.

Finding Baseball's Next Clemente

Combating Scandal in Latino Recruiting

ROGER BRUNS



July 2015, 216pp, 6 1/8x9 1/4
Print: 978-1-4408-3033-4
$48.00, £30.00, €38.00
eBook: 978-1-4408-3034-1

This book examines what it takes for Latino youngsters to beat the odds, overcoming cultural and racial barriers—and a corrupt recruitment system—to play professional baseball in the United States.

HIGHLIGHTS

- Provides a historical overview of the increasing numbers of Latin Americans in Major League Baseball and its minor league system
- Details the corrupt recruitment system in several Latin American countries that, in most cases, leads aspiring youngsters on a fruitless quest for a professional baseball contract
- Highlights the careers of players, especially Roberto Clemente, who became role models for young Latin American players
- Offers a brief history of the origin of baseball in Latin American countries, drawing on unique documentary material from the National Archives

ROGER BRUNS is a historian and former deputy executive director of the National Historical Publications and Records Commission at the National Archives in Washington, DC.

Adolescent Psychology Worldwide

Global Perspectives on Risks, Relationships, and Development

3 VOLUMES | MICHAEL NAKKULA AND ANDREW SCHNEIDER-MUÑOZ, EDITORS

According to UNICEF, adolescents ages 10–14 are often invisible in discourse and data, falling between policies and programs focused on "children" and "youth."

Continually unstable or perpetually poor economic conditions, globalization, and rapid technological change are just three of the forces affecting a group 1.2 billion strong today, a demographic poised to become our world leaders and catalysts in the not-too-distant future: the world's adolescents. Led by two editors who have been dedicated to studying adolescent development worldwide for decades, this novel collection of works from contributors in more than 40 countries emphasizes how possibilities for healthy mental and physical development are affected by the difficulties youths face in their countries and how these challenges have shaped, and are shaping, contemporary teenage life today.

The set comprehensively addresses issues for adolescents across the globe, such as the day-to-day challenges of poverty, inadequate education, violence or war, disease, reproductive matters, globalization and technological challenges, and more, while also providing a strengths-based focus in the volumes, showing how and why some teenagers in each country have surmounted the challenges and forged stronger characters to better their worlds. These stories document more than personal victories, and their experiences matter to far more than the adolescents themselves. In its State of the World's Children 2011 report, UNICEF noted that the world community needs to turn its attention to adolescents in need, explaining that focusing on this large and potentially powerful group makes economic sense as well as being a necessary step in working towards achieving human justice. By addressing the risks, challenges, and strengths of teenagers as a group in countries worldwide, this work serves to break the cycle of poverty, violence, discrimination, and death for adolescents.

HIGHLIGHTS

- Offers a holistic range of topics and breadth of perspectives by addressing the risks, challenges, and strengths of teenagers as a group in countries worldwide
- Features contributions from scholars who are from—or have extensive on-the-ground experience in—the country of focus, paired with a second author shaping the chapter for an English-speaking readership

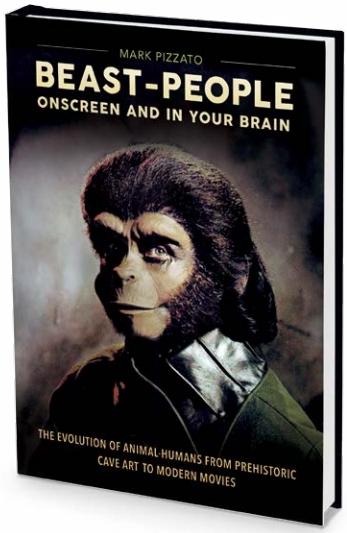
NEW

Beast-People Onscreen and in Your Brain

The Evolution of Animal-Humans from Prehistoric Cave Art to Modern Movies

MARK PIZZATO

How is our abiding interest in beast-people films like *Twilight* and *Dracula* rooted in mankind's animal ancestry?



February 2016, 425pp, 6 1/8x9 1/4
Print: 978-1-4408-4435-5
$73.00, £46.00, €58.00
eBook: 978-1-4408-4436-2

Vampire, werewolf, and ape-planet films are perennial favorites—perhaps because they speak to something primal in human nature. This intriguing volume examines such films in light of the latest developments in neuroscience, revealing ways in which animal-human monster movies reflect and affect the theater in our heads. Examining specific films as well as early cave images, the book discusses how certain creatures on rock walls and movie screens express animal-to-human evolution and the structures of our brains in various cultural contexts.

The book presents a new model of the human brain with its theatrical, cinematic, and animal elements. It also develops a theory of "rasa-catharsis" as the clarifying of emotions within and between spectators of the stage or screen, drawing on Eastern and Western aesthetics as well as current neuroscience. It focuses on the "inner movie theater" of memories, dreams, and reality representations, involving developmental stages, plus the "hall of mirrors," ape-egos, and body-swapping identifications between human beings. Finally, the book shows how ironic twists onscreen—especially of contradictory emotions—might evoke a reappraisal of feelings, helping spectators to be more attentive to their own impulses. Through this interdisciplinary study, scholars, artists, and general readers will find a fresh way to understand the potential for interactive mindfulness and yet cathartic backfire between human brains—in cinema, in theatre, and in daily life.

HIGHLIGHTS

- Employs neuroscience research, evolutionary theory, and various performance paradigms, drawing on what is known about the animal ancestry and neural circuitry of the human brain to probe the framework of our bio-cultural evolution
- Explains how the "emotion pictures" found in prehistoric caves represent turning points in human awareness
- Examines a wide range of beast-people films ranging from the 1931 *Dracula* to the *Twilight* series (2008–2012) and the 2014 *Dawn of the Planet of the Apes*, showing how viewers connect to the films and the potential positive and negative impacts they have

SAMPLE TOPICS

- Affective Neuroscience
- Animal and Human Self-Awareness
- Antonin Artaud's Theory of the Theatre of Cruelty
- Ape-Planet Movies
- Bertolt Brecht's Theory of Alienation Effects for Social Change
- Cathartic Mindfulness
- Cinematic Catharsis
- Cognitive Reappraisal
- Identification, Projection, Emotional Contagion, and Mirror Neurons
- Lacanian Cultural Theory
- Moral Foundations and Tribes
- Neuroscience of In-Group and Out-Group Emotions
- Prehistoric Cave Art
- Sci-Fi Films with Lab-Created Hybrids
- Theatre and Film Elements in the Staging of Human Consciousness

MARK PIZZATO, MFA, PhD, is professor of theatre and film at UNC-Charlotte, where he teaches theatre history, theory, playwriting/screenwriting, and various topics in film.

Inside Forensic Psychology

TIFFANY R. MASSON, PSYD, EDITOR

Forensic psychologists testify in civil, criminal, and juvenile justice cases.

March 2016, 455pp, 6 1/8x9 1/4
Print: 978-1-4408-0303-1
$73.00, £46.00, €58.00
eBook: 978-1-4408-0304-8

SAMPLE TOPICS

- Child Custody Evaluations
- Child Protection Evaluations
- Civil Commitment
- Competency to Stand Trial
- Competency to Stand Trial Evaluations in Juvenile Justice Cases
- Death Penalty Evaluations
- Insanity (Mens Rea) Evaluations
- Miranda Evaluations
- Miranda Evaluations in Juvenile Justice Cases
- Overview of Juvenile Justice Evaluations
- Overview of the Field and Ethical Standards
- Personal Injury Evaluations
- Police Evaluations
- Sentencing Evaluations in Juvenile Justice Cases
- Termination of Parental Rights Evaluations
- Violence and Risk Assessments

TIFFANY R. MASSON, PsyD, is president and founder of the Forensic Psychology Clinic and dean of online programs at The Chicago School of Professional Psychology, Chicago, IL.

In this absorbing and illustrative volume, experienced forensic psychologists explain the specialized field's intersection between psychology and the justice system. It documents psychologists' interviews with involved parties, the law research they conduct, and their testimony in court on issues that include competency to stand trial, Miranda evaluations, defendants' sanity, sentencing, the death penalty, and violence and risk assessments, as well as on cases regarding family matters such as child custody, child protection, and parental rights. Offering firsthand testimonials from some of the best-known and most practiced professionals in the nation, the contributors not only explain the work but also offer comprehensive case studies that will enable students as well as readers who are not specialists in psychology to fully understand core concepts and appreciate the complexities and subtleties of the field.

Inside Forensic Psychology is intended for undergraduate students and graduate students studying forensic psychology or entering into a forensic psychology concentration/specialization. As an instructional text, the book serves professors as a single resource that houses varied forensic clinical case vignettes incorporating the clinical thinking of the psychologist. The rich case material will serve to excite critical thinking in students, assist instructors in expanding upon their lectures, and provide invigorating, intriguing material for lay readers.

HIGHLIGHTS

- Includes detailed case material that brings to life core concepts in forensic psychology and documents the clinical thinking and mindset of a psychologist as they meet with the patient, work in the court system, and write the court report
- Encourages readers to use their critical thinking skills through the presentation of core forensic psychology concepts throughout the clinical cases
- Addresses a subfield of psychology that is one of the best-paying and increasingly popular areas of specialization within professional psychology and is gaining awareness in the general population due to popular media such as movies, television shows, and fictional books that feature forensic psychology-themed storylines

March 2015, 145pp, 6 1/8x9 1/4
Print: 978-1-4408-3740-1
$37.00, £24.00, €29.00
eBook: 978-1-4408-3741-8

"A must read for anyone interested in PTSD—including therapists and counselors—the book is well written and concise. Recommended."

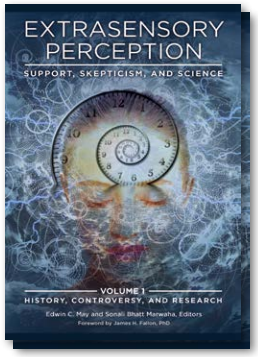
–Choice

In this series of clinical vignettes, a board-certified psychiatrist and life fellow of the American Psychiatric Association illustrates the effectiveness of dream therapy in treating posttraumatic stress disorder (PTSD).

HIGHLIGHTS

- Shares techniques to end PTSD nightmares and flashbacks
- Lessens the exposure to trauma, making the treatment more benign than most other methods
- Offers strategies for treating individual patients as well as groups of patients
- Features complete descriptions of 140 dreams along with approaches for lessening their detrimental effects
- Provides a comparison between common stress and PTSD

BRUCE DOW, MD, is a board-certified psychiatrist and psychopharmacologist who practices clinical psychiatry.



Extrasensory Perception

Support, Skepticism, and Science

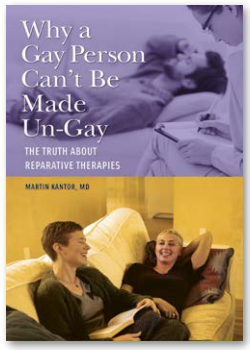
2 VOLUMES | EDWIN C. MAY AND SONALI BHATT MARWAHA, EDITORS; FOREWORD BY JAMES H. FALLON, PHD

June 2015
829pp, 6 1/8x9 1/4
Print: 978-1-4408-3287-1
$131.00, £82.00, €103.00
eBook: 978-1-4408-3288-8

Scholars from around the world collaborate to explain the history of parapsychology, the study of extrasensory perception (ESP), and the arguments of skeptics and supporters in this fascinating collection.

EDWIN C. MAY, PhD, is the president and founder of the Laboratories for Fundamental Research. Formerly, he was a director in the U.S. Government's secret ESP program popularly known as STARGATE.

SONALI BHATT MARWAHA is a research associate with the Laboratories for Fundamental Research.



Why a Gay Person Can't Be Made Un-Gay

The Truth About Reparative Therapies

MARTIN KANTOR, MD

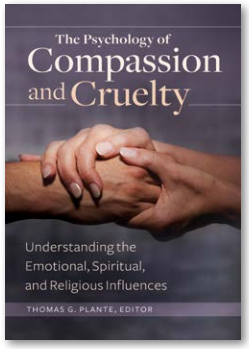
"This book advocates for self-acceptance and supportive therapies to assist homosexuals in healing the harm done to them by negative religious, familial, and cultural systems. Recommended."

– Choice

November 2014
252pp, 6 1/8x9 1/4
Print: 978-1-4408-3074-7
$48.00, £30.00, €38.00
eBook: 978-1-4408-3075-4

Despite an abysmal "success rate," practitioners still use reparative therapy in an attempt to turn gays and lesbians straight. This text exposes the pitfalls that should be considered before gays embark on this journey that typically leads nowhere.

MARTIN KANTOR, MD, is a Harvard-trained psychiatrist who has been in full private practice in Boston and New York City and active in residency training programs at hospitals including Massachusetts General in Boston, MA, and Beth Israel in New York, NY.



The Psychology of Compassion and Cruelty

Understanding the Emotional, Spiritual, and Religious Influences

THOMAS G. PLANTE, EDITOR

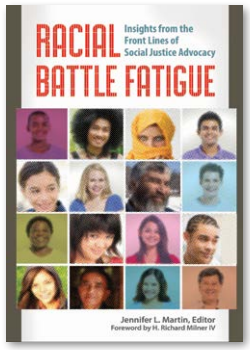
"This book is likely to become a classic in the field of positive psychology and the psychology of religion and spirituality."

–Harold G. Koenig, MD, Professor
Duke University Medical Center

March 2015
258pp, 6 1/8x9 1/4
Print: 978-1-4408-3269-7
$60.00, £38.00, €47.00
eBook: 978-1-4408-3270-3

This thoughtful book brings together some of the best psychological and spiritual thinkers to ponder evidence-based reflections about the development and nurturance of compassion.

THOMAS G. PLANTE, PhD, professor of psychology at Santa Clara University and adjunct clinical professor at Stanford University School of Medicine.



Racial Battle Fatigue

Insights from the Front Lines of Social Justice Advocacy

JENNIFER L. MARTIN, EDITOR

Working with Dreams and PTSD Nightmares

15 Approaches for Psychotherapists and Counselors

JACQUIE LEWIS, PHD, AND STANLEY KRIPPNER, PHD, EDITORS

Different dreamwork approaches are appropriate for different situations, settings, and client personalities.

Working with Dreams and PTSD Nightmares: 15 Approaches for Psychotherapists and Counselors is an essential tool for anyone seeking to learn how to work with dreams. It covers all major methods in use today, offering outlines of the processes with descriptive examples that make the material come alive for the reader. The clinical examples enable counselors and psychotherapists to be able to see the effectiveness of dreamwork processes, and the text clearly explains techniques so readers can use them in clinical and counseling sessions.

PTSD nightmares are given special attention to serve counselors and therapists who assist PTSD patients in settings such as private practice, mental health centers, community centers, and hospitals. This book is a comprehensive textbook appropriate for courses on psychology and dreams. Readers who are interested in dreamwork methods but have not previously worked in the field will find the information accessible, concise, and clear.

HIGHLIGHTS

- Summarizes dreamwork theories and describes techniques that counselors and psychotherapists can use whether their clients presents one dream, a recurring dream, or a nightmare
- Presents clear and concise explanations from top professionals on how their methods can be applied to uncover the deeper meaning of dreams, accompanied by illustrative examples for the reader
- Explains how various practical dreamwork methods are informed by clinical theories

JACQUIE LEWIS, PhD, is codirector of the Dream Studies Certificate Program at Saybrook University. She also teaches dream analysis at California Southern University.

STANLEY KRIPPNER, PhD, is professor of psychology at Saybrook University, Oakland, a fellow in four APA divisions, and past-president of two divisions (30 and 32).

Understanding Depression

RUDY NYDEGGER

Depression is a major public health and social problem that affects one in six Americans during their lifetime.

Depression is a serious health issue that affects a greater proportion of people than many would suspect. A recent report by the World Health Organization stated that depression is the predominant cause of illness and disability for those age 10 to 19 worldwide, and more than 40 percent of U.S. college students reported experiencing symptoms of depression. Written by a clinical psychologist who has treated depressed patients and has also taught and done research in the clinical area for more than 40 years, this book presents the best and most current information that is available about depression that covers general background, theory, research results, and treatment methods in easy-to-understand, nontechnical language.

The book discusses the various different types of mood disorders and what their impact is on the health and well-being of people and society. It helps readers to understand how those who are depressed suffer, what it feels like, and how their symptoms affect their daily lives. One chapter of the book is dedicated to answering a very common question regarding depression: "Who gets it, and why?" Many major and different types of depression are covered, including adjustment disorder with depressed mood, atypical depression, depressive personality disorder, dysthymic disorder, major depressive disorder, postpartum depression, premenstrual dysphoric disorder, seasonal affective disorder, and unipolar depression. The final chapter of the book draws conclusions based on the information presented, identifies effective treatments for depression, and suggests ways that individuals can cope with depression.

HIGHLIGHTS

- Explains simply what depression is, what the causes are, what the symptoms look like, and what the best treatment options are
- Provides up-to-date information based on current scholarly and clinical materials presented in a very clear and understandable presentation that is ideal for high school and undergraduate students as well as general readers

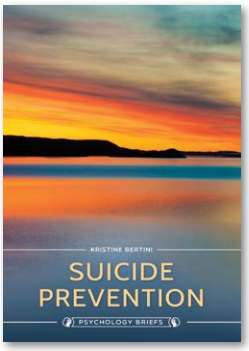
Suicide Prevention

KRISTINE BERTINI



March 2016, 100pp, 6 1/8x9 1/4
Print: 978-1-4408-4191-0
$37.00, £24.00, €29.00
eBook: 978-1-4408-4192-7

Written by a clinical psychologist and illustrated with vignettes from the author's experience, this book offers a clear understanding of how suicidal thought develops, how we can help prevent death from suicide, and how suicidal people can recover and change their way of thinking. This book could be the most valuable and impactful read in a young adult's life.

HIGHLIGHTS

- Presents practical information of critical importance that can help prevent death from suicide
- Specifically written to serve one of the highest risk and most vulnerable groups to suicide (youth ages 15–24) and provides them with information and resources to save lives
- Provides real hope and "a way out" to those feeling suicidal

KRISTINE BERTINI, PsyD, is a licensed clinical psychologist at the University of Southern Maine and in private practice.

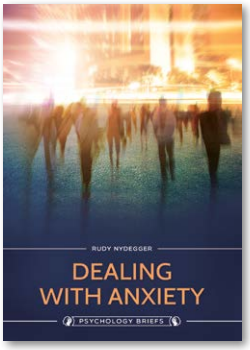
Dealing with Anxiety

RUDY NYDEGGER



February 2016, 106pp, 6 1/8x9 1/4
Print: 978-1-4408-4234-4
$37.00, £24.00, €29.00
eBook: 978-1-4408-4235-1

While anxiety is commonly associated with modern stresses and problems, few realize that disorders of this kind have existed since the beginning of time. What defines "anxiety" as a mental health condition? Who gets it and why? A concise, accessible introduction to anxiety covering everything from its causes to its symptoms, available treatment options, and prevention.

HIGHLIGHTS

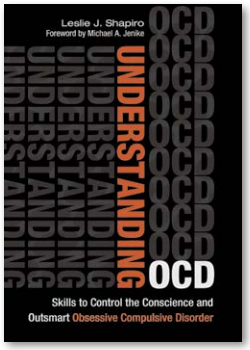
- Addresses some of the strategies that people can apply to help themselves to reduce or mitigate stress
- Includes coverage of recent research and theories about anxiety
- Analyzes psychological and biological responses to stress
- Reveals the truth behind myths about anxiety
- Features case studies of people living with anxiety disorders

RUDY NYDEGGER, PhD, ABPP, is professor of psychology and management at Union College and Union Graduate College in Schenectady, NY.

Understanding OCD

Skills to Control the Conscience and Outsmart Obsessive Compulsive Disorder

LESLIE J. SHAPIRO
FOREWORD BY
MICHAEL A. JENIKE



March 2015, 203pp, 6 1/8x9 1/4
Print: 978-1-4408-3211-6
$48.00, £30.00, €38.00
eBook: 978-1-4408-3212-3

“This book will be of value to anyone interested in learning about OCD or supporting those who are confronted by the disorder. In particular, her preeminent expertise in the area of scrupulosity makes it an essential resource for those who wish for a deeper understanding of that under-appreciated phenomenon.”

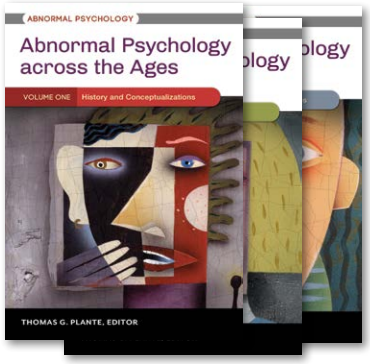
—Scott L. Rauch, MD, President, Psychiatrist in Chief, McLean Hospital
Professor of Psychiatry
Harvard Medical School

One of the most experienced therapists in the world for treatment-resistant obsessive compulsive disorder (OCD) explains the disorder, the treatments available, and the skills needed to overcome and outsmart OCD.

LESLIE J. SHAPIRO is a residential-level behavior therapist for treatment resistant obsessive compulsive disorder (OCD) at the OCD Institute at McLean Hospital.

Abnormal Psychology across the Ages

3 VOLUMES
THOMAS G. PLANTE, EDITOR



June 2013, 835pp, 6 1/8x9 1/4
Print: 978-0-313-39836-0
$163.00, £102.00, €128.00
eBook: 978-0-313-39837-7

“*Abnormal Psychology Across the Ages* is an important work that presents a well-integrated, tersely presented, topical, panoramic, and interdisciplinary discussion of key historical, contemporary, biological, behavioral, physical, and philosophical trends.”

—*PsycCRITIQUES*

In these three volumes, a team of scholars provides a thoughtful history of abnormal psychology, demonstrating how concepts regarding disordered mental states, their causes, and their treatments developed and evolved across the ages.

HIGHLIGHTS

- Examines controversial topics across time, ranging from human rights of the mentally disordered to multicultural views on what does and does not constitute a disorder

THOMAS G. PLANTE, PhD, ABPP, is the Augustin Cardinal Bea, S.J. University Professor and professor of psychology at Santa Clara University, and adjunct clinical professor of psychiatry and behavioral sciences at Stanford University School of Medicine.

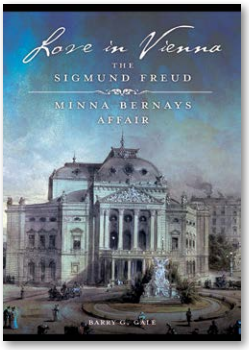
Love in Vienna

The Sigmund Freud–Minna Bernays Affair

BARRY G. GALE



November 2015, 250pp, 6 1/8x9 1/4
Print: 978-1-4408-4220-7
$48.00, £30.00, €38.00
eBook: 978-1-4408-4221-4

For many decades, critics and supporters of Freudian theory have debated the exact nature of Freud's relationship with his sister-in-law. This book examines the arguments pro and con in light of recently exposed evidence—the first study to do so in depth.

HIGHLIGHTS

- Suggests that Minna Bernays might have lied about her affair with Sigmund Freud, and that Carl Gustav Jung—whom many Freudians have accused of having fabricated the story of a Freud/Minna affair—merely conveyed what Minna had told him

BARRY G. GALE, PhD, taught at Cambridge University as a member of Darwin College and served as professorial lecturer at the Paul H. Nitze School of Advanced International Studies, a division of The Johns Hopkins University.

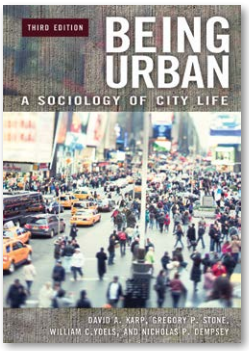
Being Urban

A Sociology of City Life

Third Edition
DAVID A. KARP, GREGORY P. STONE, WILLIAM C. YOELS, AND NICHOLAS P. DEMPSEY



September 2015, 338pp, 6 1/8x9 1/4
Hardcover: 978-0-275-95647-9
$58.00, £37.00, €46.00
eBook: 978-1-4408-2856-0
Paperback: 978-0-275-95654-7
$35.00, £22.00, €28.00

This third edition of a classic urban sociology text examines critical but often-neglected aspects of urban life from a social-psychological theoretical perspective.

HIGHLIGHTS

- Provides a complete analysis of the important social psychological dimensions of urban life that are often overlooked
- Supplies a comprehensive description of the 19th-century theoretical roots of urban sociology

DAVID A. KARP, PhD, is professor emeritus at Boston College.

GREGORY P. STONE, PhD, who died in 1981, was professor of sociology at the University of Minnesota.

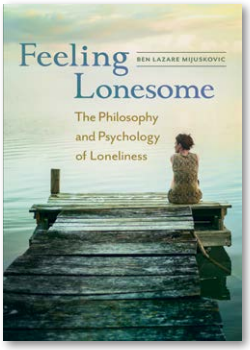
WILLIAM C. YOELS, PhD, retired as professor emeritus at the University of Alabama-Birmingham.

NICHOLAS P. DEMPSEY, PhD, is assistant professor of sociology at Eckerd College, St. Petersburg, FL.

Feeling Lonesome

The Philosophy and Psychology of Loneliness

BEN LAZARE MIJUSKOVIC



June 2015, 203pp, 6 1/8x9 1/4
Print: 978-1-4408-4028-9
$60.00, £38.00, €47.00
eBook: 978-1-4408-4029-6

"Ben Lazare Mijuskovic offers a systematic study of loneliness, informed by his rich knowledge of the history of philosophy and of psychoanalysis, and shaped by his reading of literature and his work as a therapist. . . . An incisive study of a crucial aspect of human experience."

—David Woodruff Smith, Professor of Philosophy, Department of Philosophy University of California at Irvine

This book presents an intricate, interdisciplinary evaluation of loneliness that examines the relation of consciousness to loneliness. It views loneliness from the inside as a universal human condition rather than attempting to explain it away as an aberration, a mental disorder, or a temporary state to be addressed by superficial therapy and psychiatric medication.

BEN LAZARE MIJUSKOVIC, PhD, MA, is professor of philosophy and humanities at California State University at Dominguez Hills, Humanities Department. He is a licensed clinical social worker (LCSW) and is a retired Los Angeles County Department of Mental Health therapist.

FORTHCOMING

Conventional and Unconventional War

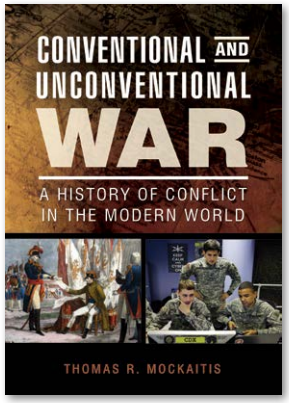
A History of Conflict in the Modern World

THOMAS R. MOCKAITIS

Written by acknowledged expert military historian Thomas R. Mockaitis, this book explores conventional and unconventional conflicts and considers the relationships between them. It considers how epic struggles like the American Civil War, World Wars I and II, and the conflicts in the Middle East, among many others, shaped human history. The coverage serves to highlight four themes: the relationship between armed forces and the societies that create them; the impact of technology (not just armaments) on warfare; the role of ideas and attitudes towards violence in determining why and how wars are fought; and the relationship between conventional and unconventional operations.

HIGHLIGHTS

- Provides an in-depth discussion of terrorism and the wars in Iraq and Afghanistan in the context of conventional and unconventional war
- Presents authoritative information and critical insights from the perspective of an acknowledged expert on military history, counterinsurgency, and terrorism
- Addresses the future of warfare, such as cyberwarfare and the use of drones, in the final chapter



August 2016, 525pp, 6 1/8x9 1/4
Print: 978-1-4408-2833-1
$78.00, £49.00, €61.00
eBook: 978-1-4408-2834-8

THOMAS R. MOCKAITIS, PhD, is professor of history at DePaul University, Chicago, IL.

FORTHCOMING

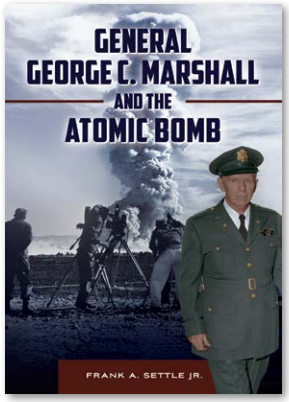
General George C. Marshall and the Atomic Bomb

FRANK A. SETTLE JR.

Intended for a general audience as well as scholars with specific knowledge about the subject matter, this book presents a cohesive account of General George C. Marshall's involvement with nuclear weapons and atomic power as Army chief of staff during World War II and as secretary of state and secretary of defense in the early years of the Cold War. Marshall's involvement with the use of nuclear weapons is set in the context of the Allies' efforts to force Japan to surrender and the initiation of the Cold War. Readers will gain insight into Marshall's quest for obtaining a Japanese surrender; his views on the use of the atomic bomb on Japan versus the use of conventional weapons, including fire bombing or poison gas; his interactions with Roosevelt and Truman on nuclear issues; and Marshall's diplomatic skillfulness in dealing with the issues surrounding the control and use of nuclear weapons as secretary of state and secretary of defense in the post-World War II era.

HIGHLIGHTS

- Presents a clear and concise narrative of Marshall's interactions with nuclear weapons, from his appointment to President Roosevelt's advisory committee in 1941 to his tenure as President Truman's secretary of defense in 1950



April 2016, 223pp, 6 1/8x9 1/4

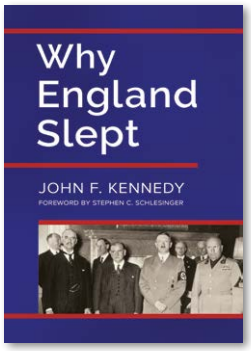
Why England Slept

JOHN F. KENNEDY
FOREWORD BY
STEPHEN C. SCHLESINGER



April 2016, 165pp, 6 1/8x9 1/4
Print: 978-1-4408-4990-9
$75.00, £47.00, €59.00

Originally published in 1940, *Why England Slept* was written by then-Harvard student and future American president John F. Kennedy. It was Kennedy's senior thesis that analyzed the tremendous miscalculations of the British leaders in facing Germany on the advent of World War II, and in doing so, also addressed the challenges that democracies face when confronted directly with fascist states.

HIGHLIGHTS

- Provides fascinating insights into the young mind and worldview of then-Harvard senior John F. Kennedy via his thesis, for which he'd toured Europe, the Balkans, the Soviet Union, and Czechoslovakia in the late 1930s

STEPHEN C. SCHLESINGER, JD, is fellow at the Century Foundation in New York; author of *Act of Creation: The Founding of The United Nations*; winner of the 2004 Harry S. Truman Book Award; former director of the World Policy Institute at the New School (1997–2006); and former publisher of the magazine *The World Policy Journal*.

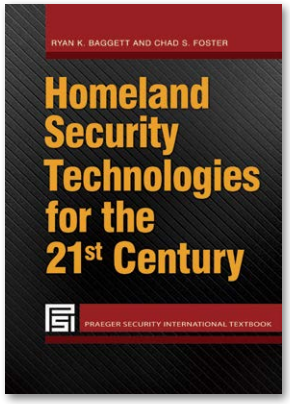
Homeland Security Technologies for the 21st Century

RYAN K. BAGGETT AND CHAD S. FOSTER

Designed for students entering or currently working in the safety, security, and emergency management disciplines in the public or private sectors, this textbook presents a broad array of homeland security technology types from the viewpoint of end-user applications and homeland security mission areas. The authors investigate various theories behind the use of technologies and assess the importance of technologies for achieving goals and objectives. The content includes not only technical capabilities but also a blend of sample applications of technologies using an all-hazards framework and use cases at all levels of practice, including both the public and private sectors.



July 2016, 325pp, 6 1/8x9 1/4
Hardcover: 978-1-4408-3142-3
$75.00, £47.00, €59.00
eBook: 978-1-4408-3143-0
Paperback: 978-1-4408-3353-3
$44.00, £28.00, €35.00

RYAN K. BAGGETT, EdD, is associate professor of homeland security at Eastern Kentucky University in Richmond, KY. In this capacity, his instruction focuses on critical infrastructure protection, risk analysis, and technology applications.

CHAD S. FOSTER is assistant professor in homeland security at Eastern Kentucky University in Richmond, KY, where he supports student learning in the homeland security and emergency management fields of study.

FORTHCOMING

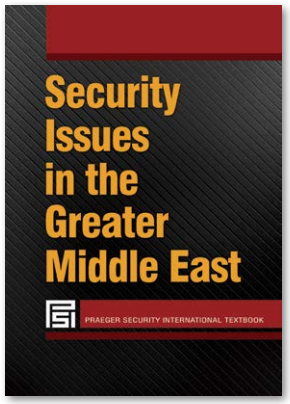
Security Issues in the Greater Middle East

KARL YAMBERT, EDITOR

The issues and current events of the Greater Middle East continue to hold deep implications for American geopolitical interests in the region—as they have for many decades. An ideal resource for students in undergraduate courses on the Middle East and related regions as well as students in graduate programs of international studies or security studies, this textbook anthologizes recent, insightful analyses by top scholars on trends and events in the Middle East that bear crucially on regional and global security considerations, covering topics like Iran's nuclear ambitions; the rise, ebb, and resurgence of Al Qaeda; and the war in Syria.

HIGHLIGHTS

- Offers important insights and analyses of authoritative observers on the Greater Middle East and its most current and pressing security concerns
- Supplies informed, up-to-date coverage of key flashpoints across the Greater Middle East, such as al Qaeda in Fallujah, ISIS, Syria's civil war, the Iranian nuclear weapons issue, the Taliban in Afghanistan, and Chechen insurgents in the Caucasus
- Provides concise introductions that summarize the readings' essential points and situate the readings within an integrative context



May 2016, 295pp, 6 1/8x9 1/4
Hardcover: 978-1-4408-3398-4
$73.00, £46.00, €58.00
eBook: 978-1-4408-3399-1
Paperback: 978-1-4408-3540-7
$44.00, £28.00, €35.00

KARL YAMBERT, PhD, is an independent scholar who holds a doctorate in anthropology from the University of California, Davis.

Cyber Threat

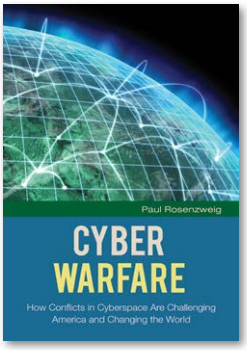
The Rise of Information Geopolitics in U.S. National Security

CHRIS BRONK

This book presents a holistic view of the geopolitics of cyberspace that have arisen over the past decade, utilizing recent events to explain the international security dimension of cyber threat and vulnerability, and to document the challenges of controlling information resources and protecting computer systems.

February 2016
225pp, 6 1/8x9 1/4
Print: 978-1-4408-3498-1
$75.00, £47.00, €59.00
eBook: 978-1-4408-3499-8

CHRIS BRONK, PhD, is assistant professor of computer and information systems and associate director of the Center for Information Security Research and Education at the University of Houston's College of Technology.



Cyber Warfare

How Conflicts in Cyberspace Are Challenging America and Changing the World

PAUL ROSENZWEIG

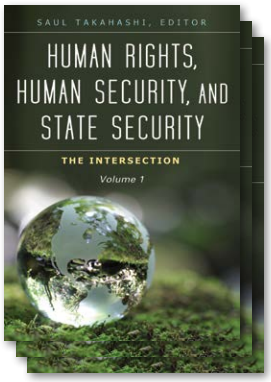
"[T]his book clearly describes the tangled web of technical, legal, and policy issues that complicate our nation's response to the daunting, advanced cyber threats we face today. It will serve as a vital resource for anyone trying to understand this critical issue."

—Representative Mike Rogers
Chairman, U.S. House Permanent Select Committee on Intelligence

January 2013
290pp, 6 1/8x9 1/4
Print: 978-0-313-39895-7
$52.00, £33.00, €41.00
eBook: 978-0-313-39896-4

This book provides an up-to-date, accessible guide to the growing threats in cyberspace that affects everyone from private individuals to businesses to national governments.

PAUL ROSENZWEIG is founder of Red Branch Consulting PLLC, a homeland security consulting company, and senior advisor to The Chertoff Group. He formerly served as deputy assistant secretary for policy in the Department of Homeland Security.



Human Rights, Human Security, and State Security

The Intersection

3 VOLUMES
SAUL TAKAHASHI, EDITOR

This book provides innovative thinking from a variety of perspectives on the important human rights, human security, and national security policy issues of today—and how these issues intersect.

July 2014
775pp, 6 1/8x9 1/4
Print: 978-0-313-39760-8
$203.75, £128.00, €160.00
eBook: 978-0-313-39761-5

HIGHLIGHTS

- Provides insightful, informed viewpoints by scholars as well as policy makers and practitioners on human rights, human security, and national security, and how these three areas intersect
- Supplies innovative, even provocative thinking on the important issues facing national and international policy makers

SAUL TAKAHASHI, LLM, is Deputy Head of Office in the Office of the United Nations High Commissioner for Human Rights in the occupied Palestinian territory.

The New China-Russia Alignment

Critical Challenges to U.S. Security

RICHARD WEITZ

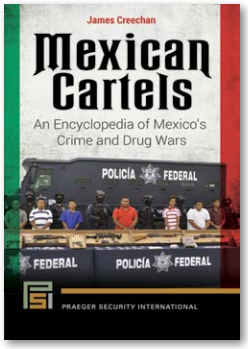
This volume identifies the main drivers of the current Sino-Russian relationship, assesses whether—and under what conditions—China and Russia would cooperate more extensively and effectively against American interests, and recommends U.S. policies that could prevent such an outcome.

September 2016
298pp, 6 1/8x9 1/4
Print: 978-1-4408-4736-3
$75.00, £47.00, €59.00
eBook: 978-1-4408-4737-0

HIGHLIGHTS

- Identifies the challenges Americans would confront if Russia and China continue to align more closely together against the United States and its allies and what interests would be most affected

RICHARD WEITZ, PhD, is senior fellow and director of the Center for Political-Military Analysis at Hudson Institute, Washington, DC.



FORTHCOMING

Mexican Cartels

An Encyclopedia of Mexico's Crime and Drug Wars

JAMES CREECHAN

This book presents the necessary facts to explain the phenomenon of drug cartels and social violence in Mexico—and to understand why the deeply ingrained drug trade cannot easily be eliminated using only a policy of military force.

August 2016
420pp, 6 1/8x9 1/4
Print: 978-1-4408-3291-8
$73.00, £46.00, €58.00
eBook: 978-1-4408-3292-5

HIGHLIGHTS

- Examines the deeper socio-economic links and the political-criminal cooperation that explains the complex roots of the Mexican drug cartel problem rather than focusing on simplistic identification of criminal motivation and individual crime lords

JAMES CREECHAN, PhD, is a retired professor of sociology. He was a tenured professor of sociology at the University of Alberta, Edmonton, Canada.

The Three U.S.-Mexico Border Wars

Drugs, Immigration, and Homeland Security

Second Edition
TONY PAYAN

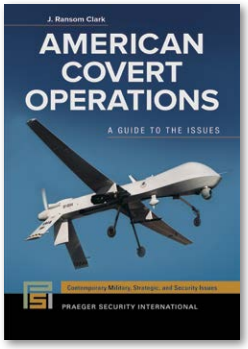
This book addresses the three central issues that continue to dominate the U.S.-Mexico relationship today: drugs, immigration, and security. Nowhere is this more palpable than at the 2,000-mile border shared by the two countries.

May 2016
310pp, 6 1/8x9 1/4
Print: 978-1-4408-3541-4
$52.00, £33.00, €41.00
eBook: 978-1-4408-3542-1

HIGHLIGHTS

- Provides a historical perspective that is necessary to understand today's border conflicts

TONY PAYAN, PhD, is director of the Mexico Center at the James A. Baker III Institute for Public Policy of Rice University in Houston, TX.



American Covert Operations

A Guide to the Issues

J. RANSOM CLARK

Traces our country's long history of covert and special operations, focusing on the similarities and differences in the practice from the Revolutionary War to the present.

July 2015
224pp, 6 1/8x9 1/4
Print: 978-0-313-38328-1
$52.00, £33.00, €41.00
eBook: 978-0-313-38329-8

HIGHLIGHTS

- References literature supporting both sides of the special and covert operations debate
- Explains how covert operations is used as a tool of American foreign policy

J. RANSOM CLARK, JD, served 25 years with the Central Intelligence Agency, including assignments in Asia, Europe, Latin America, the Middle East, and Washington, DC; and 15 years as faculty member and administrator at Muskingum University.

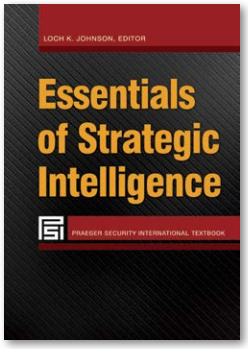
eBook: 978-1-4408-3135-5

JAMES WORRALL, PhD, is a lecturer at the School of Politics and International Studies at the University of Leeds.

SIMON MABON, PhD, is a lecturer in the Department of Politics, Philosophy, and Religion at the University of Lancaster.

GORDON CLUBB, PhD, is a lecturer in international security at the University of Leeds.



Essentials of Strategic Intelligence

LOCH K. JOHNSON, EDITOR

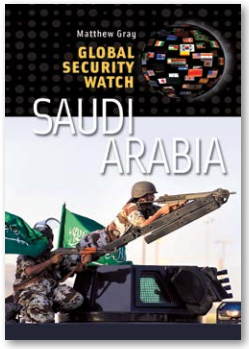
"[A] thorough, deep, and up-to-date survey perfectly designed to inform students and officials alike."

—Richard K. Betts, Director
Saltzman Institute of War and Peace Studies, Columbia University

December 2014
498pp, 6 1/8x9 1/4
Hardcover: 978-1-4408-3227-7
$63.00, £40.00, €50.00
eBook: 978-1-4408-3228-4
Paperback: 978-1-4408-3352-6
$44.00, £28.00, €35.00

A highly valuable resource for students of intelligence studies, strategy and security, and foreign policy, this volume provides readers with an accessible and comprehensive exploration of U.S. espionage activities that addresses both the practical and ethical implications that attend the art and science of spying.

LOCH K. JOHNSON is Regents Professor of Public and International Affairs at the University of Georgia, Athens, GA.



Global Security Watch—Saudi Arabia

MATTHEW GRAY

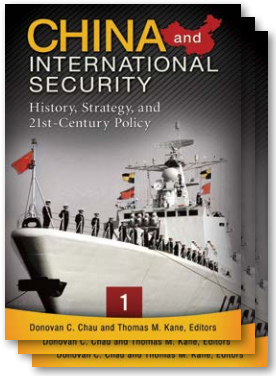
"Overall this is an excellent entry point to learning about this country historically and in regard to contemporary security issues. Highly recommended."

—*Choice*

October 2014
215pp, 6 1/8x9 1/4
Print: 978-0-313-38699-2
$52.00, £33.00, €41.00
eBook: 978-0-313-38700-5

Examines the causes and consequences of Saudi Arabia's current security policy and the domestic, regional, and international challenges the country's defense program presents to the general welfare of the Middle East.

MATTHEW GRAY, PhD, is associate professor at the Centre for Arab and Islamic Studies at The Australian National University.



China and International Security

History, Strategy, and 21st-Century Policy

3 VOLUMES

DONOVAN C. CHAU AND THOMAS M. KANE, EDITORS

"The work brings great specificity to how China may choose to pursue its national security interests. A specialized set that belongs in large academic libraries. Highly recommended."

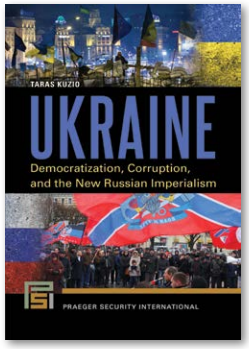
—*Choice*

April 2014
880pp, 6 1/8x9 1/4
Print: 978-1-4408-0001-6
$163.00, £102.00, €128.00
eBook: 978-1-4408-0002-3

The first work of its kind, this strategic assessment of China's national security reveals the nation's intentions, capabilities, and threats—and their implications for the United States and the world.

DONOVAN C. CHAU, PhD, is associate professor of political science at California State University, San Bernardino.

THOMAS M. KANE, PhD, is senior lecturer at the University of Hull, specializing in strategic studies and international relations with a particular interest in East Asia.



Ukraine

Democratization, Corruption, and the New Russian Imperialism

TARAS KUZIO

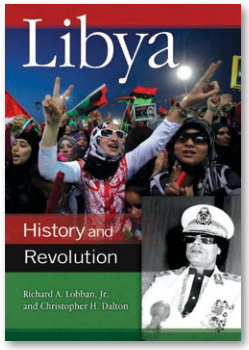
June 2015
611pp, 6 1/8x9 1/4
Print: 978-1-4408-3502-5
$75.00, £47.00, €59.00
eBook: 978-1-4408-3503-2

A definitive contemporary political, economic, and cultural history from a leading international expert, this is the first single-volume work to survey and analyze Soviet and post-Soviet Ukrainian history since 1953 as the basis for understanding the nation today.

HIGHLIGHTS

- Integrates late-Soviet and post-Soviet history to explain the continuity of the legacies of the USSR on contemporary Ukraine
- Provides alternative and original insights into Ukrainian politics that provide an original perspective different from standard frameworks

TARAS KUZIO is a senior research associate at the Canadian Institute of Ukrainian Studies, University of Alberta.



Libya

History and Revolution

RICHARD A. LOBBAN, JR. AND CHRISTOPHER H. DALTON

April 2014
281pp, 6 1/8x9 1/4
Print: 978-1-4408-2884-3
$52.00, £33.00, €41.00
eBook: 978-1-4408-2885-0

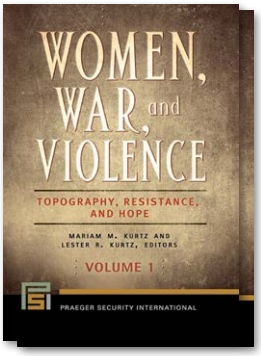
This narrative chronicles Libya's, and to a vast extent Muammar Gaddafi's, remarkable past, meteoric rise to prominence, and convoluted reign, and introduces potential scenarios that may play out in the near term.

HIGHLIGHTS

- Covers Libya from its ancient beginnings to the present in one easily readable volume

RICHARD A. LOBBAN, JR., professor emeritus of anthropology and former chair at Rhode Island College, is an author and lifetime Africanist.

CHRISTOPHER H. DALTON is a U.S. Marine Corps Lieutenant Colonel stationed in Okinawa, Japan, as a ground supply officer.



Women, War, and Violence

Topography, Resistance, and Hope

2 VOLUMES
MARIAM M. KURTZ AND LESTER R. KURTZ, EDITORS

This set of original articles probes the breadth of vital issues surrounding the impact of war and violence on women globally—and examines what is being done to mitigate their effects.

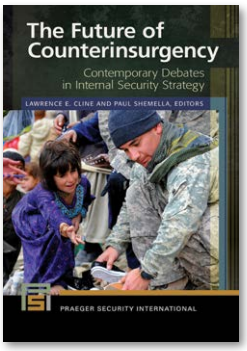
August 2015
709pp, 6 1/8x9 1/4
Print: 978-1-4408-2880-5
$184.00, £115.00, €144.00
eBook: 978-1-4408-2881-2

HIGHLIGHTS

- Provides a comprehensive overview of issues related to women, war, civil unrest, sexual assault, and violence

MARIAM M. KURTZ has worked as a journalist in newspapers, radio, and television in Tanzania and at the Voice of America.

LESTER R. KURTZ, PhD, is professor of sociology at George Mason University where he teaches public sociology, social movements, conflict, comparative religions, and social theory.



The Future of Counterinsurgency

Contemporary Debates in Internal Security Strategy

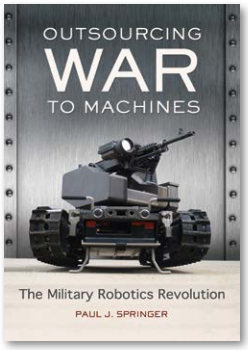
LAWRENCE E. CLINE AND PAUL SHEMELLA, EDITORS

This thought-provoking work analyzes the major debates surrounding counterinsurgency campaigns and uncovers the internal security problems derailing effective strategies for restoring stability.

August 2015
333pp, 6 1/8x9 1/4
Print: 978-1-4408-3299-4
$73.00, £46.00, €58.00
eBook: 978-1-4408-3300-7

LAWRENCE E. CLINE, PhD, is adjunct instructor for the Counterterrorism Fellowship Program at the Center for Civil-Military Relations and adjunct professor of international relations at Troy University.

PAUL SHEMELLA is a program manager for the Combating Terrorism Fellowship Program (CTFP) at the Center for Civil-Military Relations, Monterey, CA.



FORTHCOMING

Outsourcing War to Machines

The Military Robotics Revolution

PAUL J. SPRINGER

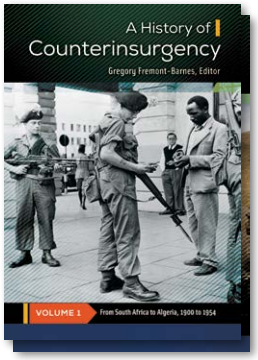
Military robots are already being used in conflicts around the globe and are affecting both the decision to go to war and the means by which wars are conducted. This book covers the history of military robotics, analyzes their current employment, and examines the ramifications of their future utilization.

June 2016
300pp, 6 1/8x9 1/4
Print: 978-1-4408-3085-3
$63.00, £40.00, €50.00
eBook: 978-1-4408-3086-0

HIGHLIGHTS

- Clearly identifies the links between the technological developments of the most recent innovations and the ethical and legal challenges of the future

PAUL J. SPRINGER, PhD, is associate professor of comparative military studies at the Air Command and Staff College, Maxwell Air Force Base, AL.



A History of Counterinsurgency

2 VOLUMES
GREGORY FREMONT-BARNES, EDITOR

This two-volume history of counterinsurgency covers all the major and many of the lesser known examples of this widespread and enduring form of conflict, addressing the various measures employed in the attempt to overcome the insurgency and examining the individuals and organizations responsible for everything from counterterrorism to infrastructure building.

May 2015
798pp, 6 1/8x9 1/4
Print: 978-1-4408-0424-3
$131.00, £82.00, €103.00
eBook: 978-1-4408-0425-0

GREGORY FREMONT-BARNES, PhD, is senior lecturer in war studies at the Royal Military Academy, Sandhurst, UK, where a third of officer cadet teaching focuses on insurgency and counterinsurgency.

NEW

Essentials of Counterterrorism

JAMES J. F. FOREST, EDITOR

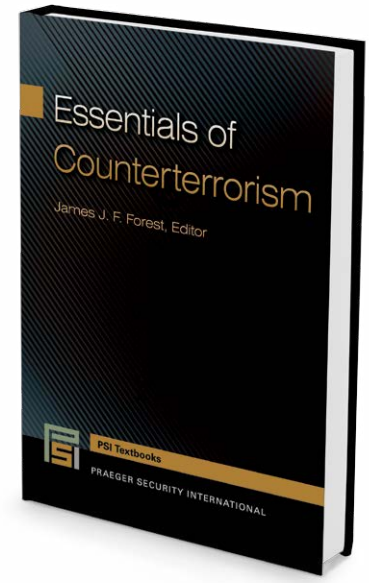
Combating terrorism requires far more than military action.

Recent terrorist actions in the United States and abroad make it clear that the subject of counterterrorism is as vital and as timely as ever. Edited by a leading authority on terrorism and security studies, this compendium offers a wide-ranging look at the most vital aspects of counterterrorism, from diplomacy and military action to the investigation and interdiction of terrorist finances.

Following an introduction, chapters offer insightful discussions of strategy, policy, tactical, and operational dimensions of counterterrorism. An interdisciplinary team of expert contributors examine a wide range of topics, including "lone wolf" and homegrown terrorists, intelligence cooperation, social media, community policing, terrorism finance, and the shadow economy. Case studies from Europe, Latin America, South Asia, the Middle East, and the United States provide clear, practical examples of effective—and sometimes not so effective—approaches to combating terrorism. The volume will serve as a central textbook for professional development courses, workshops, and academic degree programs on terrorism, counterterrorism, and security studies.

HIGHLIGHTS

- Analyzes critical themes and issues related to the fight against terrorism
- Provides an ideal guide for students and other readers who are new to the study of counterterrorism and national and international security
- Brings together contributors from academia, the military, law enforcement, government and intelligence agencies, and think tanks
- Includes case studies that illustrate key concepts used in successfully combating terrorism



October 2015, 456pp, 6 1/8x9 1/4
Hardcover: 978-1-4408-3283-3
$73.00, £46.00, €58.00
eBook: 978-1-4408-3284-0
Paperback: 978-1-4408-3470-7
$44.00, £28.00, €35.00

SAMPLE TOPICS

- Combating State Sponsors of Terrorism
- Combating Support for Terrorism
- Combating Terrorist Radicalization
- Counterterrorism Strategies
- Financial and Economic Dimensions
- Intelligence Practices
- Interagency Cooperation
- Locating and Apprehending Terrorists
- Moral, Legal, and Ethical Dimensions
- Negotiating with Terrorists
- Policymaking in a Democracy
- Terrorism and Organized Crime

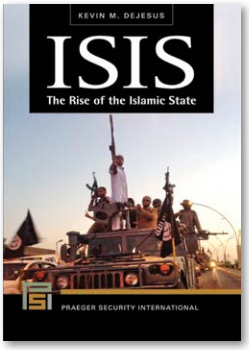
JAMES J. F. FOREST, PhD, is professor and director of the Security Studies program at the University of Massachusetts Lowell.

FORTHCOMING

ISIS

The Rise of the Islamic State

KEVIN M. DEJESUS



October 2016, 243pp, 6 1/8x9 1/4
Print: 978-1-4408-3976-4
$75.00, £47.00, €59.00
eBook: 978-1-4408-3977-1

Representing an invaluable resource for security studies and policy practitioners as well as Middle Eastern studies scholars, this book provides a current, comprehensive, and accessible analysis of ISIS that dissects the organization completely, exposing it as far more than a group of well-funded Islamic extremists.

HIGHLIGHTS

- Examines not only the role of the United States as a pivotal actor in the Middle East but only places justified emphasis on Russia for its essential role in the Syrian quagmire and at the UN Security Council
- This book draws on key sources, including primary and secondary source material, as well as interviews with key actors involved in generating policy that guides the coalition response to ISIS
- Serves to move the reader beyond the simple argument that Islamic extremism explains this organization's violent attempt to re-make the map of the Middle East

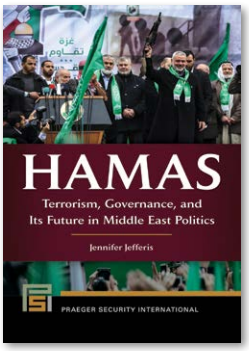
KEVIN M. DEJESUS, PhD, is assistant professor of social sciences at Johnson and Wales University, Providence, RI.

NEW

Hamas

Terrorism, Governance, and Its Future in Middle East Politics

JENNIFER JEFFERIS



February 2016, 215pp, 6 1/8x9 1/4
Print: 978-1-4408-3902-3
$75.00, £47.00, €59.00
eBook: 978-1-4408-3903-0

Structured around key elements at the regional, political, institutional, and personal levels of analysis, this is a complete and forward-leaning view of Hamas that provides a deep and detailed examination of the history, ideology, political prospects, and regional opportunities of an often poorly understood organization that is redefining 21st-century terrorism.

HIGHLIGHTS

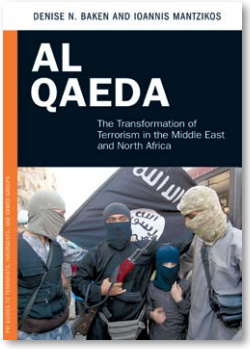
- Provides a detailed and contemporary look at an influential organization that has enormous potential to shape the role that radicalized Islam will play in the Middle East over the next decade
- Enables a deeper understanding of how Hamas is poised—in light of its ideological, political, and military objectives—to influence the development of the Middle East region in the coming years

JENNIFER JEFFERIS, PhD, is associate professor of strategic studies at The National Defense College, United Arab Emirates.

Al Qaeda

The Transformation of Terrorism in the Middle East and North Africa

DENISE N. BAKEN AND IOANNIS MANTZIKOS



August 2015, 246pp, 6 1/8x9 1/4
Print: 978-1-4408-2870-6
$52.00, £33.00, €41.00
eBook: 978-1-4408-2871-3

What threat does Al Qaeda pose to the United States as it continues to evolve in the wake of the Arab Spring, and what are the group's evolving strategies for growth and survival internationally? This book provides answers.

HIGHLIGHTS

- Analyzes the Al Qaeda belief that violence is required to achieve its goals and the common Al Qaeda perception that violence was used effectively by the colonialists and the West, particularly the United States and France
- Identifies the precursors to Al Qaeda organizations and how al Qaeda became what it is today

DENISE N. BAKEN, PhD, is biodefense affiliate faculty at George Mason University and adjunct assistant professor at the University of Maryland University College.

IOANNIS MANTZIKOS is a doctoral candidate at the University of the Free State in South Africa.

Terrorism, Inc.

The Financing of Terrorism, Insurgency, and Irregular Warfare

COLIN P. CLARKE

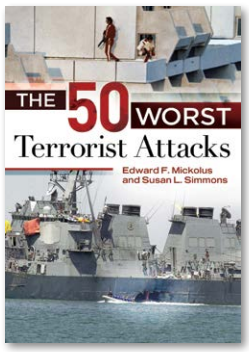
This in-depth, historical analysis of terrorism investigates the major funding streams of terrorists, insurgents, guerrillas, warlords, militias, and criminal organizations throughout the world as well as the efforts of the international community to thwart their efforts.

June 2015
289pp, 6 1/8x9 1/4
Print: 978-1-4408-3103-4
$60.00, £38.00, €47.00
eBook: 978-1-4408-3104-1

HIGHLIGHTS

- Examines the financing of major terrorist organizations such as ISIS, Al Qaeda, Hamas, Hezbollah, the Taliban, and other significant groups

COLIN P. CLARKE, PhD, is associate political scientist at RAND, adjunct professor at Carnegie Mellon University, adjunct professor at the University of Pittsburgh, and an affiliated scholar at the Matthew B. Ridgway Center for International Security Studies.



The 50 Worst Terrorist Attacks

EDWARD F. MICKOLUS AND SUSAN L. SIMMONS

> "Recommended. Lower-division undergraduates and general readers."
>
> —*Choice*

In the last 50 years, terrorists have committed hundreds of horrific acts of violence to further their causes. This accessible, single-volume text covers the most significant terrorist acts across contemporary history worldwide.

HIGHLIGHTS

- Over 1,000 primary documents that support titles in the database
- A comprehensive, up-to-date chronology lists terrorist incidents from around the world from 1968 to the present, with background information covering more than 75 years
- Offers an authoritative and scholarly bibliography
- A featured content section identifies important subject areas and provides links for direct access to relevant content
- Provides new, full-text content in crucial areas of study, including all print publications from **Praeger Security International**
- Updated monthly with new books, often before print versions are available for purchase
- Insightful weekly commentaries by scholars and experts who provide focused treatment on newsworthy events and historical occurrences

Praeger Security International

Terrorism, Homeland Security, Strategy

THE LARGEST ONLINE FULL-TEXT RESOURCE ON INTERNATIONAL SECURITY

Containing more than 800 books and growing by dozens of titles each year, *PSI* incorporates the entire **Praeger Security International** print program with important titles from Greenwood and Praeger. Updated weekly with commentary by expert authors and well-known researchers, *PSI* provides in-depth analysis on security issues. With an ever-growing range of content from a global network of institutional partners, it offers varied international perspectives and reflections from psychologists, diplomats, first responders, economists, journalists, civil servants, war-fighters, legal experts, and more.

With its impressive list of contributors and flexible search functionality, *PSI* is invaluable for students, researchers, and anyone who seeks a deeper understanding of the complex issues that affect our world. This unparalleled resource is a constantly evolving research tool.

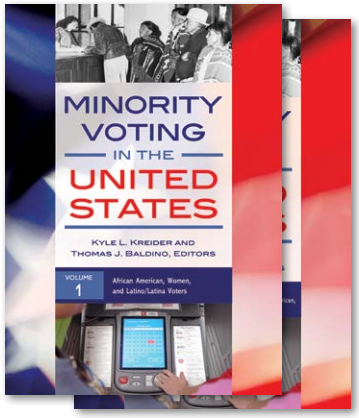
Minority Voting in the United States

2 VOLUMES | KYLE L. KREIDER AND THOMAS J. BALDINO, EDITORS

According to current scholarship, the Caucasian population of the United States is expected to be a minority by 2042. As the white majority disappears and politics shift with the changing tide, it is important to understand the voting behaviors of the significant minority voting blocs in the United States. In this book, a variety of voting blocs are examined: African Americans, women, Native Americans, Latinos (Mexicans, Cubans, Puerto Ricans), South Asians (Indians, Pakistanis, Bangladeshis), East Asians (Chinese, Japanese, Koreans), Filipinos, Pacific Islanders, Arab Americans, Muslim Americans, Jewish Americans, and the LGBT community.

HIGHLIGHTS

- Provides a thorough analysis of the most prominent minority voting blocks in the United States in an accessible, easy-to-understand format
- Uses the most current scholarship available to provide a resource for students, journalists, and scholars to examine election trends
- Offers the reader a wealth of background and historical information
- Includes a comprehensive bibliography for additional reading
- Delves into topics that will impact future elections



December 2015, 782pp, 6 1/8x9 1/4
Print: 978-1-4408-3023-5

Understanding How Women Vote

Gender Identity and Political Choices

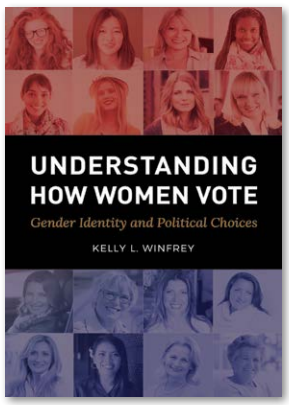
KELLY L. WINFREY

Research shows that voting women are distinctly different from voting men. Because the women's vote has been important in nearly every election since the 1980s, it's critical to understand why this gender gap exists and what it means for American politics. This thought-provoking study offers an accessible introduction to research on gender and elections while providing new insights into women's voting behaviors.

Based on original research with women voters of varying ages around the United States from 2008 to the present, the book delves into differences between voting women and men—and indeed among women themselves. The gender gap, the author argues, exists because women's social identity is tied to their group memberships and gender-role beliefs. Thus, rather than grouping all women into one voting bloc, the book examines how gender identity influences various sub-groups of women.

HIGHLIGHTS

- Provides readers with an in-depth explanation for the gender gap in American politics while also addressing key differences between women voters
- Explores such intriguing topics as whether women prefer female or male candidates



July 2016, 210pp, 6 1/8x9 1/4
Print: 978-1-4408-4030-2
$60.00, £38.00, €47.00

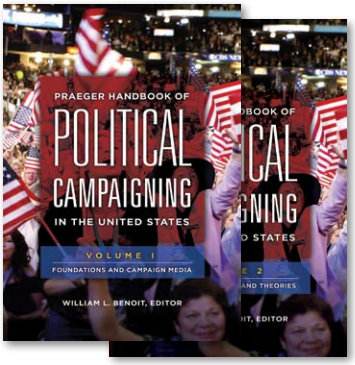
Praeger Handbook of Political Campaigning in the United States

2 VOLUMES | WILLIAM L. BENOIT, EDITOR



February 2016, 780pp, 6 1/8x9 1/4
Print: 978-1-4408-3162-1
$131.00, £82.00, €103.00
eBook: 978-1-4408-3163-8

This work peels back the curtain on how political campaigns influence America, covering everything from social media to getting to the Oval Office.

HIGHLIGHTS

- Covers a wide variety of topics related to American political campaigns
- Investigates political campaigns and theories of campaigning from multiple perspectives
- Discusses strategic use of messaging language and message forms, including debates, television ads, and social media
- Features case studies to facilitate understanding
- Includes maps, tables, and figures to illustrate key points

WILLIAM L. BENOIT, PhD, is professor of communication studies at Ohio University.

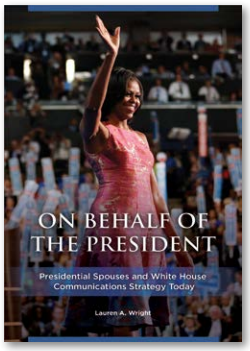
On Behalf of the President

Presidential Spouses and White House Communications Strategy Today

LAUREN A. WRIGHT



April 2016, 207pp, 6 1/8x9 1/4
Print: 978-1-4408-4859-9
$48.00, £30.00, €38.00
eBook: 978-1-4408-4860-5

White House expert Lauren A. Wright identifies, explains, and measures the impact of the expanding role of presidential spouses in the White House and presidential campaign communications strategy, with a focus on the Clinton, Bush, and Obama administrations.

HIGHLIGHTS

- Examines the First Lady's role of enhancing the president's public image and expanding public support for his policy agenda
- Focuses on the communications and public relations role of presidential spouses
- Analyzes every documented public speech made by a first lady since 1992

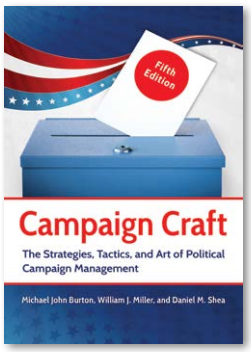
LAUREN A. WRIGHT, PhD, is director of investor relations at NV5 Global, Inc., and a member of the White House Transition Project.

Campaign Craft

The Strategies, Tactics, and Art of Political Campaign Management

Fifth Edition

MICHAEL JOHN BURTON, WILLIAM J. MILLER, AND DANIEL M. SHEA



June 2015, 282pp, 6 1/8x9 1/4
Print: 978-1-4408-3732-6
$29.00, £19.00, €23.00
eBook: 978-1-4408-3733-3

The go-to source on campaign management for nearly two decades is now updated to cover the latest in contemporary campaign expertise from general strategy to voter contact to the future of political campaigns.

HIGHLIGHTS

- Updates readers on rapidly evolving campaign strategy and tactics
- Offers the ideal balance between practical perspectives and scholarly literature
- Includes fresh information on political polarization, strategic technologies, and online tools, along with coverage of the debate between advocates of ballot access and voter integrity

MICHAEL JOHN BURTON, PhD, is associate professor of political science at Ohio University.

WILLIAM J. MILLER, PhD, is director of Institutional Research and Effectiveness at Flagler College, Saint Augustine, FL.

DANIEL M. SHEA, PhD, is professor of government and director of the Goldfarb Center at Colby College, Waterville, ME.

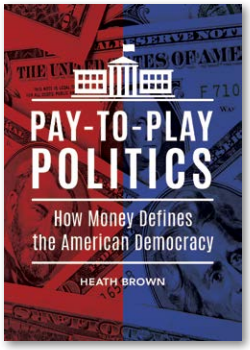
Pay-to-Play Politics

How Money Defines the American Democracy

HEATH BROWN



April 2016, 173pp, 6 1/8x9 1/4
Print: 978-1-4408-5005-9
$37.00, £24.00, €29.00
eBook: 978-1-4408-5006-6

Pay-to-Play Politics examines money and politics from different angles to understand a central paradox of American democracy: why, when the public and politicians decry money as the worst aspect of American politics, are there so few signs of change?

HIGHLIGHTS

- Presents a holistic academic treatment of the topic of money and politics in America that is also accessible to general readers
- Includes a broad range of policy recommendations pertaining to lobbying, campaign finance, and wealth
- Synthesizes the complex research on the relationship between money and politics, offering readers a clear explanation of what to worry about and what is not a cause for concern
- Offers an expert assessment of all the major political reforms to promote democratic government and reduce the negative consequences of money and politics

HEATH BROWN, PhD, is assistant professor of public policy at the City University of New York, John Jay College of Criminal Justice, New York, NY.

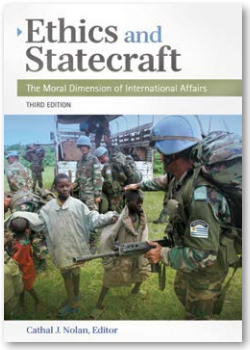
Ethics and Statecraft

The Moral Dimension of International Affairs

Third Edition | CATHAL J. NOLAN, EDITOR



October 2015, 304pp, 6 1/8x9 1/4
Hardcover: 978-1-4408-3340-3
$48.00, £30.00, €38.00
eBook: 978-1-4408-3341-0
Paperback: 978-1-4408-3354-0
$29.00, £19.00, €23.00

This collection of essays cuts to the quick of the most pressing moral issues facing decision-makers today, from the actions of ordinary soldiers in a combat zone to presidents deciding when and where to use force, human rights violations and enforcement, and legal, economic, and military obligations in a globalized world.

HIGHLIGHTS

- Provides clear, non-partisan, and non-ideological scholarly coverage of historical as well as contemporary moral issues in international affairs
- Ranges subject matter from diplomacy, military decision-making, and international law to humanitarian intervention and the definition and protection of the basic human rights
- Presents the collective expertise and multinational perspectives of an international group of scholars

CATHAL J. NOLAN, PhD, is associate professor of history and executive director of the International History Institute at Boston University.

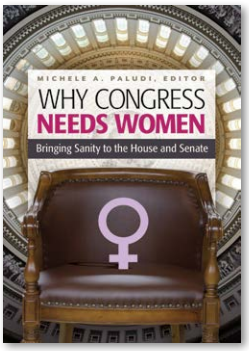
Why Congress Needs Women

Bringing Sanity to the House and Senate

MICHELE A. PALUDI, EDITOR



January 2016, 204pp, 6 1/8x9 1/4
Print: 978-1-4408-3271-0
$48.00, £30.00, €38.00
eBook: 978-1-4408-3272-7

This book addresses women's civil strategies for negotiation and leadership through careful analysis of social science research and management theory as well as interviews with women legislators, documenting how women in Washington are affecting the development of the world at all levels.

HIGHLIGHTS

- Addresses how women in Washington have redefined leadership and power in terms of how they listen, work collaboratively, negotiate, facilitate change, communicate effectively, and empower and mentor others
- Identifies differences in the evidenced personal ethics between the genders in Congress that are reflective of their characters and professionalism—or lack thereof

MICHELE A. PALUDI, PhD, is president of Human Resources Management Solutions and a developmental psychologist who specializes in career development and the psychology of workplaces.

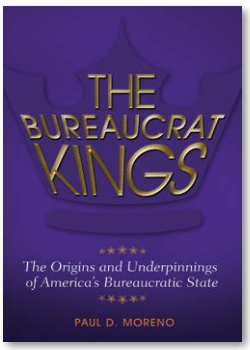
The Bureaucrat Kings

The Origins and Underpinnings of America's Bureaucratic State

PAUL D. MORENO



July 2016, 181pp, 6 1/8x9 1/4
Print: 978-1-4408-3966-5
$46.00, £29.00, €36.00
eBook: 978-1-4408-3967-2

Provocative in nature, this work looks critically at the bureaucratic infrastructure behind the U.S. federal government, from its origins as a self-governing republic in the 18th century to its modern presence as a centralized institution.

HIGHLIGHTS

- Suggests a number of improvements in the way our government runs based on the basic principles of good government
- Explains the sources of bureaucratic government—how we went from a limited, constitutional government to a sovereign state
- Discusses the economic, religious, and legal background of the growth of bureaucratic government
- Shows how the original Constitution contained the spread of bureaucracy for more than a century

PAUL D. MORENO is William and Berniece Grewcock Chair in Constitutional History at Hillsdale College.

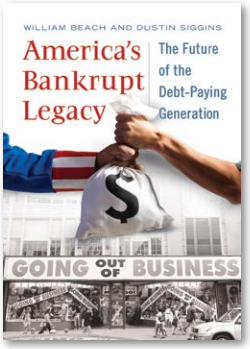
America's Bankrupt Legacy

The Future of the Debt-Paying Generation

WILLIAM BEACH AND DUSTIN SIGGINS



May 2016, 215pp, 6 1/8x9 1/4
Print: 978-1-4408-3170-6
$48.00, £30.00, €38.00
eBook: 978-1-4408-3171-3

As America's national debt continues to grow, politicians, the media, and others continue to understate its devastating impact on the American people. This book sets the record straight and informs readers why this may be the nation's most important issue in the 21st century.

HIGHLIGHTS

- Clearly explains the fiscal issue American citizens are facing, describes how the problem was created, and identifies the personal and policy solutions necessary to avert this bleak future
- Shows how the national debt is affecting more than just the job market and taxes, but will also result in young people receiving lower levels of education, retiring later (if at all), and having less to pass on to their children and grandchildren

WILLIAM BEACH is chief economist of the Senate Budget Committee.

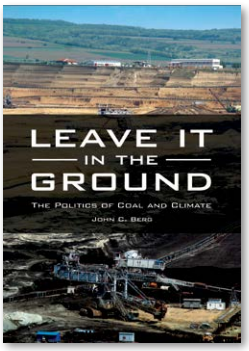
DUSTIN SIGGINS is a Tea Party activist and political blogger.

FORTHCOMING

Leave It in the Ground

The Politics of Coal and Climate

JOHN C. BERG



August 2016, 212pp, 6 1/8x9 1/4
Print: 978-1-4408-3914-6
$48.00, £30.00, €38.00
eBook: 978-1-4408-3915-3

Employing scientific explanations and hard data, this book shows why coal is such a problem, how the pro-coal forces got to be so powerful, and how those forces might be defeated through political activism.

HIGHLIGHTS

- Examines scientific data to provide a clear explanation—in layman's terms—of the relation of coal to climate change
- Illustrates how activism can lead to meaningful government policy change
- Provides non-expert readers with a clear understanding of the political issues surrounding coal mining and coal burning as well as the domestic and international politics of coal and climate
- Shows the interconnection of coal's role in labor exploitation, the environmental destruction of Appalachia and other coal areas, and the acceleration of climate change

JOHN C. BERG is professor of government and director of environmental studies at Suffolk University.

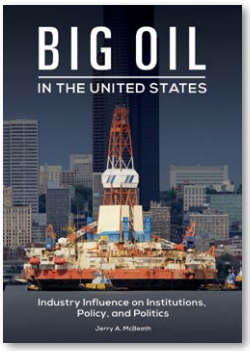
Big Oil in the United States

Industry Influence on Institutions, Policy, and Politics

JERRY A. MCBEATH



May 2016, 240pp, 6 1/8x9 1/4
Print: 978-1-4408-3742-5
$60.00, £38.00, €47.00
eBook: 978-1-4408-3743-2

This book explains how and why large oil-producing corporations have affected government institutions, energy policy, and politics in the United States—and suggests how their influence can be reduced.

HIGHLIGHTS

- Focuses on big oil's impact on U.S. government policy—regulatory, environmental, and fiscal—and analyzes big oil's political influence through campaign contributions and lobbying
- Proposes methods that could be employed to reduce big oil's influence over energy policy
- Presents current information relevant to university-level courses in energy politics, public policy, and state or local politics and policy as well as to practitioners such as government regulators, business persons, and NGO representatives

JERRY A. MCBEATH is professor of political science emeritus at the University of Alaska Fairbanks.

Spiro Agnew and the Rise of the Republican Right

JUSTIN P. COFFEY

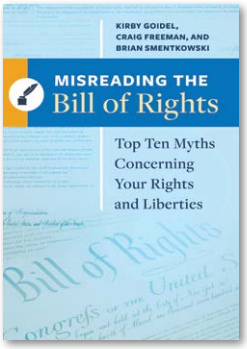
"Readable, engaging, and insightful, [this] is now the standard biography of Agnew and a noteworthy contribution to the history of the G.O.P."

—Dean J. Kotlowski, Professor of History, Salisbury University

October 2015
259pp, 6 1/8x9 1/4
Print: 978-1-4408-4141-5
$60.00, £38.00, €47.00
eBook: 978-1-4408-4142-2

The narrative of Spiro Agnew's rise and fall has never been fully told. This compelling book tells the story of one of the most controversial, high-level politicians of recent American history and explains the importance of Agnew's life and career.

JUSTIN P. COFFEY, PhD, is associate professor of history at Quincy University, Quincy, IL.



Misreading the Bill of Rights

Top Ten Myths Concerning Your Rights and Liberties

KIRBY GOIDEL, CRAIG FREEMAN, AND BRIAN SMENTKOWSKI

The Bill of Rights—the first 10 amendments to the U.S. Constitution—are widely misunderstood by many Americans. This book explores the widely held myths about the Bill of Rights, how these myths originated, why they have persisted, and the implications for contemporary politics and policy.

March 2015
243pp, 6 1/8x9 1/4
Print: 978-1-4408-3233-8
$48.00, £30.00, €38.00
eBook: 978-1-4408-3234-5

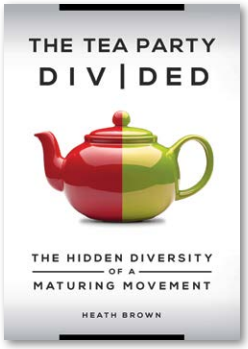
HIGHLIGHTS

- Carefully separates out widely held contemporary beliefs about the Bill of Rights and connects them to debates over meaning, enabling readers to see how the meaning of rights is historically and contextually determined

KIRBY GOIDEL is professor at Texas A&M University.

CRAIG FREEMAN is professor at Oklahoma State University.

BRIAN SMENTKOWSKI is associate director at Appalachian State University.



The Tea Party Divided

The Hidden Diversity of a Maturing Movement

HEATH BROWN

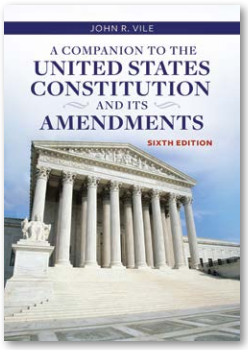
"[T]his book offers the most compelling account to date of the Tea Party as a diverse, ever-evolving movement, cloaked in conservative history and struggling to envision its own future."

—John Hudak, Fellow
Governance Studies
The Brookings Institution

August 2015
165pp, 6 1/8x9 1/4
Print: 978-1-4408-3644-2
$37.00, £24.00, €29.00
eBook: 978-1-4408-3645-9

Unlike previous books on the Tea Party, this work looks at the second phase of party growth to show that what was once considered a monolithic movement is truly a collection of different opinions.

HEATH BROWN, PhD, is assistant professor of public policy at John Jay College of Criminal Justice, City University of New York, New York, NY.



A Companion to the United States Constitution and Its Amendments

SIXTH EDITION
JOHN R. VILE

Now in its sixth edition with coverage of major Supreme Court decisions through the end of the 2013–2014 term, this book remains a key source for students, professors, and citizens seeking balanced, up-to-date information on the Constitution, its amendments, and how they have been interpreted.

Board Games

Straight Talk for New Directors and Good Governance

JOHN T. MONTFORD AND JOSEPH DANIEL McCOOL
FOREWORD BY HERB KELLEHER

Today's directors must be prepared to face a range of boardroom issues to avoid crises—and to hold on to their jobs.

Board Games: Straight Talk for New Directors and Good Governance is an essential resource for any current or aspiring board director. It identifies the issues directors are most likely to face in today's rapidly changing, potentially hazardous business environments, offering candid, well-informed insights that address emerging issues, potential conflicts, and real-board situations. Readers will learn how to be more effective, more informed, and more diligent directors committed to the shareholders' best interests—even if that mindset challenges the interests of current management.

This book shows new directors on any board how the current systems of financial reporting, regulatory compliance, and crisis management work, serving as a playbook that can help them serve the corporate good while protecting themselves—and do the right thing for shareholders, employees, customers, and communities they serve. The authors apply their extensive experience at the top of various corporations and nonprofit organizations to identify the behind-the-scenes, boardroom-culture issues that can trip up any director and demonstrate the critical importance of committing to the right governance, due diligence, and independent oversight.

HIGHLIGHTS

- Supplies frank advice and straight talk for current board directors and future directors that warn of the various kinds of troubling developments that can arise in and outside the boardroom
- Breaks down the core requirements, expectations, and commitments directors must make to protect shareholders based on the coauthors' deep and varied board and executive leadership experience
- Provides a roadmap for anyone who wants to serve on a board or advisory board—be it for a company, institution, not-for-profit, or government or community organization—or those who currently serve on boards but need guidance and advice
- Explains why most boards aren't more diverse and what today's directors can and should do to rectify this issue

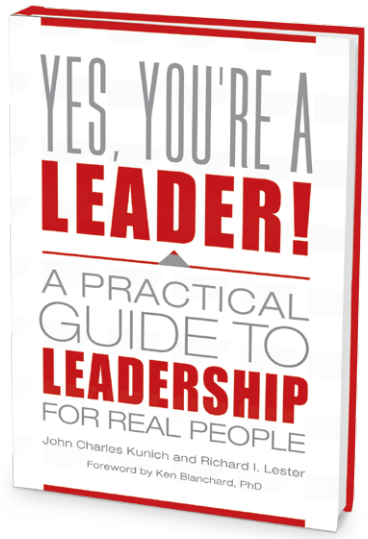
Yes, You're a Leader!

A Practical Guide to Leadership for Real People

JOHN CHARLES KUNICH AND RICHARD I. LESTER
FOREWORD BY KEN BLANCHARD, PHD

How can a leader make smart decisions when key variables are unclear or even unknowable at the time for choosing a path?



March 2016, 232pp, 6 1/8x9 1/4
Print: 978-1-4408-4483-6
$37.00, £24.00, €29.00
eBook: 978-1-4408-4484-3

Everyone in a leadership or management role wants a quick and effective solution to the most severe problems. This book enables even a novice to proactively work through the largest challenges. Rather than providing clichés or superficial advice, the authors leverage the most impactful examples of key elements of leadership in a practical way that readers can translate to their own situations, no matter if they are in charge of a for-profit, not-for-profit, educational, religious, family, or social organization. The questions for analysis in each chapter specifically guide readers as they apply the material to their own experiences and challenges, making the insights pragmatic, relevant, and immediately useful.

The book presents innovative tools and techniques, such as the use of Pascal's Wager to make momentous decisions despite gaps in relevant data and an uncertain future, as well as a way to reduce or eliminate the career-ending threat of any reader's most severe "Achilles' heel" vulnerabilities. The time management chapter supplies dozens of pragmatic ideas to do more in less time—and do it better; the chapter on "Quicksand Quadrants" enables any leader to quickly assess the optimal mix of approaches in any situation. It all adds up to an essential—and user-friendly—manual for every leader at every level.

HIGHLIGHTS

- Provides an analytical tool that helps leaders to identify the pros and cons of various options and steer clear of disastrous errors
- Reinvents mentoring and feedback for time-crunched leaders
- Illustrates the importance of becoming a mature leader in a millennial world
- Shows how to multiply creativity and agility in a hypercompetitive environment

SAMPLE TOPICS

- Adult Leadership for Millennials
- Crisis Leadership
- Healing Your Achilles' Heel
- Mentoring
- Surviving in a Hypercompetitive Environment

JOHN CHARLES KUNICH, JD, LLM, is Fulbright senior professor. He served as an active-duty officer in the United States Air Force for 20 years.

Lead Like a Guide

How World-Class Mountain Guides Inspire Us to Be Better Leaders

CHRISTOPHER I. MAXWELL, PHD; FOREWORD BY RODRIGO JORDAN, PHD, MT. EVEREST AND K2 EXPEDITION LEADER

This intriguing approach to business and personal success introduces six leadership strengths of world-class mountain guides: demonstrating social intelligence; adopting a flexible leadership style; empowering others; facilitating the development of trust; managing risk in an environment of uncertainty; and seeing the big picture. The premise? That these same strengths provide a valuable model in the workplace and other networks, whether one is already in a leadership position or aspiring to get there.

HIGHLIGHTS

- Teaches key leadership lessons gained from a decade spent traveling with world-class mountain guides and more than 200 top business school participants
- Shares insights drawn from challenging experiences that will be inspiring and meaningful to readers
- Includes contributions from participants who tell, in their own words, how they applied lessons-learned in organizations from American Express to McKinsey to Microsoft

Working with Millennials

Using Emotional Intelligence and Strategic Compassion to Motivate the Next Generation of Leaders

MARC ROBERTSON

Millennial-generation managers and employees—those ages 18–35—have transformed business in America. More than any previous generation, they don't conform to the traditional ways of doing things. Rather than passively taking orders, millennials thirst for engagement, expect to be part of a team, and need to be engaged in meaningful tasks. And they aren't as devoted to the corporation as much as they are to the product or service that's provided. This book guides readers—people in management positions or in any corporate setting—in embracing these key differences and nurturing their abilities to listen and empathize with coworkers, supervisors, and employees. Readers will also learn the best ways to encourage and motivate this unique generation in a way that is familiar to them and still serves to push them to work hard, improve, and grow.

HIGHLIGHTS

- Offers information that benefits both managers of millennial employees and millennials themselves
- Provides proven techniques for overcoming the issues confronting managers and leaders—strategies that have worked successfully in the real world

February 2016, 145pp, 6 1/8x9 1/4

CEO

Mastering the Corporate Pyramid

JOHN DECKER

CEO: Mastering the Corporate Pyramid shines a spotlight on what CEOs actually do, identifies the skills necessary to do the job, and explains how to develop these skills for anyone aspiring to the executive suite as well as those considering starting or buying a business. It supplies a unique and powerful roadmap for career success and increases the chances for an aspiring CEO to make it to the top and survive and thrive in the position.

HIGHLIGHTS

- Written by an author who has extensive experience advising senior executives and who has interviewed multiple CEOs for this book
- Offers a practical action plan and career suggestions based on real-world experience that will increase the likelihood that someone can reach a CEO-level position
- Presents a unique, clear, and comprehensive picture and model of the CEO position that aspiring executives can use to quickly evaluate whether their aspirations are realistic or not
- Provides fascinating insights on what CEOs actually do—valuable information for anyone who has to deal with CEOs in their work environment or is simply curious about what the role of CEO entails

Navigating an Organizational Crisis

When Leadership Matters Most

HARRY HUTSON AND MARTHA JOHNSON

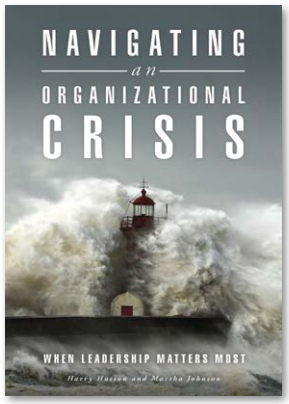
"A must read for a fast moving and volatile world."

—John Kim, President, New York Life

"Should be required for leadership development curricula. Hutson and Johnson reach deeply into both what to do and how to be when faced with a crisis in our complex and dangerous world."

—Sharon Benjamin, PhD, Adjunct Professor, NYU

Most leaders are steeped in risk management, crisis response tactics, readiness for disaster, continuity-of-operations planning, and logistical and agility capabilities. These preparations are critical but not complete. The reality is that even experienced leaders themselves need guidance when it comes to managing a crisis. This standout book fills that need, drawing on interviews with successful leaders; research findings on trauma, neuroscience, and crisis management; and the authors' own extensive career experiences. The chapters suggest and probe ideas from various angles rather than promoting simplistic formulas or nostrums that are unlikely to apply to all circumstances and present new angles on self-awareness and management under pressure for the practitioner.



January 2016, 159pp, 6 1/8x9 1/4

The Disposable Visionary

A Survival Guide for Change Agents

BILL JEROME AND CURTIS POWELL

"[These] enjoyable yet practical insights will encourage corporate visionaries at all levels to stay the course and give others a passion for their cause."

—David Neeleman, CEO, Azul Brazilian Airlines

Written with wit and filled with poignant insights and well-documented examples, this book provides practical advice and encouragement to those who are driven to promote new ideas and reach new levels of achievement. Not just for executive-level corporate leaders frustrated by their company's resistance to change, the information and inspiration presented will be enlightening to anyone who has ever been puzzled or annoyed by obstructive internal politics at work.

HIGHLIGHTS

- Helps visionaries to identify their character traits, both positive and negative, and gives them direction on how to hang on to their idealism while more clearly perceiving how their actions affect others in the organization, including their managers, corporate leadership, or board of directors
- Describes a previously undocumented yet common dynamic that has frustrated many ambitious employees, told from the visionary's own viewpoint

Entrepreneurial Leadership

A Practical Guide to Generating New Business

ANGELO MASTRANGELO

"This books combines the best of personal and professional development in an effective but surprisingly easy to implement model. Readers will find powerful tools to help them create new opportunities and maximize their leadership skills."

—Jeff Hoffman, Cofounder, Priceline.com

Entrepreneurial leaders are in need of a practical compass, and this book gives them just that. Combining principles of leadership and entrepreneurship, the guide covers basic concepts and pertinent issues for leaders at all levels and does so in a manner that is at once lively, relevant, and entertaining. Drawing on the best thinking from both business and academia, the book irrefutably demonstrates the connection between skilled leadership and organizational effectiveness and performance.

HIGHLIGHTS

- Suggests easy-to-follow principles for entrepreneurial leaders in all kinds of organizations based on the author's 40+ years of success leading enterprises in the business and nonprofit worlds
- Combines principles of entrepreneurship and leadership into two groundbreaking models

eBook: 978-1-4408-0326-0

R. DOUGLAS HURT, PhD, is professor and head of the Department of History at Purdue University.

NEW

Food and Agriculture during the Civil War

R. DOUGLAS HURT

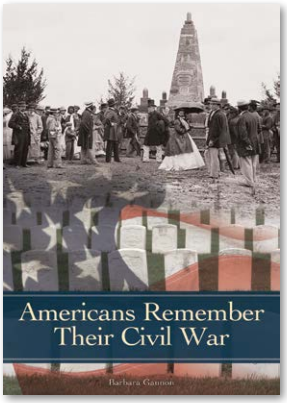
"Deeply researched in a wealth of primary-source materials, incorporating the vast scholarly literature of recent decades, and written in refreshingly clear, accessible prose, this important volume will be of interest to specialists and general readers alike."

—John C. Rodrigue, Lawrence and Theresa Salameno Professor, Stonehill College

The Civil War revolutionized the agricultural labor system in the South, and it had dramatic effects on farm labor in the North relating to technology. Agriculture also was an element of power for both sides during the Civil War—one that is often overlooked in traditional studies of the conflict. R. Douglas Hurt argues that Southerners viewed the agricultural productivity of their region as an element of power that would enable them to win the war, while Northern farmers considered their productivity not only an economic benefit to the Union and enhancement of their personal fortunes but also an advantage that would help bring the South back into the Union.

HIGHLIGHTS

- Provides a succinct survey of agriculture in the North and South directly relating to the Civil War that considers the expansion of Northern agriculture and the demise of Southern agriculture and the effects of each development on the war



September 2016, 220pp, 6 1/8x9 1/4
Print: 978-0-275-98572-1
$48.00, £30.00, €38.00
eBook: 978-0-313-04900-2

BARBARA GANNON is assistant professor of history, University of Central Florida, Orlando, FL. She is the author of *The Won Cause: Black and White Comradeship in the Grand Army of the Republic.*

FORTHCOMING

Americans Remember Their Civil War

BARBARA GANNON

This book describes the different ways in which Americans have publicly remembered their Civil War, from the immediate postwar era to the early 21st century. Each chapter covers a specific historical period. Within each chapter, the author highlights important individuals, groups, and social factors, helping readers to understand the process of memory. The author further notes the conflicting tensions between disparate groups as they sought to commemorate "their" war. An epilogue examines the present-day memory of the war and current debates and controversies.

HIGHLIGHTS

- Presents events related to the commemoration of public memory of the Civil War chronologically, from 1865 to the present
- Illustrated with photographs of monuments, individuals, and events related to commemoration activities, as well as selected political cartoons related to Civil War memory from popular publications
- Bibliography includes both primary and secondary sources on the subject of Civil War memory
- Provides readers with a broad overview of an extremely popular topic in Civil War history in an easy-to-read, narrative form
- Summarizes the most recent scholarship on the subject into one volume

$60.00, £38.00, €47.00
eBook: 978-1-4408-3705-0

This book examines how presidents from Nixon to Obama have faced the challenges of global leadership in a dramatically changing world—one with more limited resources and an increasing number of threatening challengers.

HIGHLIGHTS

- Examines what challenges future U.S. presidents will have to deal with in our globalized world
- Addresses the important question of what role can and should the United States play in the international arena

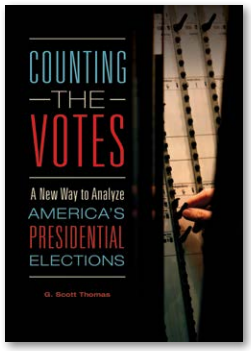
MICHAEL A. GENOVESE, PhD, holds the Loyola Chair of Leadership Studies, is professor of political science, and is director of the Institute for Leadership Studies at Loyola Marymount University.

TODD L. BELT, PhD, is professor of political science at the University of Hawai'i at Hilo.

Counting the Votes

A New Way to Analyze America's Presidential Elections

G. SCOTT THOMAS



August 2015, 496pp, 6 1/8x9 1/4
Print: 978-1-4408-3882-8
$58.00, £37.00, €46.00
eBook: 978-1-4408-3883-5

"Balanced and informative, it has something to teach even the foremost experts. Destined to become a standard reference."

—David Pietrusza, Author of *1920: The Year of the Six Presidents*

This easy-to-use handbook presents a fascinating and fresh take on American presidential elections and makes a wide range of statistics available to serious researchers and political fanatics alike.

HIGHLIGHTS

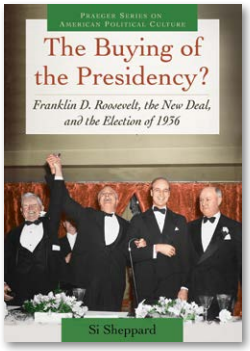
- Includes a "Record Book of Presidential Politics" that spotlights the best and worst performances by presidential candidates highlighted in 179 statistical rankings, identifying which nominee was the youngest, came from the smallest state, and won by the smallest margin of popular votes
- Written by an accomplished journalist with more than three decades of experience and who has authored four books focused on national politics

G. SCOTT THOMAS has been a journalist for 35 years, specializing in stories about business and demographics.

The Buying of the Presidency?

Franklin D. Roosevelt, the New Deal, and the Election of 1936

SI SHEPPARD



October 2014, 302pp, 6 1/8x9 1/4
Print: 978-1-4408-3105-8
$48.00, £30.00, €38.00
eBook: 978-1-4408-3106-5

"[T]his splendid study vividly recaptures the apocalyptic political discourse of that campaign, a discourse which still resonates in today's polarized politics."

—Tony Badger, Paul Mellon Professor of American History Cambridge University

This groundbreaking work tells the true story behind Franklin D. Roosevelt's 1936 reelection, drawing upon never-before-published personal files to expose a nexus of patronage and power that changed America forever.

HIGHLIGHTS

- Presents the first published study dedicated explicitly to the presidential election of 1936

SI SHEPPARD, PhD, is professor of political science at Long Island University, Brooklyn, NY.

Zebulon Pike

Thomas Jefferson's Agent for Empire

GEORGE R. MATTHEWS

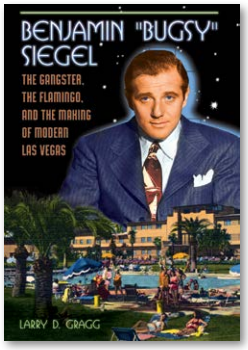
"Reconstructs Pike's southwestern excursion to Santa Fe, revealing how Pike aided James Wilkinson's nefarious schemes and expanded Jefferson's 'Empire of Liberty.'"

—Jay H. Buckley
Coauthor of *Zebulon Pike, Thomas Jefferson, and the Opening of the American West*

March 2016
178pp, 6 1/8x9 1/4
Print: 978-1-4408-4431-7
$37.00, £24.00, €29.00
eBook: 978-1-4408-4432-4

Through careful examination of primary documents, this book reveals that the true purpose of Zebulon Pike's western expedition in 1806–1807 was not innocent exploration of the West but an espionage mission in preparation for an American invasion of New Mexico.

GEORGE R. MATTHEWS is a historian who has received the Charles Redd Center for Western Studies Research Grant and twice been awarded the Historical Society of New Mexico and Office of the State Historian Research Fellowship.



Benjamin "Bugsy" Siegel

The Gangster, the Flamingo, and the Making of Modern Las Vegas

LARRY D. GRAGG

"Gragg also provides an in-depth examination of Siegel. . . . Unlike previous biographies, Gragg's book is the first to use more than 2,400 pages of FBI files on Siegel."

—Missouri S&T

January 2015
200pp, 6 1/8x9 1/4
Print: 978-1-4408-0185-3
$48.00, £30.00, €38.00
eBook: 978-1-4408-0186-0

This intriguing biography recounts the life of the legendary Benjamin "Bugsy" Siegel, revealing his true role in the development of Las Vegas and debunking some of the common myths about his notoriety.

LARRY D. GRAGG, PhD, is curators' teaching professor of history at the Missouri University of Science and Technology.

Solomon Northup's Kindred

The Kidnapping of Free Citizens before the Civil War

DAVID FISKE

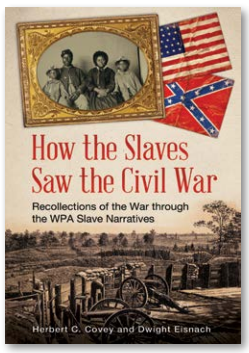
"[A]n indispensable, impeccably researched guide that lays bare the human costs of an antebellum economy that incentivized the greedy and conniving to violatethe porous boundaries between law and profit, liberty and chains."

—Dr. Kevin M. Burke
The Hutchins Center for African & African American Research at Harvard University

January 2016
185pp, 6 1/8x9 1/4
Print: 978-1-4408-3664-0
$37.00, £24.00, €29.00
eBook: 978-1-4408-3665-7

Kidnapping was a lucrative crime in antebellum America, and many American citizens—especially free blacks—were abducted for profit. This book reveals the untold stories of the captured.

DAVID FISKE, MLS, is a librarian and researcher with extensive experience in African American history.



How the Slaves Saw the Civil War

Recollections of the War through the WPA Slave Narratives

HERBERT C. COVEY AND DWIGHT EISNACH

"By using the WPA ex-slave narratives to document how slaves experienced the Civil War, Covey and Eisnach fill a major historiographical void."

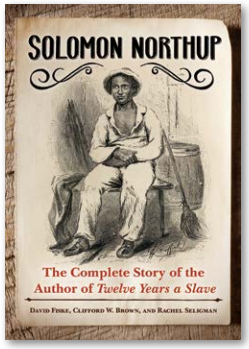
—John David Smith, Professor of American History, University of North Carolina at Charlotte

January 2014
270pp, 6 1/8x9 1/4
Print: 978-1-4408-2823-2
$48.00, £30.00, €38.00
eBook: 978-1-4408-2824-9

Drawing from narratives of former slaves to provide accurate and poignant insights, this book presents descriptions in the former slaves' own words about their lives before, during, and following the Civil War.

HERBERT C. COVEY, PhD, is deputy director of human services for Adams County, Colorado.

DWIGHT A. EISNACH is an independent scholar, writer, and editor.



Solomon Northup

The Complete Story of the Author of *Twelve Years a Slave*

DAVID FISKE, CLIFFORD W. BROWN, AND RACHEL SELIGMAN

"The best available text on Northup's life and obscure death."

—*Los Angeles Review of Books*

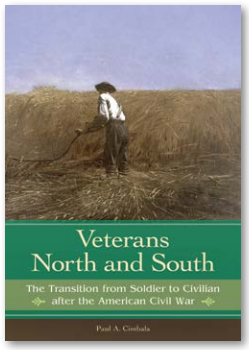
August 2013
225pp, 6 1/8x9 1/4
Print: 978-1-4408-2974-1
$48.00, £30.00, €38.00
eBook: 978-1-4408-2975-8

A companion to the classic African-American autobiographical narrative, *Twelve Years A Slave*, this work presents fascinating new information about the 1841 kidnapping, 1853 rescue, and pre- and post-slavery life of Solomon Northup.

DAVID FISKE, MLS, is a librarian and researcher.

CLIFFORD W. BROWN, PhD, is Robert Porter Patterson Professor of Government at Union College.

RACHEL SELIGMAN, MFA, is Assistant Director for Curatorial Affairs at the Frances Young Tang Teaching Museum and Art Gallery at Skidmore College.



Veterans North and South

The Transition from Soldier to Civilian after the American Civil War

PAUL A. CIMBALA

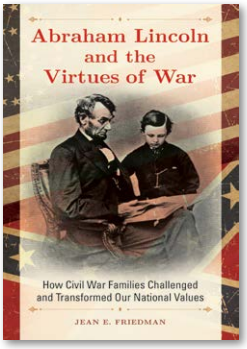
"A compelling read, full of fresh insights and sophisticated analysis at every turn."

—John C. Inscoe
Albert B. Saye Professor of History
University of Georgia

July 2015
189pp, 6 1/8x9 1/4
Print: 978-0-275-98467-0
$37.00, £24.00, €29.00
eBook: 978-0-313-03821-1

Based largely on Civil War veterans' own words, this book documents how many of these men survived the extraordinary horrors and hardships of war with surprising resilience and went on to become productive members of their communities in their post-war lives.

PAUL A. CIMBALA, PhD, is professor of history at Fordham University, Bronx, NY.



Abraham Lincoln and the Virtues of War

How Civil War Families Challenged and Transformed Our National Values

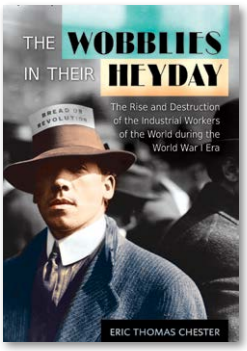
JEAN E. FRIEDMAN

July 2015
186pp, 6 1/8x9 1/4
Print: 978-1-4408-3361-8
$38.00, £24.00, €30.00
eBook: 978-1-4408-3362-5

> "Friedman's insights are novel and brilliant. [She] offers an exciting new dimension to the study of the American Civil War."
>
> —Emory M. Thomas, Regents Professor Emeritus, University of Georgia

This study introduces a new perspective on Lincoln and the Civil War through an examination of his declaration of our national values and the subsequent interpretation of those values by families during the war.

JEAN E. FRIEDMAN, PhD, is associate professor emerita of history at the University of Georgia, Athens.



The Wobblies in Their Heyday

The Rise and Destruction of the Industrial Workers of the World during the World War I Era

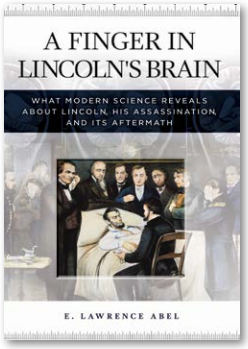
ERIC THOMAS CHESTER

August 2014
316pp, 6 1/8x9 1/4
Print: 978-1-4408-3301-4
$58.00, £37.00, €46.00
eBook: 978-1-4408-3302-1

> "[T]he book's balanced judgments will inform all readers interested in social protest movements. Recommended."
>
> —*Choice*

During World War I, the Industrial Workers of the World (IWW) rose to prominence as an effective, militant union and then was destroyed by a devastating campaign of repression launched by the federal government. This book documents the rise and fall of this important industrial labor organization.

ERIC THOMAS CHESTER, PhD, taught economics at the University of Massachusetts-Boston. He holds a doctorate from the University of Michigan-Ann Arbor.



A Finger in Lincoln's Brain

What Modern Science Reveals about Lincoln, His Assassination, and Its Aftermath

E. LAWRENCE ABEL

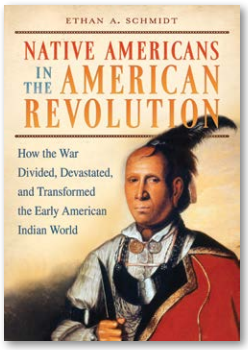
January 2015
269pp, 6 1/8x9 1/4
Print: 978-1-4408-3118-8
$48.00, £30.00, €38.00
eBook: 978-1-4408-3119-5

This intriguing book examines Lincoln's assassination from a behavioral and medical sciences perspective, providing new insights into everything from ballistics and forensics to the medical intervention to save his life, the autopsy results, his compromised embalming, and the final odyssey of his bodily remains.

HIGHLIGHTS

- Challenges the long-standing account of Lincoln's last hours and examines the debate about whether his doctor prolonged or shortened his life

E. LAWRENCE ABEL, PhD, is distinguished faculty professor of psychology and professor of obstetrics and gynecology at Wayne State University.



Native Americans in the American Revolution

How the War Divided, Devastated, and Transformed the Early American Indian World

ETHAN A. SCHMIDT

May 2014
225pp, 6 1/8x9 1/4
Print: 978-0-313-35931-6
$48.00, £30.00, €38.00
eBook: 978-0-313-35932-3

> "[A] much needed and excellent contribution that expands our understanding of the American Republic's founding."
>
> —Paul Kelton, Associate Professor of History, University of Kansas

This valuable book provides a succinct, readable account of an oft-neglected topic in the historiography of the American Revolution: the role of Native Americans in the Revolution's outbreak, progress, and conclusion.

ETHAN A. SCHMIDT, PhD, is assistant professor of history at Delta State University in Cleveland, MS.

Gerontology

Changes, Challenges, and Solutions

2 VOLUMES | MADONNA HARRINGTON MEYER AND ELIZABETH A. DANIELE, EDITORS

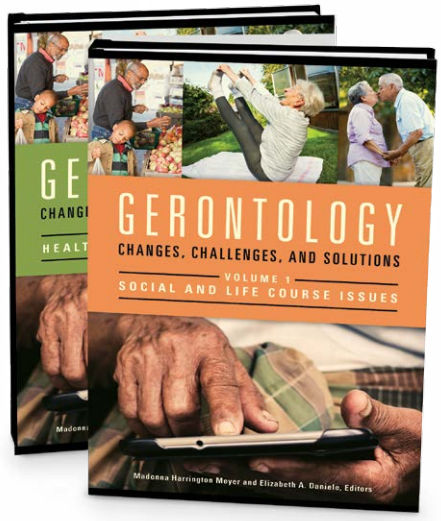
By 2030, there will be 70 million Americans age 65 and older, comprising 20% of the U.S. population.

The people who make up the rapidly growing population of Americans over age 65 are changing, and as a result, our nation will change. This shift presents new issues, controversies, and challenges that affect health, wellness, welfare, retirement, politics, and economics. This two-volume work examines where we are and where we are headed, paying careful attention to the differential impacts of gender, race, class, marital status, and other social variables. It considers key changes in demographics, old-age policies, families, work, and death and dying.

Volume one covers an array of demographic issues, policies, and politics, highlighting how factors such as gender and race shape families, income, retirement, immigrants, and veterans across the life course. The second volume covers education, religion, volunteering, exercise, nutrition, and health care policies across the life course. Topics addressed include the old-age welfare state, the extension of retirement age, home care care work, nursing home care, end of life planning, and euthanasia.

HIGHLIGHTS

- Provides an up-to-date, multidisciplinary, and forward-thinking look at the key areas and issues in gerontology
- Highlights links between topics and relevant demographic, social, economic, and health trends with implications for immediate and long-range work in aging
- Includes contributions from experts in the fields of sociology, psychology, medicine, education, politics, and government
- Identifies the key changes, challenges, and solutions in each subfield
- Includes an appendix containing lists of descriptions and contact information for aging organizations as well as an annotated list of documentaries about aging



April 2016, 646pp, 6 1/8x9 1/4
Print: 978-1-4408-3426-4
$131.00, £82.00, €103.00
eBook: 978-1-4408-3427-1

SAMPLE TOPICS

- Ageism
- Demographic Trends
- Elder Abuse
- Exercise and Nutrition
- Grandparenting
- Immigrants
- Old Age Welfare States
- Poverty and Income
- Theories of Aging and the Life Course

MADONNA HARRINGTON MEYER, PhD, is professor and chair of sociology at Syracuse University, Syracuse, NY.

ELIZABETH A. DANIELE, MS, is a doctoral student and fellow in sociology at Syracuse University as well as coeditor of *Student Involvement and Academic Outcomes: Implications for Diverse Student Populations*.

In the Hands of Doctors

Touch and Trust in Medical Care

PAUL E. STEPANSKY

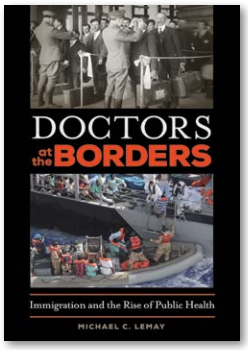
Written by a highly respected medical historian, this book examines how and why medical caring—including the role of touch and procedure in caregiving—has evolved in recent decades and how these changes have affected doctor-patient trust as well as patient health and the "health" of the current medical system.

May 2016
274pp, 6 1/8x9 1/4
Print: 978-1-4408-5077-6
$48.00, £30.00, €38.00
eBook: 978-1-4408-5078-3

HIGHLIGHTS

- Explains and illustrates how medical caring—comprising empathy, compassion, therapeutic touch, and procedural interventions—has fallen away with managed care and overreliance on technology

PAUL E. STEPANSKY, PhD, is a Yale-trained historian and a research faculty member at Weill Medical College of Cornell University.



Doctors at the Borders

Immigration and the Rise of Public Health

MICHAEL C. LEMAY

"In this era of globalization and severe public health threats and challenges, Dr. Michael LeMay raises an extremely timely issue: how to accommodate large-scale migration."

—Donald Kerwin
Executive Director, Center for Migration Studies of New York

July 2015
261pp, 6 1/8x9 1/4
Print: 978-1-4408-4024-1
$60.00, £38.00, €47.00
eBook: 978-1-4408-4025-8

A unique resource for the general public and students interested in immigration and public health, this book presents a comprehensive history of public health and draws 10 key lessons for current immigration and health policymakers.

MICHAEL C. LEMAY, PhD, is professor emeritus of political science at California State University-San Bernardino (CSUSB), CA.

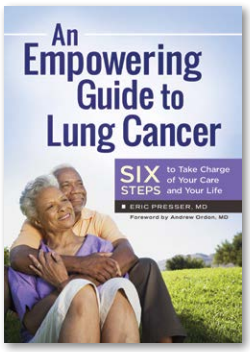
An Empowering Guide to Lung Cancer

Six Steps to Take Charge of Your Care and Your Life

ERIC PRESSER, MD
FOREWORD BY ANDREW ORDON, MD



March 2016, 160pp, 6 1/8x9 1/4
Print: 978-1-4408-4101-9
$37.00, £24.00, €29.00
eBook: 978-1-4408-4102-6

Dispelling the commonly held belief that lung cancer is always self-inflicted, this book guides patients, their loved ones, and caregivers through diagnosis, acceptance, and treatment, and provides support and hope to the tens of thousands of people coping with this illness.

HIGHLIGHTS

- Provides a crucial reference that helps patients, caregivers, and loved ones educate themselves and obtain the best possible treatments
- Discusses customized chemotherapy; treatment options for early-stage lung cancer, including minimally invasive surgery techniques pioneered by author Dr. Eric Presser; and today's most promising treatments, including multimodality therapy

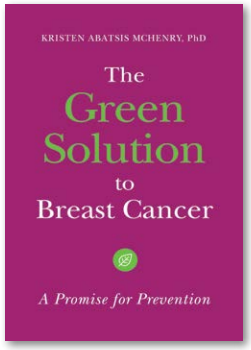
ERIC PRESSER, MD, is an attending thoracic surgeon at Premier Surgical Associates in Palm Springs, CA, and an associate professor at the University of California, Riverside, School of Medicine.

NEW

The Green Solution to Breast Cancer

A Promise for Prevention

KRISTEN ABATSIS MCHENRY, PHD



September 2015, 181pp, 6 1/8x9 1/4
Print: 978-1-4408-4034-0
$37.00, £24.00, €29.00
eBook: 978-1-4408-4035-7

This unique, research-based investigation of the U.S. breast cancer movement compares the "pink" and "green" efforts within the movement and documents their use of similar citizen-science alliances, despite the contention over the use of consumer-based activism and pink products.

HIGHLIGHTS

- Examines research findings that suggest that the pink and green aspects of the breast cancer movement are no longer separate but in fact are converging towards a focus on environmental prevention
- Provides an in-depth examination of advocacy organizations and the ways in which an organization's structure and ideology shape its agenda and strategies

KRISTEN ABATSIS MCHENRY, PhD, is a faculty member at the University of Massachusetts Dartmouth in the Women's and Gender Studies Department.

Global Perspectives on Cancer

Incidence, Care, and Experience

2 VOLUMES
KENNETH D. MILLER, MD, AND MIKLOS SIMON, MD, EDITORS

Peyote

History, Tradition, Politics, and Conservation

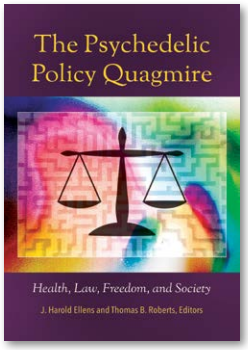
BEATRIZ CAIUBY LABATE AND CLANCY CAVNAR, EDITORS

January 2016
313pp, 6 1/8x9 1/4
Print: 978-1-4408-3400-4
$60.00, £38.00, €47.00
eBook: 978-1-4408-3401-1

This book explains the role that peyote—a hallucinogenic cactus—plays in the religious and spiritual fulfillment of certain peoples in the United States and Mexico, and examines pressing issues concerning the regulation and conservation of peyote as well as issues of indigenous and religious rights.

BEATRIZ CAIUBY LABATE, PhD, is professor at the Center for Research and Post Graduate Studies in Social Anthropology (CIESAS), in Guadalajara, Mexico.

CLANCY CAVNAR, PsyD, is a research associate of the Nucleus for Interdisciplinary Studies of Psychoactives (NEIP) and a clinical psychologist in San Francisco, CA.



The Psychedelic Policy Quagmire

Health, Law, Freedom, and Society

J. HAROLD ELLENS AND THOMAS B. ROBERTS, EDITORS

August 2015
423pp, 6 1/8x9 1/4
Print: 978-1-4408-3970-2
$73.00, £46.00, €58.00
eBook: 978-1-4408-3971-9

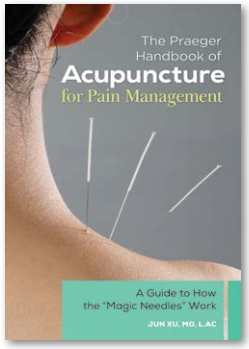
"It is now time to sweep away the cobwebs and reconsider how psychedelic drugs can be widely employed for the benefit of mankind. This excellent volume provides cogent arguments as to why a review of the situation is urgently required."

—Richard J Miller
Professor, Northwestern University Medical School

Edited by two preeminent scholars, this book provides coverage of the policy issues related to the increasingly diverse treatments, practices, and applications of psychedelics.

J. HAROLD ELLENS, PhD, PhD, has held 15 pastorates, military and civilian, and taught full-time at Oakland University.

THOMAS B. ROBERTS, PhD, is an emeritus professor of educational psychology at Northern Illinois University.



The Praeger Handbook of Acupuncture for Pain Management

A Guide to How the "Magic Needles" Work

JUN XU, MD, L.AC

This unique text examines 30 specific pain management case studies to explain pain treatments from the perspectives of Eastern acupuncture and traditional Chinese medicine as well as that of Western medical practice.

October 2014
312pp, 6 1/8x9 1/4
Print: 978-0-313-39701-1

Family Psychology

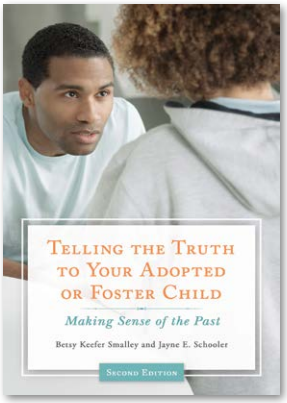
Theory, Research, and Practice

JOHN W. THOBURN AND THOMAS L. SEXTON

Family Psychology: Theory, Research, and Practice is the definitive introductory text on family psychology, a fast-growing specialty and increasingly dominant voice for the field in the 21st century. Authors John W. Thoburn, PhD, ABPP, and Tom Sexton, PhD, ABPP, have created the first introductory book focused on this specialty, laying the groundwork that students as well as developing therapists can use to understand the basics of family psychology.

HIGHLIGHTS

- Supplies a comprehensive treatise on the value of family psychology to the field of psychology as a whole
- Provides a historical overview of family psychology and makes the important differentiation between family psychology and marriage and family therapy
- Examines the relationship between research and practice, cure and care, and the science and art of family psychology
- Documents how family psychology strives to view persons in context of their situation and the relationships within the family



September 2015, 288pp, 6 1/8x9 1/4

NEW

Telling the Truth to Your Adopted or Foster Child

Making Sense of the Past

Second Edition | BETSY KEEFER SMALLEY AND JAYNE E. SCHOOLER

This revised and significantly expanded edition of the award-winning *Telling the Truth to Your Adopted or Foster Child* equips parents with the knowledge and tools they need to communicate with their adopted or foster child about their past. Revisions include coverage of significant new research and information regarding the importance of understanding the child's trauma history to his or her well-being and successful adjustment in his foster or adoptive family.

HIGHLIGHTS

- Presents age-appropriate, specific guidelines that make an intimidating and potentially uncomfortable task straightforward, organized, and manageable
- Serves to remove the fear of how to make sense of the past for foster and adopted children of all ages, allowing parents, teachers, counselors, and other caregivers to have open, honest, and beneficial dialogues with children and teens with tough pasts
- Explains how children's development is impacted by separation from their birth families and identifies the issues generated by the trauma occurring before, during, and after the separation

Diversity in Couple and Family Therapy

Ethnicities, Sexualities, and Socioeconomics

SHALONDA KELLY, PHD, EDITOR

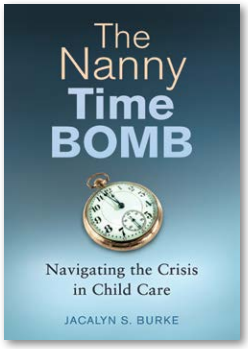
This unprecedented volume provides a primer on diverse couples and families—one of the most numerous and fastest-growing subgroups in the United States—illustrating the unique challenges they face to thrive in various cultural and social surroundings.

July 2016
410pp, 6 1/8x9 1/4
Print: 978-1-4408-3363-2
$73.00, £46.00, €58.00
eBook: 978-1-4408-3364-9

HIGHLIGHTS

- Offers the first examination of the subject that includes attention to diverse families and the challenges they face
- Includes case vignettes of couples and families of varying racial/ethnic, socioeconomic, religious/spiritual, and sexual orientations

SHALONDA KELLY, PhD, is clinical psychologist and associate professor at Rutgers University.



NEW

The Nanny Time Bomb

Navigating the Crisis in Child Care

JACALYN S. BURKE

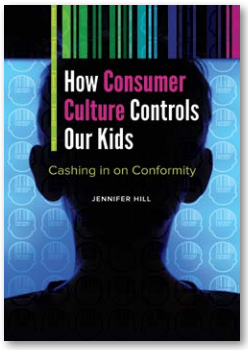
From your baby's perspective, choosing the right nanny is probably the most important decision a parent can ever make: this book is about making the best possible choice.

December 2015
200pp, 6 1/8x9 1/4
Print: 978-1-4408-3521-6
$37.00, £24.00, €29.00
eBook: 978-1-4408-3522-3

HIGHLIGHTS

- Contains explosive new information about the childcare industry
- Analyzes the roles that race, immigration, gender, class, and culture play in childcare practice

JACALYN S. BURKE is founder and owner of *Baby Does NYC*, a blog focused on events, products, and services for parents of 0–24 month-old children.



NEW

How Consumer Culture Controls Our Kids

Cashing in on Conformity

JENNIFER HILL

This gripping book considers the history, techniques, and goals of child-targeted consumer campaigns and examines children's changing perceptions of what commodities they "need" to be valued and value themselves.

November 2015
274pp, 6 1/8x9 1/4

Childhood and Adolescence

Cross-Cultural Perspectives and Applications

Second Edition | UWE P. GIELEN AND JAIPAUL L. ROOPNARINE, EDITORS

Traditionally, research on child and adolescent development has focused on American youth, inadvertently neglecting 96 percent of the world's children. This all-encompassing volume introduces global perspectives on young people across the globe, focusing on such topics as parenting and childcare, gender roles, violence against girls, adolescence in poor and rich countries, and developmental psychopathology across cultures. Recently updated, the second edition includes the latest findings in the field, additional content, and new photos and charts.

HIGHLIGHTS

- Includes compelling but often neglected topics, such as children and teens in war-torn countries
- Contains the most recent and detailed research on the topic, written in accessible, nontechnical language
- Integrates psychological and anthropological perspectives
- Features research conducted across the globe, from remote locations through first-world countries

Parenting in Transracial Adoption

Real Questions and Real Answers

JANE HOYT-OLIVER, HOPE HASLAM STRAUGHAN, AND JAYNE E. SCHOOLER

Anchored in a qualitative study of parents who have adopted children identified as being of a different race, this book draws from real-life experiences to raise and respond to questions that arise before, during, and after transracial adoption. Its goal: to help adoptive parents (and child welfare professionals) understand the underlying racial challenges in a transracial adoption so they can help their children cope. A highlight of this book is a chapter written by three adult adoptees who grew up within transracial families.

JANE HOYT-OLIVER, LISW-Sup. PhD, ACSW, is chair at Malone University in Canton, OH.

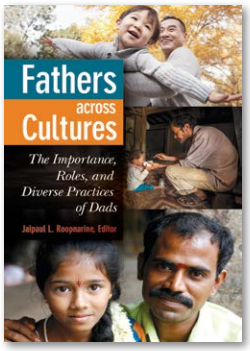
HOPE HASLAM STRAUGHAN, MSW, PhD, ACSW, is associate dean at Wheelock College in Boston.

JAYNE E. SCHOOLER, MBS, has worked for many years as an adoption worker and trainer.

Fathers across Cultures

The Importance, Roles, and Diverse Practices of Dads

JAIPAUL L. ROOPNARINE, EDITOR



August 2015, 451pp, 6 1/8x9 1/4
Print: 978-1-4408-3231-4
$73.00, £46.00, €58.00
eBook: 978-1-4408-3232-1

This volume offers a comprehensive, up-to-date synopsis of fathering and father-child relationships in diverse regions of the world, helping students and practitioners alike understand cultural variations in male parenting.

HIGHLIGHTS

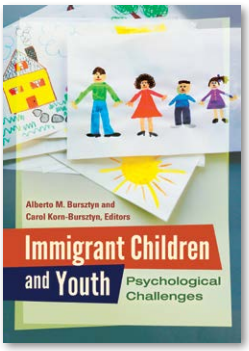
- Explores variations in father-child relationships across a wide range of cultural settings
- Enhances understanding of the increasing role of men in fostering the well-being of children
- Calls attention to the importance of the diverse roles of fathers in a changing global community
- Examines the changing dynamic of parenting vis-à-vis gender roles
- Approaches the study of fathering from diverse disciplinary perspectives, including sociology, anthropology, psychology, human development and family studies, and early childhood development

JAIPAUL L. ROOPNARINE, PhD, is Jack Reilly Professor of Child and Family Studies at Syracuse University.

Immigrant Children and Youth

Psychological Challenges

ALBERTO M. BURSZTYN AND CAROL KORN-BURSZTYN, EDITORS



July 2015, 216pp, 6 1/8x9 1/4
Print: 978-1-4408-0315-4
$48.00, £30.00, €38.00
eBook: 978-1-4408-0316-1

Immigrants now comprise one-fourth of the 75 million children in the United States. The ability of today's immigrant children to become productively engaged adults hinges on their internal resources and mental health. This book ascertains their psychological challenges and their often misunderstood needs.

HIGHLIGHTS

- Provides an accessible and well-informed overview of the mental health needs of immigrant children and youths that identifies the multitude of issues and challenges that put immigrant children at high risk for emotional strain
- Includes emergent areas of psychological study in immigrant populations, such as transnational families, undocumented status, childhood disabilities, and depression

ALBERTO M. BURSZTYN, PhD, is professor of school psychology at Brooklyn College, NY.

CAROL KORN-BURSZTYN, PsyD, is a psychologist and psychoanalyst, and professor of school psychology at Brooklyn College, NY.

The Psychology of Black Boys and Adolescents

2 VOLUMES

KIRKLAND C. VAUGHANS AND WARREN SPIELBERG, EDITORS

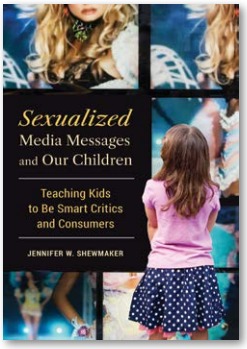
June 2014, 615pp, 6 1/8x9 1/4
Print: 978-0-313-38198-0
$110.00, £69.00, €86.00
eBook: 978-0-313-38199-7

> *The Psychology of Black Boys & Adolescents* is destined to become the essential central volume, encompassing the greatest minds on the subject of black young males in America today.
>
> —William S. Pollack, PhD, ABPP
> Associate Clinical Professor
> Department of Psychiatry
> Harvard Medical School

Drawing on personal insights and research-based knowledge, this important work facilitates understanding of the psychological struggles of young African American males and offers ameliorative strategies.

KIRKLAND C. VAUGHANS, PhD, is a licensed psychologist and psychoanalyst.

WARREN SPIELBERG, PhD, Fulbright Scholar, is a psychologist, psychoanalyst, and member of the faculty at the New School for Public Engagement.



Sexualized Media Messages and Our Children

Teaching Kids to Be Smart Critics and Consumers

JENNIFER W. SHEWMAKER

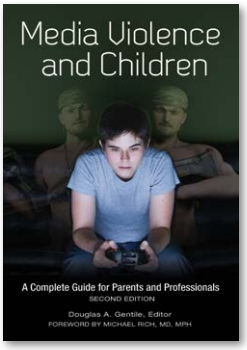
"The book is clearly written, and the chapters are well referenced with research literature in the field. Recommended."

—*Choice*

February 2015
182pp, 6 1/8x9 1/4
Print: 978-1-4408-3333-5
$37.00, £24.00, €29.00
eBook: 978-1-4408-3334-2

This provocative book takes a look at children's consumption of sexualized media messages while providing parents, teachers, and professionals with strategies for abating their influence.

JENNIFER W. SHEWMAKER, PhD, is an associate professor of psychology at Abilene Christian University and is a nationally certified school psychologist.



Media Violence and Children

A Complete Guide for Parents and Professionals

Second Edition | DOUGLAS A. GENTILE, EDITOR; FOREWORD BY MICHAEL RICH, MD, MPH

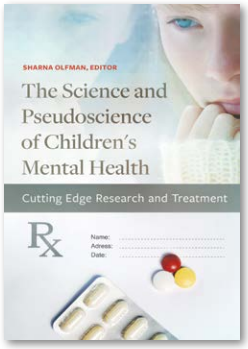
"An important component of the book is the recommendations for parents, pediatricians, and policymakers about both the benefits as well as the harmful effects of the media."

—Dorothy G. Singer, PhD, Retired Senior Research Scientist Yale University

September 2014
477pp, 6 1/8x9 1/4
Print: 978-1-4408-3017-4
$58.00, £37.00, €46.00
eBook: 978-1-4408-3018-1

Stripping away the hype, this book describes how, when, and why media violence can influence children of different ages, giving parents and teachers the power to maximize the media's benefits and minimize its harm.

DOUGLAS A. GENTILE, PhD, is associate professor of developmental psychology at Iowa State University.



The Science and Pseudoscience of Children's Mental Health

Cutting Edge Research and Treatment

SHARNA OLFMAN, EDITOR

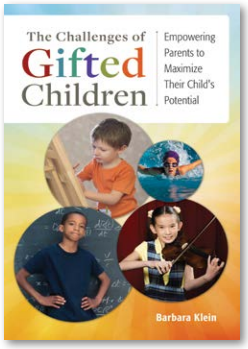
"This very timely volume, on an exceptionally important topic in the lives of children and families, is a frank and thought-provoking consideration of the issues."

—Frank Farley, PhD, Former President, American Psychological Association

March 2015
189pp, 6 1/8x9 1/4
Print: 978-1-4408-3083-9
$37.00, £24.00, €29.00
eBook: 978-1-4408-3084-6

This book explains how studies in brain development and epigenetics—the inextricable interplay of genes and environments—have led to breakthroughs in the understanding of children's psychological disturbances and serve to discredit the scientifically unsupported "chemical imbalance theory" of mental illness.

SHARNA OLFMAN, PhD, is professor of clinical and developmental psychology at Point Park University, Pittsburgh, PA; a clinical psychologist in private practice; and editor/author of Praeger's **Childhood In America** book series.



The Challenges of Gifted Children

Empowering Parents to Maximize Their Child's Potential

BARBARA KLEIN

"Dr. Klein provides a comprehensive and essential resource for parents and pediatricians alike."

—Marianne Finerman, MD Pediatrician

August 2015
156pp, 6 1/8x9 1/4
Print: 978-1-4408-3338-0
$37.00, £24.00, €29.00
eBook: 978-1-4408-3339-7

Educating and raising gifted children presents highly specific challenges. This book explains how parents can learn to optimize their child's potential and work with schools, spouses, friends, and specialists to create a nurturing and stable life.

BARBARA KLEIN, PhD, EdD, has worked with gifted children, their parents, and public and private schools in the greater Los Angeles area since 1986.

NEW

Debates for the Digital Age

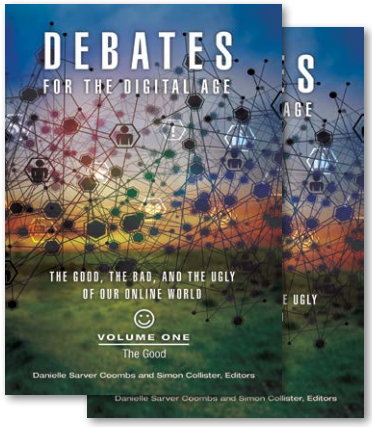
The Good, the Bad, and the Ugly of Our Online World

2 VOLUMES | DANIELLE SARVER COOMBS AND SIMON COLLISTER, EDITORS

Books about Internet culture usually focus on the people, places, sites, and memes that constitute the "cutting-edge" at the time the book is written. That approach, alas, renders such volumes quickly obsolete. This provocative work, on the other hand, focuses on overarching themes that will remain relevant for the long term. The insights it shares will highlight the tremendous impact of the Internet on modern civilization—and individual lives—well after specific players and sites have fallen out of favor.

HIGHLIGHTS

- Includes essays on overarching themes and issues that are essential to understanding Internet culture, including privacy, celebrity, superficiality, and the personal toll online living can have on users
- Addresses current Internet material as well as classic memes, sites, and products
- Engages readers through a deliberately provocative point of view
- Provides a comprehensive examination of the realities surrounding Internet culture, which can be extremely positive or very ugly



November 2015, 671pp, 6 1/8x9 1/4
Print: 978-1-4408-0123-5
$131.00, £82.00, €103.00
eBook: 978-1-4408-0124-2

DANIELLE SARVER COOMBS, PhD, is associate director and associate professor in the School of Journalism and Mass Communication at Kent State University.

SIMON COLLISTER is senior lecturer in the School of Media at London College of Communication, University of the Arts, London.

NEW

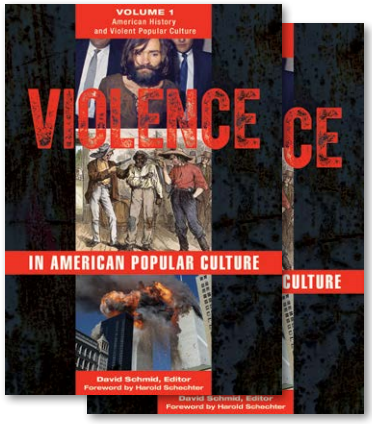
Violence in American Popular Culture

2 VOLUMES | DAVID SCHMID, EDITOR; FOREWORD BY HAROLD SCHECHTER

Few topics are discussed more broadly today than violence in American popular culture. Unfortunately, such discussion is often unsupported by fact and lacking in historical context. This two-volume work aims to remedy that through a series of concise, detailed essays that explore why violence has always been a fundamental part of American popular culture, the ways in which it has appeared, and how the nature and expression of interest in it have changed over time.

HIGHLIGHTS

- Provides a narrative of the development of violence in American popular culture, illustrating both continuity and change
- Combines an overview of each essay's subject matter with in-depth analysis of specific examples
- Features discussion of well-known portrayers of violence, such as film and television, as well as lesser-known sources—for example, murder ballads and Puritan sermons—helping readers place contemporary concerns and examples into a detailed historical context
- Suggests directions for future research and other developments in the field
- Includes a keyword index to enable readers to track continuities across the various essays



November 2015, 623pp, 6 1/8x9 1/4
Print: 978-1-4408-3205-5

FORTHCOMING

Social Media and Politics

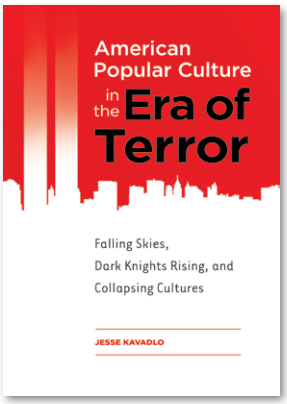
A New Way to Participate in the Political Process

2 VOLUMES | GLENN W. RICHARDSON JR., EDITOR

The last decade has seen dramatic changes in the U.S. political process. The advent of social media and other new forms of expression have enabled an unprecedented number of citizens to enter the political arena by expressing their opinions about issues and candidates in ways that can influence untold numbers of voters and officials. But the vast majority of politicians have not fully grasped how social media has fundamentally changed the process of communication or adjusted to the dramatic shift in political power that is taking place.

HIGHLIGHTS

- Covers key political and cultural issues in today's discourse—such as gay marriage, race, gender, "big data," and hyper-surveillance—from a variety of perspectives and a broad range of contributors
- Provides informed analysis of social media eruptions and their potential to change and shape political discourse
- Supplies an analysis of power that highlights the forgotten core of politics and political communication



September 2015, 218pp, 6 1/8x9 1/4
Print: 978-1-4408-3562-9

NEW

American Popular Culture in the Era of Terror

Falling Skies, Dark Knights Rising, and Collapsing Cultures

JESSE KAVADLO

"Jesse Kavadlo strikes just the right note . . . it is informed, entertaining, insightful, learned, and highly, highly readable."

—David Cowart, Louise Fry Scudder Professor of English and Humanities
University of South Carolina

"This is cultural criticism at its finest—reaching meaningfully into the past to chart a pathway for the future."

—Bob Batchelor, Author of *Gatsby: The Cultural History of the Great American Novel*

Bringing together the most popular genres of the 21st century, this book argues that Americans have entered a new era of narrative dominated by the fear—and wish fulfillment—of the breakdown of authority and terror itself.

HIGHLIGHTS

- Provides an interesting new framework in which to examine popular culture
- Examines films, television shows, and primary texts such as novels for evidence of cultural anxiety and a preoccupation with terror

Domestic Abuse and Sexual Assault in Popular Culture

LAURA L. FINLEY

April 2016
221pp, 6 1/8x9 1/4
Print: 978-1-4408-3794-4
$48.00, £30.00, €38.00
eBook: 978-1-4408-3795-1

Using historical and current examples from film, television, literature, advertisements, and music, this book reveals the ways that rape and abuse are typically presented—and misrepresented—and evaluates the impact of these depictions on consumers.

HIGHLIGHTS

- Addresses both positive and negative depictions of domestic abuse and sexual assault from recent popular culture, utilizing examples from film, television, literature, music, advertisements, and more
- Presents information that is ideal for undergraduate courses in gender studies, sociology, and psychology as well as communications and popular culture classes

LAURA L. FINLEY, PhD, is associate professor of sociology and criminology at Barry University, Miami Shores, FL.

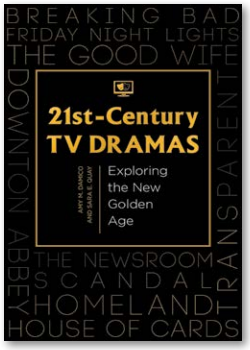
21st-Century TV Dramas

Exploring the New Golden Age

AMY M. DAMICO AND SARA E. QUAY



February 2016, 230pp, 6 1/8x9 1/4
Print: 978-1-4408-3344-1
$60.00, £38.00, €47.00
eBook: 978-1-4408-3345-8

In its exploration of some of the most influential, popular, or critically acclaimed television dramas since the year 2000, this book documents how modern television dramas reflect our society through their complex narratives about prevailing economic, political, security, and social issues.

HIGHLIGHTS

- Identifies and explores connections between critically acclaimed television dramas and real life in the 21st century
- Documents the qualities of television drama series since the turn of the 21st century in the latest era in television that some refer to as the "third golden age of television"

AMY M. DAMICO, PhD, is professor of communication at Endicott College in Beverly, MA, and is faculty advisor to the Endicott College Scholars honors program.

SARA E. QUAY is dean of the school of education at Endicott College in Beverly, MA, and is director of the Endicott College Scholars honors program.

American Hauntings

The True Stories behind Hollywood's Scariest Movies—from *The Exorcist* to *The Conjuring*

ROBERT E. BARTHOLOMEW AND JOE NICKELL

June 2015, 172pp, 6 1/8x9 1/4
Print: 978-1-4408-3968-9
$37.00, £24.00, €29.00
eBook: 978-1-4408-3969-6

"A delightful and enlightening romp . . . . This is a much-needed reminder that the facts behind allegedly paranormal events are almost always more fascinating than the fictions. *American Hauntings* is certain to become a classic."

—Scott O. Lilienfeld, PhD, Professor of Psychology, Emory University, and Coauthor of *50 Great Myths of Popular Psychology*

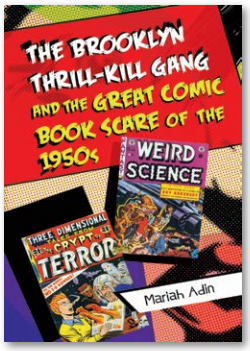
This work provides an accurate, in-depth examination and scientific evaluation of the most famous hauntings in American history as depicted in popular films and television programs.

ROBERT E. BARTHOLOMEW, PhD, is a medical sociologist who teaches social sciences at Botany College, Auckland, New Zealand.

JOE NICKELL, PhD, is a prominent paranormal investigator and former resident magician at the Houdini Hall of Fame.

The Brooklyn Thrill-Kill Gang and the Great Comic Book Scare of the 1950s

MARIAH ADIN



December 2014, 167pp, 6 1/8x9 1/4
Print: 978-1-4408-3372-4
$37.00, £24.00, €29.00
eBook: 978-1-4408-3373-1

"Mariah Adin's engrossing account about a crime spree by four Brooklyn adolescents, dubbed the 'Thrill Kill Gang,' belongs on the bookshelf of anyone interested in youth culture and the history of postwar America."

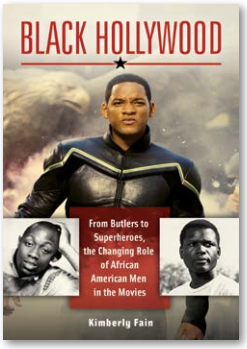
—Eric C. Schneider, University of Pennsylvania, Assistant Dean and Associate Director for Academic Affairs, Adjunct Professor of History

What caused four recently bar mitzvahed middle-class youths to go on a crime spree of assault and murder in 1954? This book provides a compelling narrative retelling of the boys, their crimes, and a U.S. culture obsessed with juvenile delinquency.

HIGHLIGHTS

- Tells a fascinating true crime story involving murder, juvenile delinquency, secret sexualities, and obscene comic books from a time in American history often portrayed as idyllic and innocent
- Provides revealing insights into the anxieties of the post-Holocaust Jewish-American community

MARIAH ADIN, PhD, is a Fulbright Scholar, historian, and writer specializing in juvenile delinquency and modern American history.



Black Hollywood

From Butlers to Superheroes, the Changing Role of African American Men in the Movies

KIMBERLY FAIN

> ***Black Hollywood*** **is a must read for those seeking current impressions of how African Americans are portrayed on the silver screen. . . . This is a one-of-a kind jewel for both reading enjoyment and research opportunities.**
>
> —Dr. Michael D. Sollars, Editor, *World Literary Review,* Texas Southern University

June 2015
251pp, 6 1/8x9 1/4
Print: 978-1-4408-3190-4
$48.00, £30.00, €38.00
eBook: 978-1-4408-3191-1

This thought-provoking work examines the dehumanizing depictions of black males in the movies since 1910, analyzing images that were once imposed on black men and are now appropriated and manipulated by them.

KIMBERLY FAIN, JD, MA, is a licensed attorney who has taught literature at Texas Southern University and Houston Community College.

Star Power

The Impact of Branded Celebrity

2 VOLUMES
AARON BARLOW, EDITOR

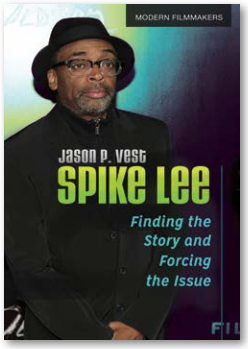
Stars do have real power, but not all of them wield it wisely. This work explores how a variety of celebrities developed their brands and how celebrity can become a jumping-off point to entirely unrelated activities.

August 2014
548pp, 6 1/8x9 1/4
Print: 978-0-313-39617-5
$131.00, £82.00, €103.00
eBook: 978-0-313-39618-2

HIGHLIGHTS

- Connects artists to their frequent collaborators, giving readers the benefit of an expansive introduction that leads logically into an advanced discussion of each star

AARON BARLOW, PhD, is associate professor of English at New York City College of Technology (CUNY) and faculty editor of the American Association of University Professors (AAUP) magazine *Academe*.



Spike Lee

Finding the Story and Forcing the Issue

JASON P. VEST

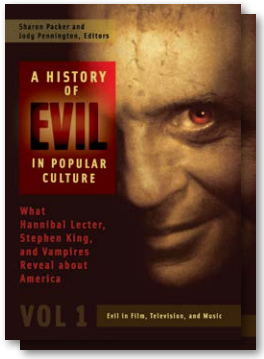
> —Robert Levin, Film Critic, *amNewYork*

February 2014
271pp, 6 1/8x9 1/4
Print: 978-1-4408-0187-7
$48.00, £30.00, €38.00
eBook: 978-1-4408-0188-4

This forward-looking exploration of contemporary American film across the last 40 years identifies and examines the specific movies that changed the film industry and shaped its present and future.

ETHAN ALTER is chief film critic and editor for the website, Television Without Pity.



A History of Evil in Popular Culture

What Hannibal Lecter, Stephen King, and Vampires Reveal about America

2 VOLUMES

SHARON PACKER AND JODY PENNINGTON, EDITORS

"The essays are scholarly but accessible. Recommended."

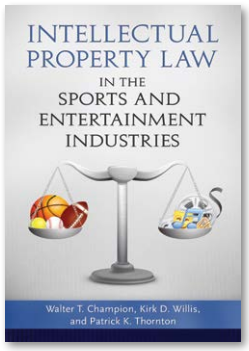
—*Choice*

July 2014
825pp, 6 1/8x9 1/4
Print: 978-0-313-39770-7
$131.00, £82.00, €103.00
eBook: 978-0-313-39771-4

Evil isn't simply an abstract theological or philosophical talking point. In our society, the idea of evil feeds entertainment, manifests in all sorts of media, and is a root concept in our collective psyche. This accessible and appealing book examines what evil means to us.

SHARON PACKER, MD, is assistant professor of psychiatry and behavioral science at Albert Einstein College of Medicine, NY.

JODY PENNINGTON, PhD, is associate professor in media and culture studies at University of Aarhus, Denmark.



Intellectual Property Law in the Sports and Entertainment Industries

WALTER T. CHAMPION, KIRK D. WILLIS, AND PATRICK K. THORNTON

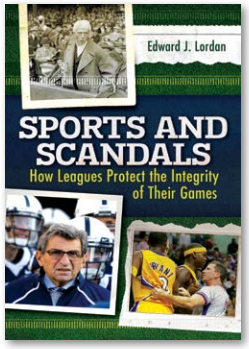
March 2014
284pp, 6 1/8x9 1/4
Print: 978-0-313-39163-7
$60.00, £38.00, €47.00
eBook: 978-0-313-39164-4

In this detailed yet readable legal analysis, the authors thoroughly evaluate the connections between intellectual property and the sports and entertainment industries, covering everything from copyrights and patents to trademarked logos and marketing strategies.

WALTER T. CHAMPION is law professor at Texas Southern University School of Law.

KIRK D. WILLIS is managing partner of The Willis Law Group in Dallas, TX.

The late **PATRICK K. THORNTON** was associate professor in sports management at Rice University.



Sports and Scandals

How Leagues Protect the Integrity of Their Games

EDWARD J. LORDAN

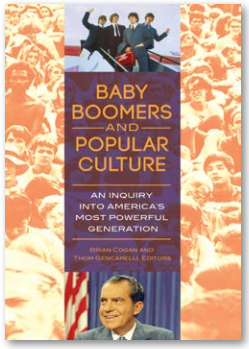
"A thorough, provocative exploration of scandal in the world of sports and how the individuals involved and their organizations have sought to manage the crises and prevent future ones."

—Bob Ford, *Philadelphia Inquirer*

June 2014
249pp, 6 1/8x9 1/4
Print: 978-1-4408-2992-5
$58.00, £37.00, €46.00
eBook: 978-1-4408-2993-2

Sports are inspiring and uplifting. They can also bring out some of the worst characteristics in human nature: narcissism, prejudice, greed. This book looks at the major sports scandals in modern American history, from the Black Sox fix of 1919 to the current concussion crisis in the NFL.

EDWARD J. LORDAN, PhD, is professor of communication studies at West Chester University, PA.



Baby Boomers and Popular Culture

An Inquiry into America's Most Powerful Generation

BRIAN COGAN AND THOM GENCARELLI, EDITORS

"Recommended. Lower-division undergraduates and above; general readers."

—*Choice*

November 2014
423pp, 6 1/8x9 1/4
Print: 978-0-313-39886-5
$58.00, £37.00, €46.00
eBook: 978-0-313-39887-2

The Boomers are the generation that changed everything, from economics to politics to popular culture. This book examines the myriad ways and long-reaching consequences of the now fully "grown up" Baby Boomer generation on America.

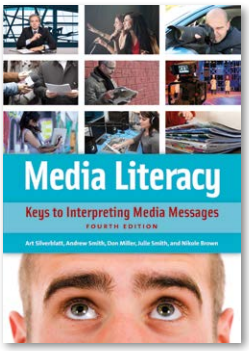
BRIAN COGAN, PhD, is associate professor and chair in the Department of Communications at Molloy College, Rockville Centre, NY.

THOM GENCARELLI, PhD, is associate professor and the founding chair of the Communication Department at Manhattan College in Riverdale, NY.

Media Literacy

Keys to Interpreting Media Messages

Fourth Edition | ART SILVERBLATT, ANDREW SMITH, DON MILLER, JULIE SMITH, AND NIKOLE BROWN



May 2014, 550pp, 6 1/8x9 1/4
Hardcover: 978-1-4408-3091-4
$58.00, £37.00, €46.00
eBook: 978-1-4408-3092-1
Paperback: 978-1-4408-3115-7
$30.00, £19.00, €24.00

> "The book could be incorporated into courses in media studies, journalism, and communications and enjoyed by anyone interested in learning more about mass media. . . . Recommended."
>
> —*Choice*

Covering print, photography, film, radio, television, and new media, this textbook instructs readers on how to take a critical approach to media and interpret the information overload that is disseminated via mass communication.

ART SILVERBLATT, PhD, is professor at Webster University, St. Louis, MO.

ANDREW SMITH is full-time professor at Lindenwood University.

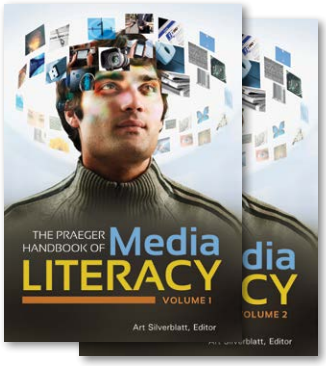
DON MILLER is faculty at Webster University.

JULIE SMITH is professor at Webster University.

NIKOLE BROWN is a graduate student at Webster University.

The Praeger Handbook of Media Literacy

2 VOLUMES | ART SILVERBLATT, EDITOR



November 2013, 1,007pp, 7x10
Print: 978-0-313-39281-8
$189.00, £119.00, €148.00
eBook: 978-0-313-39282-5

> "[F]or libraries building their collections in media literacy and related fields. . . . Recommended."
>
> —*Choice*

This groundbreaking two-volume set provides readers with the information they need to grasp new developments in the swiftly evolving field of media literacy.

HIGHLIGHTS

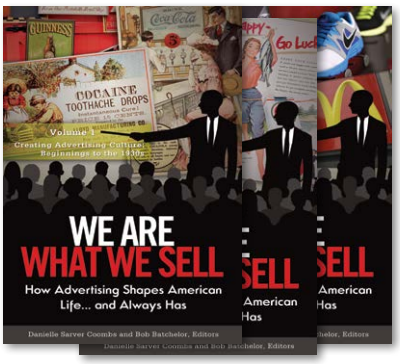
- Offers comprehensive coverage of media literacy, from principles and concepts to media literacy education in the United States
- Shows readers how to apply critical thinking skills to mass communications
- Covers key individuals in the field
- Features numerous short topical entries, biographical sketches, overviews of organizations, and important writings from the field

ART SILVERBLATT, PhD, is professor of communications and journalism at Webster University, St. Louis, MO.

We Are What We Sell

How Advertising Shapes American Life. . . and Always Has

3 VOLUMES
DANIELLE SARVER COOMBS AND BOB BATCHELOR, EDITORS



January 2014, 1,004pp, 6 1/8x9 1/4
Print: 978-0-313-39244-3

Jews and Punk

MICHAEL CROLAND

April 2016, 183pp, 6 1/8x9 1/4
Print: 978-1-4408-3219-2
$37.00, £24.00, €29.00
eBook: 978-1-4408-3220-8

Step inside a fascinating world of Jews who relate to their Jewishness through the vehicle of punk—from prominent figures in the history of punk to musicians who proudly put their Jewish identity front and center.

HIGHLIGHTS

- Provides a fascinating exploration of alternative, against-the-grain expressions of Jewish identity in the contemporary United States as seen in music, documentaries, young adult novels, zines, and more
- Shows the prominent role of Jewish individuals in the history of punk, including such major bands as the Ramones, the Dictators, the Clash, Bad Religion, and NOFX as well as Malcolm McLaren, the manager of the Sex Pistols
- Documents the significant role that punk has played in shaping key contemporary Jewish music, including klezmer and Radical Jewish Culture

MICHAEL CROLAND has written about Jews and punk for the *Forward*, *New Voices*, and his former blog, heebnvegan.

God and Popular Culture

A Behind-the-Scenes Look at the Entertainment Industry's Most Influential Figure

2 VOLUMES
STEPHEN BUTLER MURRAY AND AIMÉE UPJOHN LIGHT, EDITORS

August 2015, 628pp, 6 1/8x9 1/4
Print: 978-1-4408-0179-2
$131.00, £82.00, €103.00
eBook: 978-1-4408-0180-8

This contributed two-volume work tackles a fascinating topic: how and why God plays a central role in the modern world and profoundly influences politics, art, culture, and our moral reflection—even for nonbelievers.

HIGHLIGHTS

- Supplies a broad conception of "God" that provides readers with a fuller and more accurate portrait of a phenomenon that evolved substantially over time but also remains an enduring—and enduringly influential—element of popular culture

The Reverend **STEPHEN BUTLER MURRAY** is president and professor of systematic theology and preaching at Ecumenical Theological Seminary in Detroit, MI.

AIMÉE UPJOHN LIGHT, PhD, is assistant professor of theology at Duquesne University and specializes in interreligious work and feminist theologies.

eBook: 978-0-313-38655-8

This three-volume collection demonstrates the depth and breadth of evangelical Christians' consumption, critique, and creation of popular culture, and how evangelical Christians are both influenced by—and influence—mainstream popular culture, covering comic books to movies to social media.

ROBERT H. WOODS JR., PhD, is professor of communication at Spring Arbor University in Michigan, where he teaches in the master's program.

NEW

Religious Diversity Today

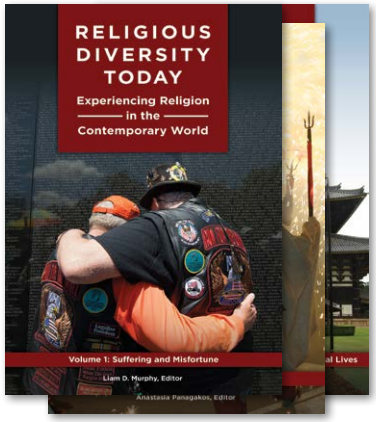
Experiencing Religion in the Contemporary World

3 VOLUMES | JEAN-GUY A. GOULET, GENERAL EDITOR
LIAM D. MURPHY AND ANASTASIA PANAGAKOS, EDITORS

Why is human suffering and the existence of evil part of the human experience? How does religious doctrine establish one's identity? In what ways does religion interact with and shape the social order? This thought-provoking work ponders these questions and explores the concept of religion from various perspectives: as a tool for self and community-based spiritual awareness, as a set of practices that translates faith into interaction with others, and as a cornerstone of society for those who seek to harness—or hinder—its influence.

HIGHLIGHTS

- Features original essays on religious experience across a wide spectrum of social, cultural, and political environments
- Considers the social performance and effects of ritual
- Includes content based on fieldwork in North America, South America, Europe, China, the Philippines, South Africa, Morocco, and Lebanon
- Reveals how the culture of professional sports compares to traditional religious cultures
- Connects religion with the cultural interpretations of body images and politics



December 2015, 910pp, 6 1/8x9 1/4
Print: 978-1-4408-3331-1
$194.00, £122.00, €152.00
eBook: 978-1-4408-3332-8

JEAN-GUY A. GOULET, PhD, is professor of conflict studies at Saint Paul University.

LIAM D. MURPHY, PhD, is professor of anthropology at California State University, Sacramento.

ANASTASIA PANAGAKOS, PhD, is professor of anthropology at Cosumnes River College.

The Electronic Church in the Digital Age

Cultural Impacts of Evangelical Mass Media

2 VOLUMES | MARK WARD SR., EDITOR; FOREWORD BY DANIEL A. STOUT

Evangelical broadcasting has greatly expanded its footprint in the digital age. This informative text acquaints readers with how the electronic church of today spreads its message through Internet podcasts, social networking, religious radio programs, and televised sermons; how mass media forms the institution's modern identity; and what the future of the industry holds as mobile church apps, Christian-based video games, and online worship become the norm.

HIGHLIGHTS

- Compares and contrasts evangelical media across time and across platforms
- Provides insight into the influence of the electronic church in the digital age
- Documents the reach of the electronic church through radio, TV, and digital media
- Reports what evangelical mass media is saying about today's key issues
- Considers how voices within religious mass media persuade or dissuade the American public with their discourse

FORTHCOMING

Women and Asian Religions

ZAYN KASSAM, EDITOR

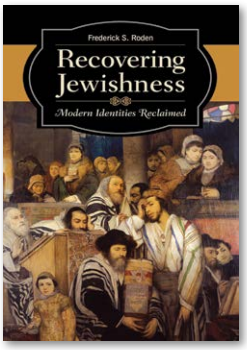
Covering eclectic topics ranging from South Asian religion to motherhood to world dance to ethnomusicology, this book focuses on contemporary selected experiences of women and how their lives interface with religion.

July 2016
300pp, 6 1/8x9 1/4
Print: 978-0-275-99159-3
$48.00, £30.00, €38.00
eBook: 978-0-313-08275-7

HIGHLIGHTS

- Examines how women draw upon their faith to address the issues they face in the changing contexts of globalization, religion and spirituality, and feminism
- Highlights how religion can be a powerful force for social change

ZAYN KASSAM, PhD, is John Knox McLean Professor of Religious Studies at Pomona College, Claremont, CA.



NEW

Recovering Jewishness

Modern Identities Reclaimed

FREDERICK S. RODEN

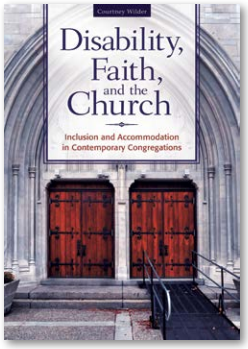
"Essential reading for scholars and readers concerned with issues of longing, belonging, difference, and self-difference—Jewish and beyond. A necessary book."

—S.I. Salamensky
Director, Global Humanities
University of Louisville

February 2016
271pp, 6 1/8x9 1/4
Print: 978-1-4408-3774-6
$60.00, £38.00, €47.00
eBook: 978-1-4408-3775-3

Judaism and Jewish life reflect a diversity of identity after the past two centuries of modernization. This work examines how the early reformers of the 19th century and their legacy into the 20th century created a livable, liberal Jewish identity that allowed a reinvention of what it meant to be Jewish—a process that continues today.

FREDERICK S. RODEN, PhD, is associate professor of English at the University of Connecticut.



FORTHCOMING

Disability, Faith, and the Church

Inclusion and Accommodation in Contemporary Congregations

COURTNEY WILDER

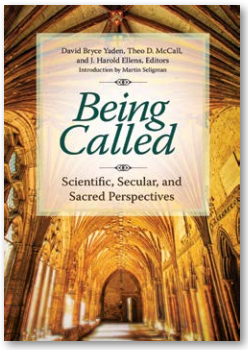
Including both theoretical discussions and practical information for congregational use or pastoral use, this rich, accessible book explores biblical text, historical and theological issues of disability, and examples of successful ministry by people with disabilities.

April 2016
150pp, 6 1/8x9 1/4
Print: 978-1-4408-3884-2
$37.00, £24.00, €29.00
eBook: 978-1-4408-3885-9

HIGHLIGHTS

- Engages a wide range of theological traditions and writings on disability within the Christian tradition

COURTNEY WILDER, PhD, is professor of religion at Midland University, Fremont, NE.



Being Called

Scientific, Secular, and Sacred Perspectives

DAVID BRYCE YADEN, THEO D. MCCALL, AND J. HAROLD ELLENS, EDITORS; INTRODUCTION BY MARTIN SELIGMAN

"A great book for anyone interested in a cross-disciplinary perspective on these experiences."

—Harold G. Koenig, MD, Professor of Psychiatry and Behavioral Sciences, Duke University Medical Center, Durham, North Carolina

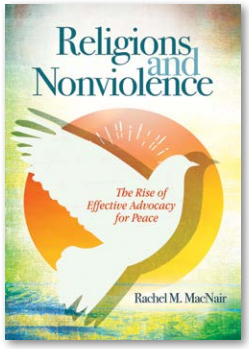
August 2015
314pp, 6 1/8x9 1/4
Print: 978-1-4408-3912-2
$48.00, £30.00, €38.00
eBook: 978-1-4408-3913-9

This unique book is an essential resource for interdisciplinary research and scholarship on the phenomenon of feeling called to a life path or vocation at the interface of science and religion.

DAVID BRYCE YADEN is a research fellow and assistant instructor at The University of Pennsylvania.

THEO D. MCCALL, PhD, is the chaplain of St Peter's College, an Anglican school for boys in Adelaide, Australia.

J. HAROLD ELLENS, PhD, has held 15 pastorates, military and civilian, and taught full-time at Oakland University.



Religions and Nonviolence

The Rise of Effective Advocacy for Peace

RACHEL M. MACNAIR

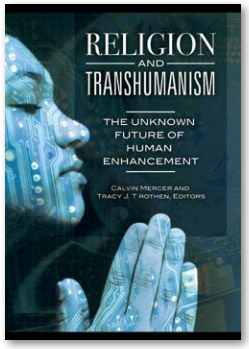
Covering the nonviolence traditions in all the major religions as well as the contributions of religious traditions to major nonviolent practices, this book addresses theories of nonviolence, considers each religion individually, and highlights what discrete religious perspectives have in common.

July 2015
321pp, 6 1/8x9 1/4
Print: 978-1-4408-3538-4
$58.00, £37.00, €46.00
eBook: 978-1-4408-3539-1

HIGHLIGHTS

- Explores all major world religions in the context of nonviolence in great detail

RACHEL M. MACNAIR, PhD, is director of the Institute for Integrated Social Analysis, research arm of the non-profit organization Consistent Life.



Religion and Transhumanism

The Unknown Future of Human Enhancement

CALVIN MERCER AND TRACY J. TROTHEN, EDITORS

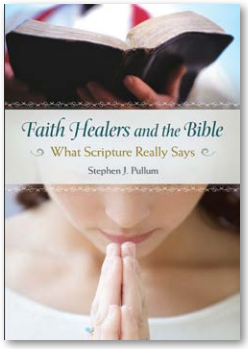
> **"This excellent volume provides the most up-to-date and extensive range of contributions to the contemporary religious and theological discussion—it rightly deserves to be warmly welcomed and widely read."**
>
> —Robert Song, Department of Theology and Religion, Durham University

November 2014
452pp, 6 1/8x9 1/4
Print: 978-1-4408-3325-0
$58.00, £37.00, €46.00
eBook: 978-1-4408-3326-7

Should technology be used to improve human faculties such as cognition and longevity? This thought-provoking dialogue between "transhumanism" and religion examines enhancement technologies that could radically alter the human species.

CALVIN MERCER, PhD, is professor of religion and director of the Religious Studies Program at East Carolina University.

TRACY J. TROTHEN, PhD, is associate professor of religion at the Queen's University School of Religion, in Kingston, Ontario.



Faith Healers and the Bible

What Scripture Really Says

STEPHEN J. PULLUM

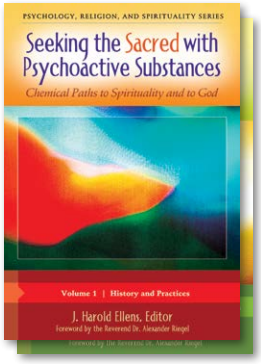
An insightful read for anyone who is interested in religion, this book offers fresh, biblical insight into the preaching of faith healing from a Christian perspective.

April 2015
209pp, 6 1/8x9 1/4
Print: 978-1-4408-3213-0
$48.00, £30.00, €38.00
eBook: 978-1-4408-3214-7

HIGHLIGHTS

- Explains how faith healers have persuaded thousands of followers over more than a century's time
- Clearly differentiates between miraculous healing versus the providential

STEPHEN J. PULLUM, PhD, is professor of communication studies and former associate dean of the College of Arts and Sciences at the University of North Carolina, Wilmington, where he has taught since 1988.



Seeking the Sacred with Psychoactive Substances

Chemical Paths to Spirituality and to God

2 VOLUMES | J. HAROLD ELLENS, EDITOR FOREWORD BY THE REVEREND DR. ALEXANDER RIEGEL

> **"This volume provides a wealth of ideas and knowledge for anyone interested in the spiritual aspects of the psychedelic experience."**
>
> —Open Foundation

October 2014
830pp, 6 1/8x9 1/4

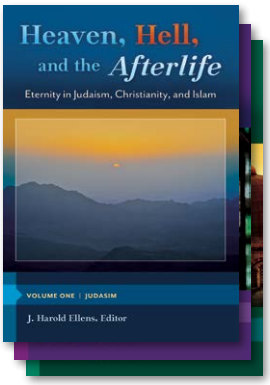
eBook: 978-1-4408-3133-1

This fascinating work explores the meaning of death in the digital age, showing readers the new ways digital technology allows humans to approach, prepare for, and handle their ultimate destiny.

CHRISTOPHER M. MOREMAN, PhD, is associate professor in philosophy at California State University, East Bay.

A. DAVID LEWIS, PhD, is adjunct assistant professor at several colleges across the greater Boston area.



Heaven, Hell, and the Afterlife

Eternity in Judaism, Christianity, and Islam

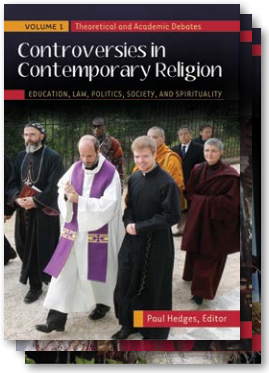
3 VOLUMES
J. HAROLD ELLENS, EDITOR

> **"This set provides readers with a wealth of material on various views of the afterlife. . . . [T]hese writers have provided stimulating material that is sure to spark further discussion. Recommended."**
>
> —*Choice*

July 2013
838pp, 6 1/8x9 1/4
Print: 978-1-4408-0183-9
$194.00, £122.00, €152.00
eBook: 978-1-4408-0184-6

Christianity, Islam, and Judaism all feature ideas about heaven, hell, and afterlife, and these concepts have evolved over time within these religions. This work supplies a detailed and coherent understanding of the broad scope of spiritual thinking in the last 3,000 years within the Abrahamic traditions.

J. HAROLD ELLENS, PhD, has held 15 pastorates, military and civilian, and taught full-time at Oakland University.



Controversies in Contemporary Religion

Education, Law, Politics, Society, and Spirituality

3 VOLUMES
PAUL HEDGES, EDITOR

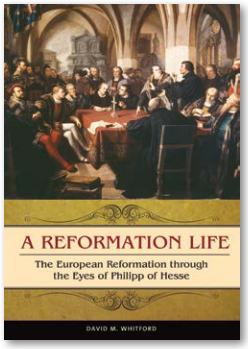
Religious or spiritual beliefs underpin many controversies and conflicts in the contemporary world. Written by a range of scholarly contributors, this three-volume set provides contextual background information and detailed explanations of religious controversies across the globe.

September 2014
971pp, 6 1/8x9 1/4
Print: 978-1-4408-0341-3
$194.00, £122.00, €152.00
eBook: 978-1-4408-0342-0

HIGHLIGHTS

- Provides detailed coverage of a broad range of religious controversies and issues in a single resource

PAUL HEDGES, PhD, is reader in interreligious studies at the University of Winchester, UK.



A Reformation Life

The European Reformation through the Eyes of Philipp of Hesse

DAVID M. WHITFORD

This title presents the European Reformation as seen through the life of an important but little-known participant—Philipp of Hesse, a nobleman who became a Reformation leader in Germany.

August 2015
170pp, 6 1/8x9 1/4
Print: 978-1-4408-0253-9
$58.00, £37.00, €46.00
eBook: 978-1-4408-0254-6

HIGHLIGHTS

- Provides a fresh approach to a curricular staple topic that is critical to the understanding of early modern history, the history of religion, and the current state of Christianity

DAVID M. WHITFORD is professor of reformation studies at Baylor University and an editor of the *Sixteenth Century Journal* (SCJ).

ORDERING INFORMATION

PRAEGER™

RETURNS POLICY

Please email Accounts Receivable at **rarequest@abc-clio.com** within 30 days for return authorization if you are not completely satisfied. Returns without prior approval will not be accepted. Once approved, returns must be received in saleable condition for a full credit or refund. Please allow 8-10 weeks for processing.

Claims regarding shortages or damaged or defective materials must be made within 30 days of receipt. Non-receipt of an order must be reported within 120 days of the invoice date. For more information, contact Customer Service at 800-368-6868, ext.107.

Accepted returns will be credited to your account. Requests for refunds must be made in writing and will be granted only if no account balance is due.

SHIPPING INFORMATION

U.S. orders please add 9% (with a minimum charge of $6.00), Canadian orders please add 10% (with a minimum charge of $12.00) of the net invoice total for shipping and handling. Unless otherwise noted, we ship UPS Ground.

NOTE: UPS will not deliver to P.O. boxes; a valid street address is required. Overnight or special shipping requests are additional. Call Customer Service for actual shipping charges.

SALES TAX

U.S. residents add applicable state sales tax; Canadian residents add 5% GST or 8% HST. Please provide tax-exempt number or certificate if your institution is tax-exempt.

PUB DATES AND PRICING

Publishing dates and prices are subject to change without notice. Please go to **abc-clio.com** for current information.

CUSTOMERS OUTSIDE U.S. & CANADA
